Resolution 4: Approval of Issue of Convertible Notes to Settle Interest

Background

The Company announced a capital raising of up to \$6.03 million (before costs) via a tranching issue of Unlisted Convertible Redeemable Notes (**Notes**) as announced on 12 December 2019. The Company has issued a total of 4,961,111,113 on various dates at an issue price of 0.09 cents.

The first interest payment for Notes was on 30 June 2020 for any Notes issued prior to this date. Interest shall accrue daily on the basis of a 365 day year from the Issue Date until the Maturity Date, unless the Note is Redeemed or Converted before the Maturity Date in accordance with these Terms of Issue. Interest is payable by the Company in arrears in respect of each Interest Period on each Interest Payment Date.

The total interest payable at 30 June 2020 amounted to \$233,339.18 and as such the Company under the terms of Convertible Redeemable Notes Trust Deed at its election will settle the interest payable with the issue of additional Notes. The Company may also be subject to default interest and as such seeks approval to settle an additional \$7,287.85 should it not obtain a waiver from the relevant noteholders.

The Company is therefore seeking Shareholder approval for the issue of a total of up to 267,363,366 Notes in the Company together (for the settlement of up to \$240,627.03 in interest payable at 30 June 2020) with the ordinary shares to be issued on conversion of the convertible notes, in accordance with ASX Listing Rule 7.1.

Key Terms of the Unlisted Convertible Redeemable Notes

2. Interest will be paid half yearly in arrears at a rate of 15% per annum. Interest may be paid at Lakes Oil's election by the issue of further Notes.
3. The maturity date of the Notes, if not earlier converted, will be 31 December 2021.

4. The Company may redeem the Notes prior to the maturity date at any time after 31 December 2020 upon 15 days notice. Upon the issue of an early redemption notice, if Notes are not subsequently converted then the Notes will be redeemed by the Company at 103% of their face value.
5. Notes are convertible at any time at the election of the Noteholder into one ordinary share in Company subject to usual adjustment mechanisms in certain circumstances.
6. Notes will be secured by a first ranking charge over Company's assets.
7. No dividends may be declared or paid by the Company whilst the Notes are on issue.

ASX Listing Rule 7.3 requires the following information be provided to shareholders for the purpose of obtaining shareholder approval (in addition to the information noted above):

- (b) the total number of Notes in the Company will issue is up to 267,363,366 at 0.09 cents per Note;

Board Recommendation

The Board recommends that the Shareholders vote in favour of Resolution 4.

Voting Exclusions

Resolution 5: Approval of appointment of Auditor

Background

Pitcher Partners was the previous auditor of the Company. The Board was satisfied with the services provided by the current auditor, and thanks the auditor for their services rendered to the Company. Nevertheless, the Company's size, scope and nature of operations has changed since the current auditor's initial appointment, and on that basis the previous auditor being Pitcher Partners tendered a notice of resignation to the Australian Securities and Investments Commission (**ASIC**) under section 329(5) of the Corporations Act 2001.

ASIC has since consented to this resignation. William Buck has provided their consent in writing to act as auditor of the Company.

William Buck confirms that it does not provide any services to the Company and the Company confirms that it is unaware of any matter or circumstances that would give rise to a conflict of interest situation, as defined in section 324CD of the Corporations Act 2001, in relation to the Company.

The Board has also noted that William Buck is registered as an auditor under section 1280 of the Corporations Act 2001 and is a well-established firm with the necessary expertise and skill necessary to meet the Company's requirements. ASIC has since granted its approval for the resignation and appointment and therefore the Company seeks Shareholder approval at this Meeting, as William Buck has been nominated and selected to become the new auditor of the Company.

A copy of the nomination notice under section 328B of the Corporations Act 2001 given to the Company is at Annexure A of this Notice.

Board Recommendation

The Board recommends that the Shareholders vote in favour of Resolution 5.

Voting Exclusions

Refer note 6 for voting exclusions on this resolution.

