There is no share buy-back taken place during the financial period.

Review of operations

For the half-year ended 30 June 2020, the revenue experienced a decline of 13.64% compared to the previous half-year to AUD\$3.597 million from AUD\$4.165 million. This also resulted in the Group's loss after taxation to AUD\$808,000 from loss after taxation AUD\$345,000.

The decline in revenue is primarily due to the global pandemic COVID-19 which has impact the core business income stream of software activation, license rights and program fee from the sign up of new affiliates. The imposed Movement Control Order (MCO) in countries which the Group is operating in has further affected business activities of training and affiliate events which decreased new affiliates sign up.

Despite the performance observed above, the Group has taken the offensive and introduced an economic stimulus package for key stakeholders of affiliates, advertisers and users. Majority of the business activities have been moved online with automation of processes. This strategy is significant in managing expenses during this uncertain time while continuing to stimulate the market. The Management has been optimistic that the Group's products and services are well-placed for acceptance more than ever and would contribute positively for the time coming.

In addition, data collected shows that affiliate base has increased from 31,439 to 34,947 comparing Q2 2020 to Q2 2019; advertiser base from 2,781 to 3,622 user base from 3.1 million to 3.5 million. These figures signify an encouraging push forward on the business.

Conclusion

We have reviewed the accompanying half-year financial report of I Synergy Group Limited (the Company) and its subsidiaries (the Group) which comprises the consolidated statement of financial position as at 30 June 2020, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity, and consolidated statement of cash flows for the half-year ended on that date, a summary of significant accounting policies and other explanatory information and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- (i) giving a true and fair view of the Group's financial position as at 30 June 2020 and of its performance for the half-year ended on that date; and
- (ii) complying with AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

Basis for conclusion

We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410: *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibility for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

Directors' responsibility for the financial report

The Directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the Directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 30 June 2020 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134: *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
