EXPLANATORY MEMORANDUM

This Explanatory Memorandum sets out further information regarding the proposed resolutions to be considered by Shareholders of Kogan.com Limited (**the Company, Kogan.com** or **ASX:KGN**) at the 2020 Annual General Meeting to be held commencing at 10:00am (Melbourne Time) on 20 November 2020 online at <https://web.lumiagm.com/378-740-360>.

The Directors recommend that Shareholders read this Explanatory Memorandum before determining whether or not to support the resolutions.

Item 1 - Financial statements and reports

Under Section 317 of the Corporations Act, the Company is required to lay its Annual Financial Report, Directors' Report and Remuneration Report before its Shareholders at its Annual General Meeting. The Annual Financial Report is submitted for Shareholders' consideration and discussion at the Annual General Meeting as required. Meeting attendees are invited to direct questions to the Chair in respect of any aspect of the report they wish to discuss.

Representatives of Kogan.com's auditor, KPMG, will be present for discussion purposes on matters of relevance to the audit.

Item 2 – Adoption of Remuneration Report

2.1 Background

Item 2 provides Shareholders the opportunity to vote on the Company's Remuneration Report. The Remuneration Report is contained within the Directors' Report in the Annual Financial Report.

Under Section 250R(2) of the Corporations Act, the Company must put the adoption of its Remuneration Report to a vote at its Annual General Meeting.

This vote is advisory only and does not bind the Directors or the Company.

The Board will consider the outcome of the vote and comments made by Shareholders on the Remuneration Report at this Meeting when reviewing the Company's remuneration policies.

If 25% or more of the votes that are cast are voted against the adoption of the Remuneration Report at two consecutive Annual General Meetings, Shareholders will be required to vote at the second of those Annual General Meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Directors other than the Managing Director must be offered up for election.

Key Management Personnel and their closely related parties must not cast a vote on the Remuneration Report, unless as holders of directed proxies for Shareholders eligible to vote on Item 2.

2.2 Board recommendation and undirected proxies.

The Board recommends that Shareholders vote in **FAVOUR** of Item 2. The Chair intends to vote undirected proxies in **FAVOUR** of Item 2.

Item 3 – Re-election of Board endorsed Mr Harry Debney

3.1 Background

Clause 23.10 of the Constitution sets out the requirements for determining which Directors are to retire by rotation at an Annual General Meeting. Mr Harry Debney, who was re-elected at the Company's Annual General Meeting held on 17 November 2017, will retire by rotation in accordance with this clause of the Constitution and, being eligible, has offered himself for re-election.

ASX Listing Rule 14.4 also provides that a Director of an entity must not hold office (without re-election) past the third Annual General Meeting following the Director's appointment, or 3 years, whichever is longer. This rule does not apply to the Managing Director.

Item 3 provides for the re-election of Mr Debney as a Director of the Company in accordance with the Constitution and ASX Listing Rule 14.4.

Mr Debney was first appointed to the Board in May 2016, as an Independent Non-Executive Director. Mr Debney also serves as Chair of the Audit and Risk Management Committee and is a member of the Remuneration and Nomination Committee.

Mr Debney was appointed CEO and Managing Director of Costa Group in September 2010. Since then, he has overseen the business' transformation from a privately-owned company to a member of the S&P/ASX 200 Index.

Prior to joining Costa Group, Mr Debney spent 24 years at Visy Industries, including eight years as CEO. During this time, he substantially grew the Visy business, both organically and through acquisitions.

Mr Debney holds a Bachelor of Applied Science (Honours) from the University of Queensland.

3.2 Board recommendation and undirected proxies

The Board (with Mr Debney abstaining due to his interest in the outcome) unanimously recommends that Shareholders vote in **FAVOUR** of Item 3. The Chair intends to vote undirected proxies in **FAVOUR** of Item 3.

Item 4 – Election of Non-Board endorsed Director

4.1 Background

In accordance with clause 23.5(a) of the Constitution, an external non-Board endorsed candidate, Mr Stephen Mayne, offers himself for election as a Director of the Company.

Mr Mayne has requested that the statement below (unedited by the Company) be included in this Explanatory Memorandum. The statement has not been independently verified or substantiated by the Company, and the Company does not make any representation as to its accuracy. The Company does not in any way endorse the platform on which Mr Mayne is standing. The Board unanimously believes that it is in the best interests of the Company and Shareholders if Mr Mayne is not elected as a Director.

