About Okapi Resources

Okapi Resources Limited is a mineral exploration company focused on the discovery and commercialisation of mineral deposits in the Democratic Republic of the Congo (DRC) and Western Australia.

Our primary objective is to discover and develop mineral resources from our current portfolio and to also pursue a growth strategy that aims to appraise and secure further exploration and development opportunities within major world renowned gold and mineral endowed districts.

The Company carefully selects projects with historical workings and excellent results. Okapi has a team of professionals with an exemplary record of success and with a particular history in Western Australia and more so the Democratic Republic of Congo (DRC).
