

**Zoono Group Limited (ASX: ZNO)
ASX ANNOUNCEMENT**

26 February 2020

Change in Director's Interest

Zoono Group Limited (ASX:ZNO) attaches an Appendix 3Y, Change of Director's Interest Notice, for Managing Director, Mr. Paul Hyslop. Mr. Hyslop has divested 16.8M shares; reducing his shareholding from 51% to approximately 41%.

Mr. Hyslop founded the Zoono business 14 years ago. He funded the Company through a mixture of debt and (predominantly personal) equity until the Company listed on ASX following a \$10M public capital raise in May 2017. Other than a salary and a minor sell down on listing to cover tax incurred as a result of the transaction, Mr. Hyslop has not received any funds from the Company over that period. Proceeds from current sales will be used to retire some of the debt he has incurred in developing the Zoono business.

This week, during a trading window under the Company's Trading Policy and with the Board's blessing, Mr. Hyslop sold 1.5M shares on market at an average price of \$1.72/share. He also crossed 15.3M shares at \$1.35/share to Australian institutions. The major buyer was Regal Funds Management. Regal is one of Australia's leading investment managers and a very strong addition to the Company's share register.

Given the recent re-rating of the Company's share price following global interest in the Zoono technology, the Company has been approached by several fund managers seeking placements in the Company's securities. Zoono is well funded and does not require an injection of capital at this time, which would dilute current shareholders. The Managing Director's sale of a portion of his holding will contribute to liquidity in the Company's shares.

Mr. Hyslop has undertaken to enter a voluntary escrow agreement over his remaining holding for a period of 12 months. He remains the largest shareholder of Zoono with a dominant 41% interest going forward and committed to the continual development of the Company for the benefit of all shareholders.

This announcement has been authorised and approved for release by the Company Secretary of Zoono Group Limited.

About Zoono

Zoono Group Limited is a global biotech company that develops, manufactures and distributes a suite of scientifically-validated, long-lasting and environmentally-friendly antimicrobial

solutions. Zoono's mission is to improve health and well-being through innovative, safe, non-toxic and durable germ protection.

Zoono produces sprays, wipes and foams suited for skin care, surface sanitisers, and mould remediation treatments. The products are based on the 'zoono molecule', a unique antimicrobial molecule that bonds to any surface and kills pathogens including bacteria, viruses, algae, fungi and mould.

Zoono's products have received numerous regulatory approvals and the company's technology claims are supported by independent testing conducted in laboratories worldwide. Zoono is headquartered in New Zealand and its products are available globally.
