<sup>1</sup> "Corporate governance statement" is defined in Listing Rule 19.12 to mean the statement referred to in Listing Rule 4.10.3 which discloses the extent to which an entity has followed the recommendations set by the ASX Corporate Governance Council during a particular reporting period.

Listing Rule 4.10.3 requires an entity that is included in the official list as an ASX Listing to include in its annual report either a corporate governance statement that meets the requirements of that rule or the URL of the page on its website where such a statement is located. The corporate governance statement must disclose the extent to which the entity has followed the recommendations set by the ASX Corporate Governance Council during the reporting period. If the entity has not followed a recommendation for any part of the reporting period, its corporate governance statement must separately identify that recommendation and the period during which it was not followed and state its reasons for not following the recommendation and what (if any) alternative governance practices it adopted in lieu of the recommendation during that period.

Under Listing Rule 4.7.4, if an entity chooses to include its corporate governance statement on its website rather than in its annual report, it must lodge a copy of the corporate governance statement with ASX at the same time as it lodges its annual report with ASX. The corporate governance statement must be current as at the effective date specified in that statement for the purposes of Listing Rule 4.10.3.

Under Listing Rule 4.7.3, an entity must also lodge with ASX a completed Appendix 4G at the same time as it lodges its annual report with ASX. The Appendix 4G serves a dual purpose. It acts as a key designed to assist readers to locate the governance disclosures made by a listed entity under Listing Rule 4.10.3 and under the ASX Corporate Governance Council's recommendations. It also acts as a verification tool for listed entities to confirm that they have met the disclosure requirements of Listing Rule 4.10.3.

The Appendix 4G is not a substitute for, and is not to be confused with, the entity's corporate governance statement. They serve different purposes and an entity must produce each of them separately.

<sup>2</sup> Tick whichever option is correct and then complete the page number(s) of the annual report, or the URL of the web page, where your corporate governance statement can be found. You can, if you wish, delete the option which is not applicable.

<sup>3</sup> Throughout this form, where you are given two or more options to select, you can, if you wish, delete any option which is not applicable and just retain the option that is applicable. If you select an option that includes "OR" at the end of the selection and you delete the other options, you can also, if you wish, delete the "OR" at the end of the selection.

See notes 4 and 5 below for further instructions on how to complete this form.

**2019 CORPORATE GOVERNANCE STATEMENT**

This 2019 Corporate Governance Statement is current as at 30 March 2020 and has been approved by the Board of the Company.

This Corporate Governance Statement discloses the extent to which the Company, from the date the Company was admitted to the official list of the ASX on 10 December 2019 to the end of the 2019 reporting period, followed the recommendations set by the ASX Corporate Governance Council in its publication Corporate Governance Principles and Recommendations – 4<sup>th</sup> Edition (**Recommendations**). The Recommendations are not mandatory, however the Recommendations that were not followed have been identified and reasons provided for not following them along with what (if any) alternative governance practices the Company intends to adopt in lieu of the recommendation.

The Company has adopted a Corporate Governance Plan which provides the written terms of reference for the Company's corporate governance duties.

As the Company was incorporated in August 2019 and listed on ASX in December 2019, the Company did not establish any Board Committees during 2019. During 2019 the duties that would ordinarily be assigned to individual committees were carried out by the full Board under the written terms of reference for those committees. It was deemed that the experience and skill set of the current Board was sufficient to perform these roles during the year until Board Committees were formed in early 2020.

The Company's Corporate Governance Plan is available on the Company's website at [www.OpenLearning.com](http://www.OpenLearning.com).

