

*The World's First **Omnidata Intelligence** Company*

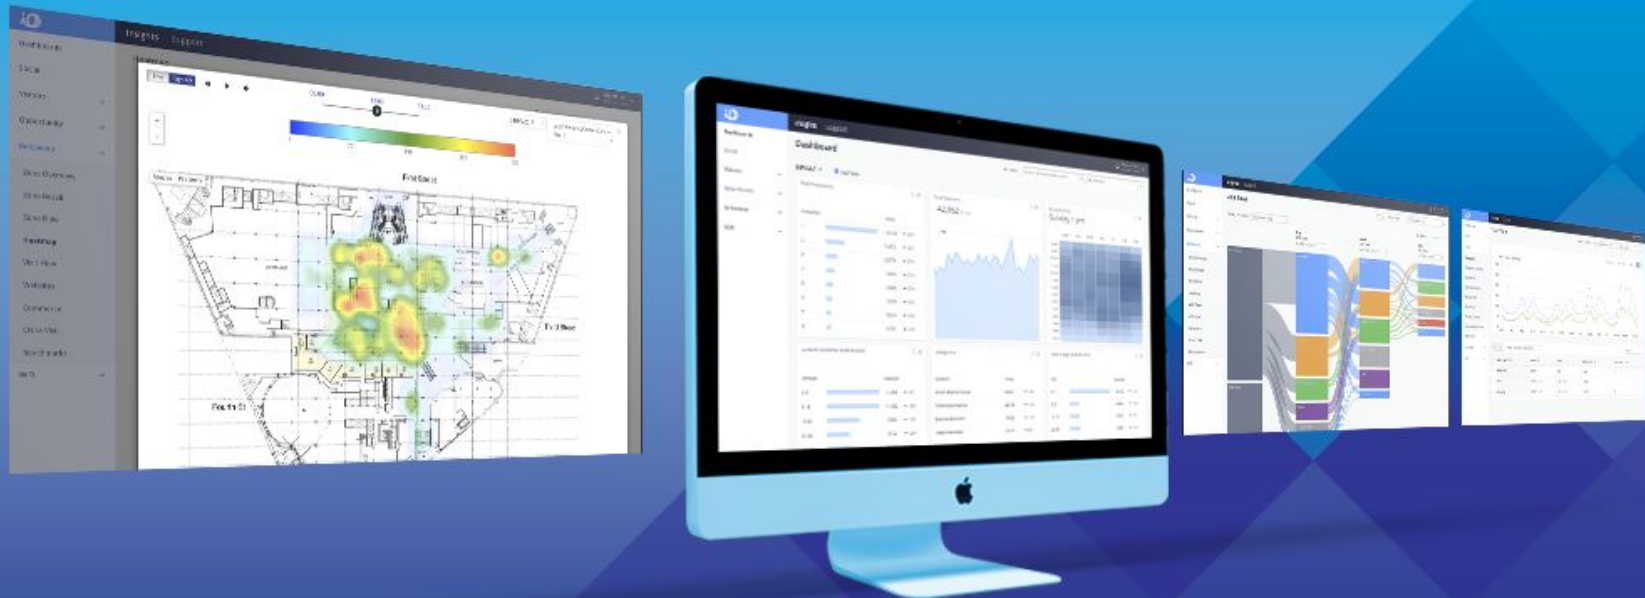

We exist to help physical venues use
data to better understand visitor
behavior

SKF: ASX

Data Intelligence Platform built for Physical Venues

IO Skyfii is a global technology company that transforms the way organisations collect, analyse and extract value from data. We process billions of data points monthly, captured in the physical & digital world to help businesses better understand and improve the experiences of millions of customers every day.

Business Snapshot

Types of Revenues

1. Multi-year SaaS subscriptions
2. Data & Marketing Services
3. Non-recurring

Types of data points

>25 different capture points
that analyse billions of data
points monthly

Verticals

10 key verticals
Focus on Enterprise

Customers

900+ customers
10,000+ venues

Personal use only

Businesses typically use
Skyfii IO in three phases...

1

Establish Baseline Metrics for Visitor Behavior

Most venues start by using Skyfii to get more value from the technology infrastructure they already have.

2

Add Context With Additional Data Sources

Skyfii IO can incorporate data from multiple aspects of your business.

By selecting the right data sources, Skyfii can add more context to the data you're already collecting.