Resolution 6: Approval to Issue of Convertible Notes to Mr Roland Sleeman (or his nominee)

The Company is seeking Shareholder approval for the issue of up to a total of 206,804,710 Unlisted Convertible Redeemable Notes (**Notes**) in the Company issued at \$0.0009 (0.09 cents) per Note to Mr Roland Sleeman as settlement of an liabilities for services provided to the Company in his capacity as Director and CEO should he elect to receive Notes in lieu of cash payment. It is proposed that the Notes are issued on the same terms as the notes issued previously announced on 12 December 2019.

It is the view of Directors that the issue of Notes pursuant to Resolution 6 falls within the exception under section 210 of the Corporations Act as the terms of the Notes are on the same terms as all other Notes issued under the capital raise, further the Notes are issued to Mr Sleeman to settle liabilities owing to him arising from reasonable remuneration. Accordingly, the Directors are not seeking Shareholder approval under section 208 of the Corporations Act, although Shareholder approval must be obtained pursuant to Listing Rule 10.11.

Key Terms of the Unlisted Convertible Redeemable Notes

1. The Notes will have an issue price and face value of 0.09 cents per Convertible Note.
2. Interest will be paid half yearly in arrears at a rate of 15% per annum. Interest may be paid at Lakes Oil's election by the issue of further Notes.
3. The maturity date of the Notes, if not earlier converted, will be 31 December 2021.
4. The Company may redeem the Notes prior to the maturity date at any time after 31 December 2020 upon 15 days notice. Upon the issue of an early redemption notice, if Notes are not subsequently converted then the Notes will be redeemed by the Company at 103% of their face value.
5. Notes are convertible at any time at the election of the Noteholder into one ordinary share in Company subject to usual adjustment mechanisms in certain circumstances.
6. Notes will be secured by a first ranking charge over Company's assets.
7. No dividends may be declared or paid by the Company whilst the Notes are on issue.

ASX Listing Rule 10.11

Listing Rule 10.11 requires a listed company to obtain shareholder approval by ordinary resolution prior to the issue of securities to a related party of the company. Approval pursuant to Listing Rule 7.1 is not required in order to issue the Shares to the Directors as approval is being obtained under Listing Rule 10.11.

Listing Rule 10.13 sets out a number of matters which must be included in a notice of meeting proposing an approval under Listing Rule 10.11. For the purposes of Listing Rule 10.13, the following information is provided in relation to Resolution 7 (in addition to the information noted above):

- (a) the related party is Mr Roland Sleeman;
- (b) approval for Mr Roland Sleeman is sought under ASX Listing Rule 10.11.1 being Director of the Company;
- (c) the maximum number of Notes to be issued is 206,804,710;
- (d) that subject to Shareholder approval, the Notes will be issued no later than one month after the date of the Meeting;
- (e) the Notes will be issued at a deemed issue price of \$0.0009 (0.09 cent) per Note;
- (f) there will not be any funds raised through the issue of Notes, but the Company will be able to reduce its liabilities by up to \$186,124.24, being accrued and unpaid remuneration up until 30 September 2020; and
- (g) Mr Roland Sleeman' remuneration package consists of a monthly retainer of \$6,500 per month with any work in excess of 40 hours per month charged at a rate of \$230 per hour for CEO services provided in addition to Directors fees of \$33,333 per annum.

Board Recommendation

The Board (with Mr. Sleeman abstaining) recommends that the Shareholders vote in favour of Resolution 6.

Resolution 7: Approval to Issue Shares to Mr Roland Sleeman (or his nominee)

Background

Resolution 7 of the Notice seeks Shareholder approval for the purpose of Listing Rule 10.11 and all other purposes for the issue of up to 8,333,340 fully paid ordinary shares to Roland Sleeman (or his nominee), a Director of the Company as consideration for Director fees payable to him for the period from 1 September 2020 through to 30 November 2020 subject to an ASX Waiver being granted. The issue of Shares to Mr Sleeman will only occur if Mr Sleeman elects to take fully paid ordinary shares in lieu of a physical cash payment for his fees.

The deemed issue price of the Shares will be determined by reference to the monthly VWAP of fully paid ordinary shares each calendar month, for which the fees are incur, subject to a floor price of \$0.001 (0.1 cents) per Share.

