Subject: Confirmation of an Equity Swap Transaction

Dear Sirs/Madams,

The purpose of this letter agreement (this "**Confirmation**") is to confirm the terms and conditions of the above referenced transaction entered into between Counterparty and UBS on the Trade Date specified below (the "**Transaction**"). This communication evidences a complete and binding agreement between you and us as to the terms of the Transaction to which this Confirmation relates.

The definitions and provisions contained in the 2002 ISDA Equity Derivatives Definitions (the "**Equity Definitions**") and the 2006 ISDA Definitions (the "**Swap Definitions**", and together with the Equity Definitions, the "**Definitions**"), in each case, as published by the International Swaps and Derivatives Association, Inc., are incorporated into this Confirmation. In the event of any inconsistency between the Swap Definitions and the Equity Definitions, the Equity Definitions will govern. In the event of any inconsistency between the Definitions and this Confirmation, this Confirmation will govern. References herein to a "Transaction" shall be deemed references to an "Equity Swap Transaction" for the purposes of the Equity Definitions.

If you and we are parties to a master agreement that governs transactions of this type (whether in the form of the ISDA Master Agreement (Multicurrency-Cross Border) or any other form (a "Master Agreement")), then this Confirmation will supplement, form a part of, and be subject to that Master Agreement.

If you and we are not parties to such a Master Agreement, then you and we agree to use all reasonable efforts promptly to negotiate, execute and deliver an agreement in the form of the 2002 ISDA Master Agreement (the "ISDA Form"), with such modifications as you and we will in good faith agree. Upon the execution by you and us of such an agreement, this Confirmation will supplement, form a part of and be subject to and governed by that agreement, except as expressly modified below. Until we execute and deliver that agreement, this Confirmation, together with all other documents referring to the ISDA Form (each a "Confirmation") confirming transactions (each a "Transaction") entered into between us (notwithstanding anything to the contrary in a Confirmation), shall supplement, form a part of, and be subject to an agreement in the form of the ISDA Form as if we had executed an agreement in such form (but without any Schedule except for the election of: (i) New South Wales as the governing law as detailed in paragraph (f) of the Additional Provisions to this Confirmation; and (ii) Australian Dollars as the Termination Currency and such other elections and modifications detailed herein referring to the ISDA Form) on the Trade Date of the first Transaction between us (hereinafter the "Agreement"). The parties agree that the terms of each Annex to the 2002 Master Agreement Protocol published by the International Swaps and Derivatives Association, Inc ("Protocol") apply to the agreement as if the parties had adhered to the Protocol without amendment. In the event of any inconsistency between the provisions of any such Agreement and this Confirmation, this Confirmation will prevail for the purposes of this Transaction.

The period commencing on and including the Trade Date and ending on and including the date which is the earlier of (i) the date falling 30 Scheduled Trading Days following the Trade Date, and (ii) the date as of which UBS determines that a Hypothetical Broker Dealer acting in good faith and a commercially reasonable manner would have completed the establishment of its Applicable Hedge Positions in respect of the Maximum Number of Shares under this Transaction.

Applicable Hedge Positions:

At any time, the Hedge Positions that Party A determines that a Hypothetical Broker Dealer, acting in good faith and a commercially reasonable manner, would consider necessary to hedge through the Hedge Positions alone 100 per cent. of the equity price risk and dividend risk of entering into and performing its obligations with respect to the Transaction at that time.

Hypothetical Broker Dealer:

A hypothetical broker dealer subject to the same securities laws and rules and regulations of any securities regulators, exchanges and self-regulating organisations as apply to Party A or any affiliate(s) designated by it.

Maximum Number of Shares:

11,569,000

EQUITY AMOUNTS

Equity Amount Payer:

Party A

Equity Amount Receiver:

Equity Notional Amount:

Number of Shares:

In respect of any day during the Initial Execution Period, the Initial Execution Aggregate Number of Shares set out in the most recent Initial Execution Notification (as defined under "Notification by Party A during Initial Execution Period" below).

In respect of any day after the Effective Date, the Initial Execution Aggregate Number of Shares set out in the final Initial Execution Notification, subject to a maximum of the Maximum Number of Shares.

Initial Execution Notification:

In respect of each day during the Initial Execution Period on which Party A determines that a Hypothetical Broker Dealer would have executed hedging transactions in connection with the establishment of its Applicable Hedge Positions in respect of a number of Shares that would not

result in the Number of Shares exceeding the Maximum Number of Shares after giving effect to the increase in the Number of Shares on such day (each such day an "**Initial Execution Date**"), Party A will provide a notification to Party B (each an "**Initial Execution Notification**") of the following information:

- (a) the increase in the Number of Shares on that Initial Execution Date;
- (b) the aggregate Number of Shares in respect of the Transaction after giving effect to such increase (the "**Initial Execution Aggregate Number of Shares**");
- (c) the volume weighted average price per Share at which UBS determines that a Hypothetical Broker Dealer acting in good faith and a commercially reasonable manner would have executed hedging transactions on that Initial Execution Date in connection with the establishment of its Applicable Hedge Positions in respect of this Transaction, plus all Hedging Costs relating to the establishment of such Applicable Hedge Positions (such price being the "**Hedging Price**" in respect of that Initial Execution Date); and
- (d) the price per Share equal to the volume weighted average Hedging Price per Share for all Initial Execution Dates prior to and including that Initial Execution Date with the weightings reflecting the increase in the Number of Shares on each such Initial Execution Date (such price being the "**Weighted Average Hedging Price**" in respect of that Initial Execution Date).

"**Hedging Costs**" means all fees (other than the Upfront fee), exchange fees, costs, taxes, stamp duty, levies, charges, commissions and trading fees relating to the establishment of the relevant Applicable Hedge Positions.

Hedging Price Cap:

Each Hedging Price under "Initial Execution Notification" shall be determined by UBS on the assumption that a Hypothetical Broker Dealer will not execute hedging transactions at more than \$3.60 per Share (or such other amount agreed in writing between the parties from time to time) on that Initial Execution Date.
