EXPLANATORY STATEMENT

This Explanatory Statement has been prepared for the information of the shareholders of the Company in connection with the business to be conducted at the General Meeting to be held virtually via a webinar conferencing facility on Thursday 8 October 2020 at 11:00am (Sydney time).

The purpose of this Explanatory Statement is to provide information to assist shareholders in deciding whether or not to pass the Resolutions in this Notice of General Meeting.

RESOLUTION 1 – APPROVAL FOR THE ISSUE OF ACQUISITION SHARES

Background

The Company has entered into a deed to acquire 100% of the shares in TipsGo Pty Ltd (an open banking and marketplace platform business which owns intellectual property) (TipsGo) (Share Purchase Deed), a company with the same owner as BizIntegration Pty Ltd (BizIntegration).

Completion of the Share Purchase Deed would entitle the Company to integrate its ClickSuper and PayVu technologies with the TipsGo extensive employee and superannuation member application and API platform and enable the Company to offer an extended suite of products and services for the payroll, SME and superannuation markets.

Under the terms of the Share Purchase Deed (but conditional upon approval by the shareholders of the Company):

- (a) a payment of \$30,000 plus GST will be made upon completion of the Share Purchase Deed to BizIntegration for work undertaken in supplying, loading and testing the TipsGo platform on the Company's infrastructure;
- (b) the Company will issue the following shares upon completion of the Share Purchase Deed (Consideration Shares):
 - (i) 30,000,000 fully paid ordinary shares to the shareholder of TipsGo (Andrew Blair); and
 - (ii) 3,000,000 fully paid shares to a third party associated with TipsGo (Nikesh Lalchandani).

The Share Purchase Deed provides for the entry by the subscribers into a voluntary escrow deed for a period of 12 months in relation to the Consideration Shares.

Under the terms of the Share Purchase Deed, the director of TipsGo, who is a co inventor of the Company's payment patents, has agreed to provide up to 10 hours of consulting per month until 31 December 2021 including periodically reviewing the technical architecture of the Company and the integration of the TipsGo platform into the ClickSuper service. This consulting work will be provided at no charge until the Company achieves a positive cash flow after which the consulting work will be charged at \$2,500 plus GST per calendar month.

Under the Share Purchase Deed the existing shareholder of TipsGo provides warranties in favour of the Company in relation to TipsGo and its business.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue under this Resolution 1 does not fall within any of these exceptions and exceeds the 15% limit in ASX Listing Rule 7.1. It therefore requires the approval of shareholders under ASX Listing Rule 7.1.

Resolution 1 seeks the required shareholder approval to the proposed issue under and for the purposes of ASX Listing Rule 7.1 and all other purposes.

If Resolution 1 is passed, the Company will be able to proceed with the issue of the Consideration Shares and complete the acquisition of TipsGo under the Share Purchase Deed. In addition, these proposed share issues will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under ASX Listing Rule 7.1.

If Resolution 1 is not passed, the Company will not be able to proceed with the issue of the Consideration Shares and the completion of the acquisition of TipsGo under the Share Purchase Deed at this time.

ASX Listing Rule 7.3 requires the following information to be provided to shareholders:

- (a) the shares are proposed to be issued to the owner of TipsGo (Andrew Blair - 30,000,000 ordinary shares) and a third party associated with TipsGo (Nikesh Lalchandani - 3,000,000 ordinary shares);
- (b) the maximum number of shares covered by this Resolution 1 is 33,000,000;
- (c) the Consideration Shares will be issued no later than 3 months after the date of the General Meeting;
- (d) the consideration the Company will receive for the Consideration Shares is 100 shares in TipsGo (being 100% of the share capital of TipsGo);
- (e) a summary of the material terms of the Share Purchase Deed is set out above; and
- (f) Resolution 1 is subject to a voting exclusion statement (see the Notice of General Meeting).

Recommendation

The directors recommend that shareholders vote in favour of Resolution 1.

RESOLUTION 2 – APPROVAL FOR THE GRANT OF STAFF OPTIONS

Background

The Company intends to grant 15,000,000 options (Staff Options) to three employees of the Company under the Company's Employee Share Option Plan (Plan).