It is the view of Directors that the issue of Shares pursuant to Resolution 7 falls within the exception under section 211 of the Corporations Act (reasonable remuneration) given the circumstances of the Company and the position held by the Directors. Accordingly, the Directors are not seeking Shareholder approval under section 208 of the Corporations Act, although Shareholder approval must be obtained pursuant to Listing Rule 10.11.

ASX Listing Rule 10.11

Listing Rule 10.11 requires a listed company to obtain shareholder approval by ordinary resolution prior to the issue of securities to a related party of the company. Approval pursuant to Listing Rule 7.1 is not required in order to issue the Shares to the Directors as approval is being obtained under Listing Rule 10.11.

Listing Rule 10.13 sets out a number of matters which must be included in a notice of meeting proposing an approval under Listing Rule 10.11. For the purposes of Listing Rule 10.13, the following information is provided in relation to Resolution 8:

- (a) the related party is Mr Roland Sleeman;
- (b) approval for Mr Roland Sleeman is sought under ASX Listing Rule 10.11.1 being Director of the Company;
- (c) the maximum number of Shares to be issued by the Company will be determined by dividing the monthly directors' fees payable by the monthly VWAP (subject to a floor price of \$0.001) (0.1 cents) per Share) in arrears for each month from 1 September 2020 to 30 November 2020 which amounts to up to 8,333,340 shares;
- (d) the Company has sought an ASX waiver from the requirement that the Shares be issued within one month after the date of the AGM, the waiver requests that the allotment will occur on a monthly basis when the fees become payable and within 10 business days of the end of each month;
- (e) any fractions of Shares resulting from the calculation will be rounded down to the nearest whole number;
- (f) the Shares will be issued as satisfaction for the Director's fees of up to \$8,333.34 for the period payable to the Director at a deemed issue price calculated as the monthly VWAP in arrears for each month from 1 September 2020 to 30 November 2020 (subject to a floor price of \$0.001 (0.1 cents) per Share);
- (g) there will not be any funds raised through the issue of securities, but the Company will be able to reduce its liabilities by up to \$8,333.34 for the period from 1 September 2020 to 30 November 2020 (based on the floor price of \$0.001 per Share); and
- (h) Mr Roland Sleeman' remuneration package consists of a monthly retainer of \$6,500 per month with any work in excess of 40 hours per month charged at a rate of \$230 per hour for CEO services provided in addition to Directors fees of \$33,333 per annum.

The Company's Annual Report for any period during which the shares are issued to Mr Sleeman (or his nominee) shall disclose the details of the number of Shares that were issued to him, including the percentage of the Company's issued capital represented by those Shares.

The relevant interests of Mr Sleeman in Shares of the Company and the potential future voting power based on the maximum number of Shares issued under Resolution 7 and the maximum number of Shares issued upon conversion of Notes issued to Mr Sleeman under Resolution 6 are set out below (assuming no other Noteholder converts their Notes into Shares):

| Related Party | Shares Currently held | % Voting Power | Maximum Shares to be issued to the Related Party | % increase in voting power for individual dilution* | % Voting power* |
|-------------------|-----------------------|----------------|---|---|-----------------|
| Mr Roland Sleeman | 150,064,422 | 0.45 | 206,804,710 (Resolution 6) 8,333,340 (Resolution 7*) | 0.64 | 1.08 |

*Note: In relation to Resolution 7, these figures are based on the maximum number of Shares that will be issued under Resolution 7 as it has been assumed that the floor issue price of \$0.001 (0.1 cents) is the deemed issue price. In certain circumstances whereby, the preceding calendar months VWAP traded on the ASX is materially greater than \$0.001 the absolute cumulative number of Shares in aggregate to be issued under Resolution 8 over the period from 1 September 2020 to 30 November 2020 and Mr Sleeman's corresponding voting power may be materially less than that outlined in the table. In addition, if Mr Sleeman does not elect to receive shares in lieu of cash payments, then his corresponding voting power may also be materially less than that outlined in the table.

Board Recommendation

The Board recommends (with Mr Sleeman abstaining) that the Shareholders vote in favour of Resolution 7.