“Stephen Mayne, 51. BCom (Melb). GAICD. Stephen is a Walkley Award-winning business journalist and Australia's leading retail shareholder advocate.

He founded the digital business www.crikey.com.au, Australia's best known independent

journalism ezine, in 2000 before successfully selling it in 2005 and remains a regular contributor to this day. He publishes the corporate governance ezine www.maynereport.com and also writes a weekly column on ESG issues and capital raisings for Alan Kohler's Eureka Report investor newsletter.

His governance experience includes 4 years as a City of Manningham councillor in Melbourne's eastern suburbs, a 4 year term (2012-2016) as a City of Melbourne councillor and 5 years on the Australian Shareholders' Association board.

Stephen nominated for the Kogan board out of concern over the following three issues:

- The proposed issue of 6 million options at \$6 to the two executive directors when they are currently around \$90 million in the money and both founders have been recently selling down their holding.
- The unfair scaling back of \$115 million in retail applications for the 2020 SPP to a collective allocation for the 13,000 retail shareholders of just \$20 million when institutions were allocated an excessive \$100 million in the earlier placement.
- The lack of a clear majority of independent directors who will prioritise capital raising allocations to retail shareholders and also resist inappropriate incentive allocations to the executive directors.”

4.2 Why the Board does not support the election of Mr Mayne as a Director

The Board has a strong track record of delivering superior shareholder returns. This is substantially due the fact the Board is comprised of highly experienced senior business leaders from different backgrounds who collectively possess the skills, knowledge, experience and diversity considered necessary to appropriately govern an ASX-listed eCommerce organisation such as Kogan.com.

The Company has a structured Board renewal process in place to identify and nominate new Directors to the Board in a professional manner. This process involves the identification of candidates who are able to offer the Company a diversity of suitable skills and expertise to complement those of the existing Board members.

Candidates considered suitable for appointment are assessed against a range of criteria, including the skills, knowledge and experience required on the Board, the business and strategic needs of the Company and the personal attributes, competencies and qualifications of the candidate. This process is managed by the Remuneration and Nomination Committee, with the assistance of external consultants from time to time. The Board ultimately makes the selection of the preferred candidate.

Having regard to the selection criteria adopted by the Remuneration and Nomination Committee for Director appointments, the Board considers that Mr Mayne's stated skills, experience and intentions do not fit the Board's requirements, nor that he will contribute to growth of the Company that meets the expectations of Shareholders.

In addition, the Board has engaged the assistance of external consultants and is currently undertaking a structured process to identify a suitably qualified independent Non-Executive Director to join the Board in accordance with the above criteria, with an appointment expected in the coming months.

4.3 Board recommendation and undirected proxies

Accordingly, the Board unanimously believes that it is not in the best interests of shareholders that Mr Mayne be elected and recommends that Shareholders vote **AGAINST** Item 4. The Chair intends to vote undirected proxies **AGAINST** Item 4.

Item 5 – Approval of Grant of Options to Directors

5.1 Background

The Company operates an employee incentive scheme called the Kogan.com Equity Incentive Plan (the **EIP**). Further to the Company's ASX announcement on 12 May 2020 and the Company agreeing to grant options to Executive Directors Ruslan Kogan and David Shafer at around that time, Item 5.1 and Item 5.2 now seek Shareholder approval to grant:

- a) Mr Ruslan Kogan, Chief Executive Officer and Managing Director of the Company, 3,600,000 Options under the EIP; and
- b) Mr David Shafer, Chief Financial Officer, Chief Operating Officer and Executive Director, 2,400,000 Options under the EIP.

(together, the **Retention Options**).

5.2 Reason for grant of Retention Options

The Company agreed to grant the Retention Options to Mr Kogan and Mr Shafer as the long term incentive component of their respective remuneration packages for the period from 12 May 2020 to the date of approval by the Board of the Company's FY2023 Financial Report.

The grant of the Retention Options to Mr Kogan and Mr Shafer was agreed following a detailed review by the Board of their significant respective contributions to the success of the Company, and their existing retention, remuneration and incentive arrangements, which were considered to be insufficient given the Shareholder value they have been instrumental in creating, and substantially below executives from peer companies.

