

MARKET UPDATE FOR QUARTER ENDED 31 DECEMBER 2019

BauMart Holdings Limited (ASX: BMH) ("BauMart" or the "Company") is pleased to present its quarterly cash report for the period ended 31 December 2019 and advises:

Materials Handling Supply Division

- Delivered strong quarter of revenue, achieving \$951K for Q2 FY20
- The operations team focused on closing sizeable pipeline opportunities from recent marketing trips to the eastern states
- The team continued to add complementary product ranges to the existing distribution platform with more expected during Q3 and Q4 FY20. The addition of highly synergistic products is a primary focus for the division
- Operational and sales infrastructure enhanced with additions to the support team. Perth distribution operations were relocated to more modern office and warehouse facilities during the quarter
- The division received its first order from a New Zealand reseller during the quarter, triggering a decision to progress with expansion plans in this region

Building Materials Supply Division

- During the quarter, backorders for natural stone projects in the eastern states were completed
- The natural stone partnership in Queensland has a good pipeline of confirmed orders with other higher volume opportunities expected to be completed during Q3 or Q4 FY20
- Partnership with a leading stone reseller in the Victoria region showing positive activity and giving management confidence to expand the natural stone distribution business in line with the division's growth strategy
- The sales team is planning another marketing trip to the eastern states, but it is likely to be in Q3 or Q4 FY20
- Sales and distribution of wood plastic composite products ceased during the quarter, which resulted in a variance to the comparable period

Other Income

- The underground mining equipment project experienced an approximate 1-month delay following an unforeseen vessel breakdown during transit. The equipment is scheduled to arrive in the second week of February 2020 with commissioning to commence shortly after this. Interest income begun in Q2 FY20.
- The Company finished the quarter with no further updates in relation to the operator of its glass processing equipment