Resolution 8: Approval to Issue Sub-Underwriter Convertible Notes to a Director

Background

On 12 December 2019 Company announced a capital raising of up to \$6.03 million (before costs) via a tranching issue of Unlisted Convertible Redeemable Notes (**Notes**) as announced on 12 December 2019. The Company has engaged Bizzell Capital Partners Pty Ltd (**BCP**) as the lead manager for the Note issue and it is proposed that the Notes issue to be fully underwritten by BCP. BCP will receive a fee of 6% of capital raised.

It is proposed that Samuel Holdings Pty Ltd as trustee for Samuel Discretionary Trust, a related party of Director Nicholas Mather, will provide \$3 million in sub-underwriting once it is confirmed that the \$6.03m is fully underwritten and will receive sub-underwriting fees from BCP in this regard. It is proposed the sub-underwriting will consist of a total of 3,333,333,334 Notes and should the sub-underwriting be subscribed to in full a total of \$180,000 in sub-underwriting fees will be paid to Samuel Holdings Pty Ltd as trustee for Samuel Discretionary Trust, a related party of Director Nicholas Mather.

The Company is seeking Shareholder approval for the participation of Samuel Holdings Pty Ltd as trustee for Samuel Discretionary Trust, a related party of Director Nicholas Mather to sub-underwrite 3,333,333,334 Notes in the Company together with the ordinary shares to be issued on conversion of the convertible notes, in accordance with ASX Listing Rule 10.11.

Key Terms of the Unlisted Convertible Redeemable Notes

1. The Notes will have an issue price and face value of 0.09 cents per Convertible Note.
2. Interest will be paid half yearly in arrears at a rate of 15% per annum. Interest may be paid at Lakes Oil's election by the issue of further Notes.
3. The maturity date of the Notes, if not earlier converted, will be 31 December 2021.
4. The Company may redeem the Notes prior to the maturity date at any time after 31 December 2020 upon 15 days notice. Upon the issue of an early redemption notice, if Notes are not subsequently converted then the Notes will be redeemed by the Company at 103% of their face value.
5. Notes are convertible at any time at the election of the Noteholder into one ordinary share in Company subject to usual adjustment mechanisms in certain circumstances.
6. Notes will be secured by a first ranking charge over Company's assets.
7. No dividends may be declared or paid by the Company whilst the Notes are on issue

Corporations Act

Chapter 2E of the Corporations Act requires a public company to seek shareholders' approval for the provision of a financial benefit to a related party unless the benefit falls within the exceptions provided in sections 210 to 216 of the Corporations Act. Mr Mather's proposed participation in the sub-underwriting of the Note issue will result in the issue of Notes and the receipt of an underwriting fee which constitutes providing a financial benefit and Mr Mather is a Director of the Company and therefore a related party.

The Directors (other than Mr Mather who has a material personal interest in Resolution 8) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Mr Mather's proposed participation in the Note issue sub-underwriting as both the Notes and underwriting fee are on the same terms as the non-related party participants, and as such, the giving of the financial benefit is reasonable on arm's length terms (an allowable exemption under section 210 of the Corporations Act).

ASX Listing Rules

Listing Rule 10.13 sets out a number of matters which must be included in a notice of meeting proposing an approval under Listing Rule 10.11. For the purposes of Listing Rule 10.13, the following information is provided in relation to Resolution 8 (in addition to the information noted above):

- (a) the related party is Samuel Holdings Pty Ltd as trustee for Samuel Discretionary Trust, a related party of Director Nicholas Mather ;
- (b) approval for Samuel Holdings Pty Ltd as trustee for Samuel Discretionary Trust, a related party of Director Nicholas Mather is sought under ASX Listing Rule 10.11.1 being Director of the Company;
- (c) the maximum number of Notes to be issued is 3,333,333,334;
- (d) that subject to Shareholder approval, the Notes will be issued no later than one month after the date of the Meeting;
- (e) the Notes will be issued at a deemed issue price of \$0.0009 (0.09 cent) per Note;
- (f) the proceeds raised will be used to facilitate payment of Nangwarry-1 related costs and other working capital requirements.