The Board (excluding Mr Kogan and Mr Shafer) believes that Mr Kogan and Mr Shafer have been instrumental in delivering the exceptional returns experienced by the Company since its listing on the ASX in July 2016, and recognising their proven track records, the Board (excluding Mr Kogan and Mr Shafer) believes it is in the best interests of the Company and Shareholders to incentivise Mr Kogan and Mr Shafer to remain in their positions for the next 3 years in order to preserve and continue further generating Shareholder value.

The exceptional total shareholder returns that Mr Kogan and Mr Shafer have been instrumental in creating for Kogan Shareholders can be seen in the charts below. Relative to the S&P/ASX 200 Accumulation Index, the S&P/ASX 300 Accumulation Index, and the Small Ordinaries Accumulation Index, Kogan has substantially outperformed.

The Company's recent Share price increase gained pace after the terms of the Retention Options had been agreed, and the operational foundations that Mr Kogan and Mr Shafer have been instrumental in putting in place have supported the rapid acceleration of the Company's growth since the Retention Options were announced.

When announcing the long term incentive to be granted to Mr Kogan and Mr Shafer in May, Kogan.com Chairman Greg Ridder said, *"Ruslan and David are outstanding business leaders. They have been fundamental in building and growing the high performing Company we see today, and shareholders have been rewarded with an exceptional return on their investment since IPO. Recent performance of the Company highlights the solid foundations of our business - with strong customer appeal, multiple revenue streams, diverse supply chains, and world-class proprietary systems and processes. Between its initial public offering in July 2016 and 30 April 2020, the Company has delivered a Total Shareholder Return of 343.89%".*

The Board (excluding Mr Kogan and Mr Shafer) also highlights the following key considerations regarding the quantum and structure of the Retention Options to be granted to Mr Kogan and Mr Shafer:

- a) if Mr Kogan or Mr Shafer resign as an employee of the Group prior to the date of approval by the Board of the Company's FY2023 Financial Report (other than where they are a Good Leaver, as described in section 5.7 of this Explanatory Memorandum), their respective Retention Options will lapse. There is therefore a considerable incentive for Mr Kogan and Mr Shafer to remain employed by the Company and deliver its strategic objectives until at least the date of approval of the Company's FY2023 Financial Report;
- b) neither Mr Kogan nor Mr Shafer are currently entitled to any other long term incentives in their respective remuneration packages and have not received any long term incentive since the Company listed on the ASX in July 2016. Notably, Mr Kogan and Mr Shafer are the only senior executives of the Company not to have any long term incentives in their respective remuneration packages, despite being instrumental in delivering the exceptional returns delivered by the Company. In addition, the structure of Mr Kogan's and Mr Shafer's remuneration to date has been substantially below executives in peer companies in terms of salary, short term incentives and long term incentives; and
- c) it is not currently intended that either Mr Kogan or Mr Shafer will be entitled to any additional long term incentives over the next 3 years.

A benchmarking process and an independent valuation of the Retention Options was conducted in early May 2020 by SLM Corporate to provide advice as to whether the proposed grant of the Retention Options is reasonable given the Company's circumstances and by reference to industry standards. The report compared the historical remuneration packages of Mr Kogan and Mr Shafer with ASX-listed peers, and found that:

- a) the historical remuneration packages for Mr Kogan and Mr Shafer have declined over the last 3 financial years;

- b) the historical remuneration packages for Mr Kogan and Mr Shafer are significantly lower than the remuneration packages awarded to senior executives of peer companies. In particular:
- i) the FY2019 remuneration package for Mr Kogan was found to be the lowest remuneration amongst peer companies, and was 71% below the median remuneration for CEOs of peer companies; and
 - ii) the FY2019 remuneration package for Mr Shafer was at the bottom end of the range of remuneration amongst peer companies, and was 49% below the median remuneration for CFOs of peer companies, and does not reflect the dual CFO and COO role he occupies;
- c) the historical remuneration packages for Mr Kogan and Mr Shafer are not reflective of the value delivered to Shareholders. In particular:
- i) the Company's total shareholder return for the 1-year and 3-year periods ended 30 April 2020 of 34% and 404% respectively was ranked second amongst peer companies under the leadership of Mr Kogan and Mr Shafer; and
 - ii) the Company's total shareholder return for the 3-year period ended 30 June 2019 of 237.3% was approximately 5.5 times the 43.2% total shareholder return returned by the S&P/ASX 200 Accumulation Index over the same period.

