About BauMart Holdings Limited

BauMart Holdings Limited is listed on the Australian Securities Exchange (ASX: BMH). It is a supplier of building products to the residential and commercial construction industries. The Company has invested in automated glass-processing equipment that is capable of producing a range of custom-made glass products for supply to the building construction industry. In addition to this, BauMart is a leading supplier of plastic materials handling products, such as pallets and crates, to the pharmaceutical, agricultural, industrial, mining, energy and export markets in Australia. BauMart is headquartered in Perth and has operations in Sydney, Melbourne and Brisbane.

BauMart, through its wholly-owned subsidiary, Buildmart Services Pty Ltd, is focused on delivering high-quality project management services with experience in residential and commercial construction, and through its experienced management team, leverages its procurement expertise and supplier network to provide end-to-end supply and procurement services in a broad range of sectors.