The proposed terms of the Staff Options are, subject to the rules of the Plan:

- (a) each option gives the right to subscribe for or acquire one ordinary share in the Company;
- (b) nil consideration is payable for the option grant;
- (c) exercise price is 3.5 cents (\$0.035) per option;
- (d) options vest on the date 12 months from the date of grant of the options if the relevant employee remains in employment with the Company or its subsidiaries; and
- (e) exercise period ends 3 years after the date of grant of the options.

The Company's full Plan rules were disclosed to the ASX on 16 December 2016.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed grant of Staff Options under this Resolution does not fall within any of these exceptions and exceeds the 15% limit in ASX Listing Rule 7.1. It therefore requires the approval of shareholders under ASX Listing Rule 7.1.

Resolution 2 seeks the required shareholder approval to the proposed grant under and for the purposes of ASX Listing Rule 7.1 and all other purposes.

If Resolution 2 is passed, the Company will be able to proceed with the proposed grant of Staff Options. In addition, the proposed grant will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under ASX Listing Rule 7.1.

If Resolution 2 is not passed, the Company will consider whether or not to proceed with the proposed grant of Staff Options once it has capacity under ASX Listing Rule 7.1.

ASX Listing Rule 7.3 requires the following information to be provided to shareholders:

- (a) the names of the three employees are the Company's Chief Executive Officer (Dean Martin), Chief Innovation Officer (Brad Riley) and Technical Architect (David Edwards);
- (b) the aggregate number of Staff Options covered by this Resolution 2 is 15,000,000 (being 5,000,000 for each specified employee);
- (c) a summary of the material terms of the Staff Options is set out above;
- (d) the Staff Options will be granted no later than 3 months after the date of the General Meeting;
- (e) no consideration will be payable for the grant of Staff Options so the Company does not have an intended use of funds raised. The Staff Options are proposed to be granted to key employees as an incentive to achieve internal management budgets and product deliverables. More broadly, the purpose of the grant is to enable the Company and its subsidiaries to retain skilled employees whilst also aligning the interests of employees to the interests of shareholders; and
- (f) Resolution 2 is subject to a voting exclusion statement (see the Notice of General Meeting).

Recommendation

The directors recommend that shareholders vote in favour of Resolution 2.

RESOLUTION 3 – APPROVAL FOR THE GRANT OF BROKER OPTIONS

Background

In June 2020 the Company conducted a placement, led by Sanlam Private Wealth, of 77,000,000 new ordinary shares at \$0.015 per share to eligible new institutional and sophisticated investors to raise \$1,155,000 (Placement).

The fees payable to Sanlam Private Wealth as sole lead manager of the Placement were:

- (a) a capital raising fee of 6% plus GST of the gross proceeds raised under the Placement;
- (b) corporate administration and management fee of \$5,000 plus GST; and

- (c) the grant of 1,850,000 unquoted options (conditional upon shareholder approval) to Sanlam Private Wealth or its nominee (Broker Options).

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed grant of Broker Options under this Resolution does not fall within any of these exceptions and exceeds the 15% limit in ASX Listing Rule 7.1. It therefore requires the approval of shareholders under ASX Listing Rule 7.1.

Resolution 3 seeks the required shareholder approval to the proposed grant of Broker Options under and for the purposes of ASX Listing Rule 7.1 and all other purposes.

If Resolution 3 is passed, the Company will be able to proceed with the proposed grant of Broker Options. In addition, the proposed grant will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under ASX Listing Rule 7.1.

If Resolution 3 is not passed, the Company will not be able to proceed with the proposed grant of Broker Options at this time.

ASX Listing Rule 7.3 requires the following information to be provided to shareholders:

- (a) the Broker Options are proposed to be granted to Sanlam Private Wealth or its nominee;
- (b) the number of Broker Options covered by this Resolution 3 is 1,850,000 options;
- (c) the terms and conditions of the Broker Options are set out in Annexure A of this Explanatory Statement;
- (d) the Broker Options will be granted no later than 3 months after the date of the General Meeting;
- (e) the grant price of the Broker Options is nominal (\$0.00001 per option, being \$18.50 in aggregate) so the Company does not have an intended use of funds raised. The Broker Options form part of the fees payable to Sanlam Private Wealth for its role as sole lead manager of the Placement; and
- (f) Resolution 3 is subject to a voting exclusion statement (see the Notice of General Meeting).