A senior executive, for these purposes, means key management personnel (as defined in the Corporations Act) other than a non-executive Director.</p> <p>The applicable processes for these evaluations can be found in the Company's Corporate Governance Plan, which is available on the Company's website.</p> <p>(b) The Company's Corporate Governance Plan requires the Company to disclose whether or not performance evaluations were conducted during the relevant reporting period. <p><b>Principle 2: Structure the Board to be effective and add value</b></p>		
<p><b>Recommendation 2.1</b></p> <p>The Board of a listed entity should:</p> <p>(a) have a nomination committee which:</p> <p>(i) has at least three members, a majority of whom are independent Directors; and</p> <p>(ii) is chaired by an independent Director,</p>	YES	<p>(a) The Company did not have a Nomination Committee during the period. The Company's Nomination Committee Charter provides for the creation of a Nomination Committee (if it is considered it will benefit the Company), with at least three members, a majority of whom are independent Directors, and which must be chaired by an independent Director.</p>

RECOMMENDATIONS (4 <sup>TH</sup> EDITION)	COMPLY	EXPLANATION
<p><b>Recommendation 2.2</b></p> <p>A listed entity should have and disclose a Board skills matrix setting out the mix of skills that the Board currently has or is looking to achieve in its membership.</p>	NO	<p>Under the Nomination Committee Charter (in the Company's Corporate Governance Plan), the Nomination Committee (or, in its absence, the Board) is required to prepare a Board skills matrix setting out the mix of skills that the Board currently has (or is looking to achieve) and to review this at least annually against the Company's Board skills matrix to ensure the appropriate mix of skills to discharge its obligations effectively and to add value and to ensure the Board has the ability to deal with new and emerging business and governance issues.</p> <p>The Board is comprised of directors with a broad range of technical, commercial, financial and other skills, experience and knowledge relevant to overseeing the business of the Company. The composition of the Board was reviewed as part of the ASX listing process and will be reviewed on an annual basis. The Board does currently not have a formal skills matrix, however, the skills, experience and knowledge of each director which are relevant to overseeing the business of the Company have been assessed to ensure the composition of the Board is appropriate.</p> <p>The Board Charter requires the disclosure of each Board member's qualifications and expertise. Full details as to each Director and senior executive's relevant skills and experience are available in the Company's Annual Report and on the Company's website.</p>
<p><b>Recommendation 2.3</b></p> <p>A listed entity should disclose:</p> <p>(a) the names of the Directors considered by the Board to be independent Directors;</p>	YES	<p>(a) The Board Charter requires the disclosure of the names of Directors considered by the Board to be independent. The Company discloses those Directors it considers to be independent in its Corporate Governance Statement. The Board considers the following Directors to be independent: Kevin Barry, Spiro Pappas, Maya Hari and Beverly Oliver.</p>

RECOMMENDATIONS (4 <sup>TH</sup> EDITION)	COMPLY	EXPLANATION
<p>(b) if a Director has an interest, position or relationship of the type described in Box 2.3 of the ASX Corporate Governance Principles and Recommendations (4th Edition), but the Board is of the opinion that it does not compromise the independence of the Director, the nature of the interest, position or relationship in question and an explanation of why the Board is of that opinion; and</p> <p>(c) the length of service of each Director</p>		<p>(b) During the 2019 year Kevin Barry, Spiro Pappas, Maya Hari and Beverly Oliver each received 1,000,000 Directors Options. The Board considers that the issue of a non-substantial amount of options to non-executive directors provides for a cost-effective component of directors' remuneration that may provide the Company with additional funding in the future (if the Options are exercised). The Board considers the issue of these options does not impact the director's integrity, objectivity or ability to exercise independent judgement in relation to all Board and Company activities. Accordingly, the Board still considers these directors to be independent.</p> <p>During the 2019 reporting period, David Buckingham was not considered to be independent as he was issued with 750,000 performance rights during the period. However, subsequent to the end of the reporting period, the Board reviewed his independence and considers that his participation in the employee incentive scheme is not material and will not interfere with his capacity to bring an independent judgement to bear on issues before the board. Therefore, David Buckingham is now considered to be an independent director.</p> <p>(c) The Company's Annual Report discloses the length of service of each Director, as at the end of each financial year.</p>
<p><b>Recommendation 2.4</b> A majority of the Board of a listed entity should be independent Directors.</p>	YES	The Company's Board Charter requires that, where practical, the majority of the Board should be independent.

The Chair of the Company is an independent Director and is not the CEO/Managing Director.
<b>Recommendation 2.6</b> A listed entity should have a program for inducting new Directors and for periodically reviewing whether there is a need for existing directors to undertake professional development to maintain the skills and knowledge needed to perform their role as Directors effectively.