The independent report prepared by SLM Corporate concluded that the proposed grant of Retention Options to each of Mr Kogan and Mr Shafer was structured appropriately and reasonably to retain, align and compensate Mr Kogan and Mr Shafer for successfully executing on the Company's medium term strategy, and to maximise the prospect of Mr Kogan and Mr Shafer contributing to the creation of significant future returns for Shareholders.

As noted in sections 5.7 and 5.8 of this Explanatory Memorandum and announced to the ASX on 12 May 2020, the exercise price of each Retention Option (of \$5.29) was calculated by the Company based on the 3-month volume weighted average price of the Company's Shares during the trading days between 1 February 2020 and 30 April 2020. This 3-month period was selected by the Company because it was the period during which the remuneration package was negotiated between the Company and the Executive Directors, and was therefore viewed by the Board (excluding Mr Kogan and Mr Shafer) as an appropriate and reasonable estimation of the value of the Shares at that time.

The Retention Options have been structured to provide Mr Kogan and Mr Shafer with a considerable incentive to stay with the Company and to ensure that the Company continues to achieve its strategic objectives and deliver sustainable growth in the long term.

5.3 Consequences if Shareholder approval is not obtained

If Shareholder approval is not obtained for the grant of the Retention Options to either Mr Kogan or Mr Shafer under Item 5.1 and Item 5.2 (as applicable), the Company has agreed to grant the Retention Options to Mr Kogan and Mr Shafer (as applicable) within 10 business days of the Meeting, except that the Company will be required to purchase the relevant Shares on-market for Mr Kogan and/or Mr Shafer (as applicable), instead of satisfying the exercise of those Retention Options by the issue of new Shares. This is because under the terms of the Retention Options, if such Shareholder approval is not obtained, the relevant Shares to be acquired on exercise of the Retention Options must be purchased by the Company on-market (which is permitted by ASX Listing Rule 10.16(a)).

Further, as contemplated by the EIP, if for any reason the Company is unable to grant Mr Kogan and/or Mr Shafer the Retention Options, the Board will provide Mr Kogan and/or Mr Shafer (as applicable) a cash payment as an alternative long term incentive award equal to the value of the Shares that would have been issued or acquired on exercise of any vested Retention Options (less the aggregate exercise price that would have been paid on exercise of such Retention Options), subject to:

- a) satisfaction of the proposed vesting condition that would have otherwise attached to the Retention Options, as described in section 5.7 of this Explanatory Memorandum; or
- b) Mr Kogan and/or Mr Shafer (as applicable) ceasing employment with the Group in circumstances where Mr Kogan and/or Mr Shafer (as applicable) is a Good Leaver, as described in section 5.7 of this Explanatory Memorandum.

5.4 Details of the Kogan.com Equity Incentive Plan

As noted above, the Company has an existing employee incentive scheme called the Kogan.com Equity Incentive Plan (the **EIP**), under which certain eligible employees and executive Directors of the Company (the **Participants**) may be granted Options and other securities from time to time which may be settled by issuing new shares, acquiring shares on market or settling in cash.

The EIP was approved by Shareholders at the Company's Annual General Meeting held on 16 November 2018.

The copy of the rules of the EIP is included in Appendix A and is also available at www.kogancorporate.com.

5.5 ASX Listing Rule 10.14

ASX Listing Rule 10.14 provides that a listed entity must not permit any of the following persons to acquire Equity Securities under an employee incentive scheme unless it obtained the approval of its shareholders:

- 10.14.1 a director of the entity;
- 10.14.2 an associate of a director of the entity; or
- 10.14.3 a person whose relationship with the entity or a person referred to in ASX Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders.

Mr Kogan and Mr Shafer are both Directors of the Company and are therefore related parties of the Company for the purposes of ASX Listing Rule 10.14.1 above. Accordingly, ASX Listing Rule 10.14 requires Shareholders to approve the grant of the Retention Options to Mr Kogan and Mr Shafer (to the extent the Company will issue new Shares on exercise of such options).

Item 5.1 and Item 5.2 seek the required Shareholder approval for the grant of Retention Options under and for the purposes of ASX Listing Rule 10.14.