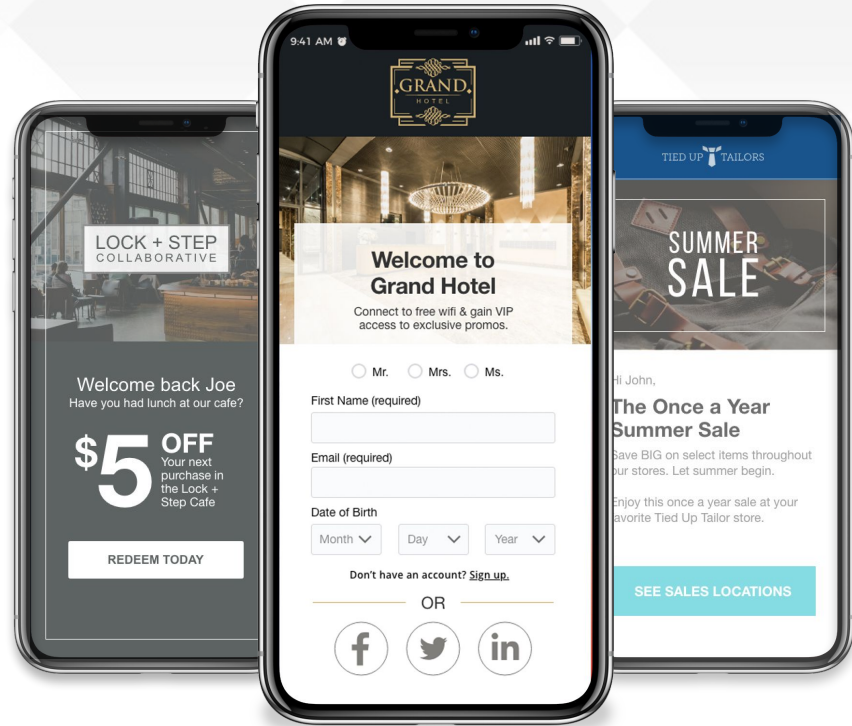

3

Engage Visitors To Obtain Deeper Insights

Obtain email, phone, name, zip code, survey responses and other visitor-provided data

Send and measure responses to email campaigns, SMS messages, in-app notifications, and mobile content.

Airports

Improving passenger throughput efficiency

Challenge

- Lack of operational KPI's to understand passenger movement through terminal
- Lack of airline accountability

Technology

- Wi-Fi, Camera, Flight arrivals/departure data

Team

- Co-occurrence modelling to connect passenger arrivals to flights
- Design of new measure KPIs based on key precincts, include baggage and immigration

Outcome

- Airport was able to identify congestion points affecting passenger travel, and identify related drivers including staff, seasonal events and retail areas.

KEY FOCUS AREAS OF FOCUS FOR FY2020

- Conversion of key contracts within our International markets
- Deliver strong topline and recurring revenue growth across all regions
- Maintain focus on cash management and maintaining a positive EBITDA position
- Integrate the Beonic (people counting) business and expand offering into the UK, USA and Brazil
- Increase the number of datasets represented in the IO platform
- Further build out our partnership with global ecosystem partners

Important Notice and Disclaimer

This presentation has been prepared by Skyfii Limited (ACN 009 264 699) (Skyfii or the Company). The information contained in this presentation is current at the date of this presentation. The information is a summary overview of the current activities of the Company and does not purport to be all inclusive or to contain all the information that a prospective investor may require in evaluating a possible investment. This presentation is for general information purposes and is not intended to be and does not constitute a prospectus, product disclosure statement, pathfinder document or other disclosure document for the purposes of the Corporations Act and has not been, and is not required to be, lodged with the Australian Securities & Investments Commission. It is to be read in conjunction with the Company's disclosures lodged with the Australian Securities Exchange.

The material contained in this presentation is not, and should not be considered as, financial product or investment advice. This presentation is not (and nothing in it should be construed as) an offer, invitation, solicitation or recommendation with respect to the subscription for, purchase or sale of any security in any jurisdiction, and neither this document nor anything in it shall form the basis of any contract or commitment. This presentation is not intended to be relied upon as advice to investors or potential investors and does not take into account the investment objectives, financial situation or needs of any particular investor which need to be considered, with or without professional advice, when deciding whether or not an investment is appropriate.

This presentation may contain information as to past performance of the Company. Such information is given for illustrative purposes only, and is not – and should not be relied upon as – an indication of future performance of the Company. The historical information in this presentation is, or is based upon, information contained in previous announcements made by the Company to the market.

This document contains certain "forward-looking statements". The words "anticipate", "believe", "expect", "project", "forecast", "estimate", "outlook", "upside", "likely", "intend", "should", "could", "may", "target", "plan" and other similar expressions are intended to identify forward-looking statements. Indications of, and guidance on, future earnings and financial position and performance are also forward-looking statements, as are statements regarding the Company's plans and strategies and the development of the market.

Such forward-looking statements are not guarantees of future performance and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Company, which may cause actual results to differ materially from those expressed or implied in such statements.

The Company cannot give any assurance or guarantee that the assumptions upon which management based its forward-looking statements will prove to be correct or exhaustive beyond the date of its making, or that the Company's business and operations will not be affected by other factors not currently foreseeable by management or beyond its control. Such forward-looking statements only speak as at the date of this announcement and the Company assumes no obligation to update such information. The release, publication or distribution of this presentation in jurisdictions outside Australia may be restricted by law. Any failure to comply with such restrictions may constitute a violation of applicable securities laws.

All references to dollars are to Australian currency unless otherwise stated.

To the maximum extent permitted by law, the Company makes no representation or warranty (express or implied) as to the accuracy, reliability or completeness of any information contained in this document. To the maximum extent permitted by law, the Company shall have no liability (including liability to any person by reason of negligence or negligent misrepresentation) for any statements, opinions or information (express or implied), arising out of, contained in or derived from, or for any omissions from this document, except liability under statute that cannot be excluded.