Recommendation

The directors recommend that shareholders vote in favour of Resolution 3.

RESOLUTION 4 – APPROVAL FOR THE RATIFICATION OF PRIOR SHARE ISSUE UNDER PLACEMENT

Background

As stated above, on 22 June 2020 (Issue Date) the Company conducted a Placement of 77,000,000 ordinary shares at \$0.015 per share to eligible new institutional and sophisticated investors to raise \$1,155,000.

ASX Listing Rules

Broadly speaking, and subject to a number of exceptions, ASX Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The proposed issue of ordinary shares under the Placement under this Resolution 4 does not fall within any of these exceptions and as it has not yet been approved by the Company's shareholders, it effectively uses up the 15% limit in ASX Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under ASX Listing Rule 7.1 for the 12 month period following the Issue Date.

ASX Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under ASX Listing Rule 7.1.

To this end, Resolution 4 seeks shareholder approval to the issue of some (but not all of) the ordinary shares issued under the Placement under and for the purposes of ASX Listing Rule 7.4 and for all other purposes.

In conducting the Placement, the Company relied upon the ASX Temporary Extra Placement Capacity Class Order Waiver (Class Order Waiver) to take advantage of the 25% placement capacity.

Resolution 4 seeks shareholder approval for the issue of 69,489,067 fully paid ordinary shares under the Placement (Ratification Shares). The Company is not entitled to seek shareholder approval for the full 77,000,000 ordinary shares issued under the Placement as the temporary extra placement capacity (extra 10%) under the Class Order Waiver is not able to be ratified or replenished under ASX Listing Rule 7.4.

If Resolution 4 is passed, the issue of the Ratification Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the Issue Date.

If Resolution 4 is not passed, the issue of the Ratification Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the Issue Date.

ASX Listing Rule 7.5 requires the following information to be provided to shareholders:

- (a) the Ratification Shares were issued to new sophisticated and professional investors. The following process was conducted in identifying investors to participate in the Placement:
 - (i) no eligible institutional/professional existing shareholders of the Company chose to participate in the Placement;
 - (ii) the lead manager for the Placement, Sanlam Private Wealth, allocated shares to its clients (being sophisticated and professional investors);
 - (iii) 10,000,000 ordinary shares were allocated at the request of the Company to a third party service provider known to the Company;
- (b) the number of Ratification Shares covered by this Resolution 4 is 69,489,067;
- (c) the Ratification Shares were issued on 22 June 2020;
- (d) the Ratification Shares were issued at \$0.015 per share;
- (e) the purpose of the Placement and use of funds raised under the Placement and the associated entitlement offer conducted by the Company in June and July 2020 are as follows:
 - (i) balance sheet repair by repaying \$750,000 of shareholder loans;

- For personal use only
- (ii) the payment of existing creditors and redundancy payments; and
 - (iii) as working capital to assist the Company to continue to trade through COVID-19, including 'business as usual' software development, customer acquisition and business development opportunities, and other growth initiatives; and
- (f) Resolution 4 is subject to a voting exclusion statement (see the Notice of General Meeting).

Recommendation

The directors recommend that shareholders vote in favour of Resolution 4.