If either or both of Item 5.1 and Item 5.2 are passed, and approval is given for the grant of the Retention Options under ASX Listing Rule 10.14 to Mr Kogan and/or Mr Shafer, the Company will be able to proceed with the grant of the Retention Options to Mr Kogan and/or Mr Shafer (as applicable) and issue new Shares on exercise of such options. Approval will not be required under ASX Listing Rule 7.1, and the grant of the Retention Options to Mr Kogan and/or Mr Shafer (as applicable) will not count towards the Company's existing placement capacity under ASX Listing Rule 7.1. Separate approval will also not be required under ASX Listing Rule 10.11 (which provides a general restriction against issuing securities to directors without shareholder approval).

A summary of the consequences if either or both of Item 5.1 and Item 5.2 are not passed is set out in section 5.3 of this Explanatory Memorandum

5.6 Corporations Act – Related Party Approvals

Section 208 of the Corporations Act prohibits a public company from giving a financial benefit to a related party of the public company unless either the giving of the financial benefit falls within one of the exceptions to the provisions or shareholder approval is obtained prior to the giving of the financial benefit. For the purposes of Section 208 of the Corporations Act, directors of a company and an entity controlled by a director of the company are considered to be a related party and the granting of options is an example of the giving of a financial benefit.

Section 211 of the Corporations Act provides an exception to the requirement to obtain shareholder approval for giving a financial benefit to a related party, where the financial benefit is remuneration to a related party as an officer or employee of a public company (or other prescribed entity) and where to give the remuneration would be reasonable given the circumstances of the public company (or entity giving the remuneration) and the related party's circumstances (including the responsibilities involved in the office or employment).

As noted above in section 5.2 of this Explanatory Memorandum, the independent report prepared for the Board by SLM Corporate concluded that the grant of the Retention Options to each of Mr Kogan and Mr Shafer is appropriate and reasonable given the circumstances of the Company. On the basis of that advice, the Company considers that the exception in Section 211 of the Corporations Act applies to the proposed grant of the Retention Options under Item 5 given the circumstances of the Company and the circumstances of Mr Kogan and Mr Shafer respectively.

5.7 Key terms of the proposed grant of Retention Options

The key terms of the grant of the Retention Options to Mr Kogan and Mr Shafer (**Retention Option Grant**) are as follows:

- a) (**Exercise price**): The Retention Options will each have an exercise price of \$5.29, being the 3-month volume weighted average price of Kogan.com Shares during the trading days between 1 February 2020 and 30 April 2020 (as calculated by the Company), being the period where the remuneration package was negotiated between the Company and the Executive Directors.
- b) (**Vesting Condition**): Under the EIP, Options granted to Participants only vest subject to the achievement (or waiver) of specific vesting conditions. The vesting condition set by the Board in the Retention Option Grant is a time-based vesting condition that requires Mr Kogan or Mr Shafer (as applicable) to not have resigned as an employee of the Group as at the date of approval by the Board of the Company's FY2023 Financial Report.
- c) (**Alternative cash payment**): If for any reason the Company is unable to grant Mr Kogan or Mr Shafer the Retention Options, the Board will provide Mr Kogan and/or Mr Shafer (as applicable) a cash payment as an alternative long term incentive award as described above in section 5.3 of this Explanatory Memorandum.
- d) (**Cash settlement of Retention Options**): The Board retains an overriding discretion to determine that the exercise of any Retention Option will be satisfied by the Company making a cash payment in lieu of an issue of new Shares or an on-market purchase of existing Shares (as applicable).
- e) (**Forfeiture of unvested Retention Options**): The Board may determine that some or all of Mr Kogan or Mr Shafer's unvested Retention Options will lapse in certain prescribed "serious misconduct circumstances" as set out in the Retention Option Grant.
- f) (**Acceleration on a Takeover Bid or other transaction**): In the event of a Takeover Bid or other transaction, event or state of affairs that is likely to result in a change in the Control of the Company or should otherwise be treated in accordance with the EIP Rules, all of Mr Kogan's and Mr Shafer's unvested Retention Options will automatically vest, unless the Board determines otherwise.
- g) (**Good Leaver treatment**): If Mr Kogan's or Mr Shafer's employment with the Group ceases in circumstances where Mr Kogan or Mr Shafer (as applicable) is a Good Leaver, his unvested Retention Options will vest in accordance with the usual vesting timing (ie at the date of approval by the Board of the Company's FY2023 Financial Report) but pro rata on a straight-line basis based on the percentage of time that had elapsed up to the cessation of employment between 12 May 2020 and the date of approval by the Board of the Company's FY2023 Financial Report. A Good Leaver includes where Mr Kogan or Mr Shafer (as applicable) ceases employment due to his death, serious disability or permanent incapacity through ill health (including mental illness), or any other circumstances determined by the Board in its absolute discretion.

