

## Non-renounceable Rights Issue – Despatch of Prospectus and Entitlement and Acceptance Form

**Superior Resources Limited (ASX:SPQ)** is pleased to advise that the Prospectus and accompanying personalised Entitlement and Acceptance forms have been despatched to Eligible Shareholders today in accordance with the non-renounceable Rights Issue timetable announced on 20 May 2020. The Rights Issue, together with a two-tranche Placement to sophisticated investors announced on the same day, will raise up to \$1.18 million (before costs), primarily to progress the Company's Steam Engine Gold Deposit.

Eligible Shareholders under the Rights Issue are offered entitlements on a pro-rata basis of one new share for every three ordinary fully paid shares held in the Company on 26 May 2020 (**Record Date**), at a price of \$0.003 (0.3 cents) per new share. Shareholders who subscribe under the Rights Issue will also receive one free attaching option for every three entitlement shares issued with each option having an exercise price of \$0.006 (0.6 cents) and expiring on 31 December 2021.

The pricing and terms of the Rights Issue has been set so that shareholders can obtain new shares and options at the same price and terms as subscribers under the Placement to sophisticated investors announced on 20 May 2020.

Members of the Board intend to participate in the Rights Issue.