1. Each Option entitles the Option holder to subscribe for one fully paid ordinary share in the capital of Integrated Payment Technologies Limited ACN 611 202 414 (Company) upon exercise of the Option, subject to these Terms and Conditions.
2. The deemed issue price of each Option is A\$0.00001, payable by the Option holder prior to the grant of the Option.
3. The Options are exercisable at an exercise price of 3.5 cents (A\$0.035) per Option at any time provided that:
 - (a) the Options have not lapsed pursuant to clause 5 below; and
 - (b) the Company has confirmed in writing that it is not in possession of excluded information (as defined in section 708A(7) of the Corporations Act 2001 (Cth) (Corporations Act)) and is therefore in a position to lodge a cleansing notice in compliance with section 708A(5)(e) of the Corporations Act.
4. The Options will expire at 5 pm (Sydney time) on the date two years after the date of grant of the Options (the Expiry Date).
5. Any Option automatically lapses without any claim against the Company in any of the following events:
 - (a) upon the liquidation or winding up of the Company for any reason other than by way of a members' voluntary winding up; or
 - (b) the Option has not been exercised prior to 5pm (Sydney time) on the Expiry Date.
6. The Options are not transferable by the Option holder and will not be quoted on the ASX.
7. All shares issued pursuant to the exercise of Options will be allotted within 5 business days after the exercise of the Options and will rank pari passu in all respects with the Company's then existing ordinary fully paid shares.
8. Exercise of the Options is effected by giving notice of exercise of the Options together with the required exercise price after receiving the written confirmation in clause 3(b). If the Option holder has more than one Option, the Options may be exercised in part.
9. There are no participating rights or entitlements inherent in the Options and the Option holder will not be entitled to participate in new issues of capital offered to shareholders during the currency of the Options without exercising the Options.
10. In the event of a reorganisation (including a consolidation, sub-division, reduction or return) of the issued capital of the Company, the number of Options or the exercise price of the Options or both will be reorganised (as appropriate) in the manner required by the ASX listing rules at the time of the reorganisation, and if the Company is not listed on the ASX at the relevant time, then the following reorganisation rules will apply:
 - (a) if there is a consolidation of capital, the number of Options will be consolidated in the same ratio as the ordinary capital and the exercise price will be amended in inverse proportion to that ratio;
 - (b) if there is a sub-division of capital, the number of Options will be sub-divided in the same ratio as the ordinary capital and the exercise price will be amended in inverse proportion to that ratio;
 - (c) if there is a return of capital, the number of Options will remain the same and the exercise price of each Option will be reduced by the same amount as the amount returned in relation to each ordinary share;

- (d) if there is a reduction of capital by a cancellation of paid up capital that is lost or not represented by available assets where no ordinary shares are cancelled, the number of Options and the exercise price of each Option will remain unaltered;
- (e) if there is a pro-rata cancellation of capital, the number of Options must be reduced in the same ratio as the ordinary capital and the exercise price of each Option must be amended in inverse proportion to that ratio; and
- (f) in any other case of reorganisation, the number of Options or the exercise price, or both, will be reorganised so that the holder of the Option will not receive a benefit that holders of ordinary shares do not receive, subject to rounding up of the number of ordinary shares to be received on exercise that is approved by shareholders when approving the reorganisation.

11. If there is a pro-rata issue (except a bonus issue) to the holders of the ordinary shares in the capital of the Company, the exercise price of each Option will be reduced according to the following formula:

$$O' = O - \frac{E[P-(S+D)]}{N + 1}$$

Where

O' = the new exercise price of the Option.

O = the old exercise price of the Option.

E = the number of ordinary shares into which one Option is exercisable.

P = the Volume Weighted Average Market Price (as defined by the ASX listing rules) of an ordinary share in the capital of the Company over the 5 (five) trading days ending on the day before the ex-rights or ex-entitlements date.

S = the subscription price for an ordinary share under the pro-rata issue.

D = the dividend due but not yet paid on the ordinary shares (except those to be issued under the pro-rata issue).

N = the number of ordinary shares with rights or entitlements that must be held to receive a right to one new ordinary share.

12. If there is a bonus issue to the holders of ordinary shares in the capital of the Company, the number of ordinary shares over which an Option is exercisable will be increased by the number of ordinary shares which the holder of the Option would have received if the Option had been exercised before the record date for the bonus issue.
13. If and to the extent any of the preceding terms and conditions are inconsistent with the rules or requirements of the ASX on which the Company's shares are listed, the rules of the ASX will prevail in all respects to the extent of the inconsistency.
14. Notwithstanding any other provision of these Terms and Conditions:
- (a) Options will not be granted and/or Shares will not be allotted and issued, acquired, transferred or otherwise dealt with under these Terms and Conditions if to do so would contravene the Corporations Act or any other applicable laws or regulations; and
- (b) if and to the extent any of these Terms and Conditions is inconsistent with the Corporations Act, or any other applicable law or regulation, then the Corporations Act or the other applicable law or regulation will prevail in all respects to the extent of the inconsistency.
15. These terms and conditions are governed by the laws of New South Wales and the Option holder unconditionally submits to the jurisdiction of the courts of that State and courts of appeal from them.