- h) **(Treatment where other cessation of employment):** If Mr Kogan's or Mr Shafer's employment with the Group is terminated for certain prescribed "cause" events or due to their resignation (other than where Mr Kogan or Mr Shafer is a Good Leaver) all of Mr Kogan's or Mr Shafer's (as applicable) unvested Retention Options will lapse unless the Board determines otherwise.
- i) **(Inconsistent with EIP):** The terms of the Retention Option Grant will prevail to the extent of any inconsistency with the terms of the EIP.

The Retention Options will otherwise be issued on the terms set out in the EIP, a copy of which is at Appendix A.

Details of the Retention Options Cont'd

The Retention Options will be accounted for in the same way the Company's current equity-settled awards are treated (refer section 5.2 of the FY20 Annual Report), with their accounting value determined at their date of grant (within 10 Business Days of the Meeting). Equity-settled awards are measured at fair value at the date of grant. The cost of these transactions is recognised in the Company's Consolidated Statement of Comprehensive Income and credited to equity on a straight-line basis over the vesting period after allowing for an estimate of shares that will eventually vest. The level of vesting is reviewed annually and the charge adjusted to reflect actual and estimated levels of vesting. Accordingly, any deductions allowable for tax purposes will also be in line with current equity-settled awards.

The Company obtained an independent valuation of the Retention Options from SLM Corporate dated 7 May 2020 to provide advice in relation to whether the proposed grant of the Retention Options is reasonable in the circumstances and by reference to industry standards. The valuation applied a number of assumptions and variables, including the following:

- the closing price of the Company's Shares on ASX on 30 April 2020 (a reference date under the report), being \$7.99 per Share;
- a risk-free rate of 0.33%;
- a volatility factor of 62.5%;
- dividend yield of 1.96%; and
- a time to maturity of the underlying Options of 4 years.

The estimated value of each Retention Option pursuant to the valuation was \$4.13 as at the reference date of the report of 7 May 2020.

On this basis, the estimated value as at the reference date of the report of 7 May 2020 of:

- the Retention Options to be granted to Mr Kogan under Item 5.1 was \$14,872,133; and
- the Retention Options to be granted to Mr Shafer under Item 5.2 was \$9,914,756.

The report from SLM Corporate dated 7 May 2020 reflects the value of the Retention Options on or about the date that the Company agreed to grant the Retention Options to Mr Kogan and Mr Shafer. For completeness, given the time that has elapsed since both the date of the independent valuation of the Retention Options from SLM Corporate and the date that the Company agreed to grant the Retention Options, the Company has obtained an updated independent valuation of the Retention Options from SLM Corporate dated 13 October 2020. This valuation applied the same assumptions and *cont'd*

Any additional persons covered by ASX Listing Rule 10.14 who become entitled to participate in an issue of securities under the scheme after the resolution is approved and who were not named in the Notice of Meeting will not participate until approval is obtained under that rule.

5.9 Board recommendation and undirected proxies

The Board (with Mr Kogan and Mr Shafer abstaining due to their interest in the outcome) unanimously recommends that Shareholders vote in **FAVOUR** of Item 5.1 and Item 5.2. The Chair intends to vote undirected proxies in **FAVOUR** of all Item 5.1 and Item 5.2.

Item 6 – Ratification of prior issue of Shares under the Placement

6.1 Background

On 10 June 2020, the Company announced that it had secured commitments to raise \$100 million via a placement of 8,733,625 Shares (the **Placement Shares**) to new and existing institutional investors (the **Placement**).

The issue price for the Placement Shares was \$11.45 per Share, which represented a 7.5% discount to the last traded price of the Company's Shares on 9 May 2020, and a 7.9% discount to the previous 2-day VWAP of the Shares trading on the ASX up to and including 9 May 2020.

On 17 June 2020, the Company successfully completed the Placement and the Placement Shares were issued in accordance with ASX Listing Rule 7.1.

The issue of the Placement Shares did not require Shareholder approval as the number of Shares issued was within the Company's 15% limit under ASX Listing Rule 7.1.

6.2 ASX Listing Rule 7.4

ASX Listing Rule 7.4 allows the shareholders of a listed entity to approve an issue of Equity Securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under ASX Listing Rule 7.1 and so does not reduce the entity's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain Shareholder approval for such issues under ASX Listing Rule 7.1.

To this end, Item 6 seeks Shareholder approval for the issue of Shares under the Placement and for the purposes of ASX Listing Rule 7.4.

If Item 6 is passed, the issue of the Placement Shares will be excluded in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date of the Placement Shares.

If Item 6 is not passed, the issue of the Placement Shares will be included in calculating the Company's 15% limit in ASX Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval over the 12-month period following the issue date of the Placement Shares.

The Board considers that it is appropriate and prudent for approval to be sought in respect of the issue of all of the Placement Shares, and will enhance the Company's flexibility to raise further equity capital and issue new securities, should the Board consider that it is in the best interests of the Company to do so.

6.3 Information required by ASX Listing Rule 7.5

In accordance with ASX Listing Rule 7.5, the information below is provided in relation to Item 6:

The names of the persons to whom the Company issued the Placement Shares or the basis upon which those persons were identified or selected	The Placement Shares were issued to certain institutional investors identified and selected by Cannacord Genuity (Australia) Limited and Royal Bank of Canada (trading as RBC Capital Markets), who acted as joint lead managers and underwriters to the Placement, through a bookbuild and allocation process, approved by the Company.
The number and class of Placement Shares the Company issued	8,733,625 Shares.
The date on which the Placement Shares were issued	17 June 2020.
The price or other consideration the Company received for the Placement	\$11.45 per Share.
The purpose of the Placement, including the use or intended use of the funds raised by the Placement	The purpose of the issue of the Placement Shares was to raise funds. The funds raised have been, and will be, used to provide financial flexibility to act quickly on future value accretive opportunities that broaden the Company's offering, expand its customer base or enhance its operating models.

6.4 Board recommendation and undirected proxies

The Board unanimously recommends that Shareholders vote in **FAVOUR** of Item 6. The Chair intends to vote undirected proxies in **FAVOUR** of Item 6.

The applicable treatment may vary depending on the circumstances in which the Participant's employment ceases. 9.1 Takeovers and other change of control events

- (a) Where there is a:
- (1) Takeover Bid for Shares; or
 - (2) other transaction, event or state of affairs,
- that, in the Board's opinion, is likely to result in a change in the Control of the Company or should otherwise be treated in accordance with this rule (**Change of Control Event**), the Board may, in its absolute discretion, determine that all or a specified number of a Participant's Incentive Securities Vest or cease to be subject to restrictions (as applicable).
- (b) Notwithstanding the default treatment set out in these Rules, the Board may specify in the Offer to the Participant (in accordance with rule 1.2) an additional or different treatment that will apply to unvested Incentive Securities where a Change of Control Event occurs. In determining a different change of Control treatment to apply to an Offer, the Board may preserve some or all of its discretions under this rule 9.

- (c) For the avoidance of doubt, if the Board does not make a determination pursuant to rule 9.1, then all of a Participant's Incentive Securities remain on foot subject to the original terms of grant.

9.3 Treatment of vested Options

Unless the Board determines otherwise, where a Change of Control Event occurs, any Vested Options (including those that Vest in accordance with rule 9.1):

- (a) will be exercisable for a period specified by the Board and notified to the Participant; and
- (b) will lapse if not exercised within the specified period.

9.4 Effect on Shares

- (a) a company (Acquiring Company) obtains Control of the Company as a result of a Change of Control Event; and

10 Power to adjust Rights and/or Options and the Exercise Price

- (a) Subject to rule 10(b), prior to the allocation of Shares to a Participant upon Vesting of Rights or exercise of Options, the Board may grant additional Rights or Options or make any adjustments it considers appropriate to the terms of a Right and/or Option granted to that Participant in order to minimise or eliminate any material advantage or disadvantage to a Participant resulting from a corporate action by, or capital reconstruction in relation to, the Company, including but not limited to any return of capital. Adjustments that may be made include adjustments to:
 - (1) the number of Rights or Options to which each Participant is entitled;
 - (2) the number of Shares to which each Participant is entitled upon Vesting of Rights or exercise of Options;
 - (3) any amount payable on Vesting of the Rights or exercise of Options (including the Exercise Price); or
 - (4) where appropriate, a combination of paragraphs (1), (2) and/or (3) above.
- (b) Without limiting rule 10(a), if:
 - (1) Shares are issued pro rata to the Company's shareholders generally by way of a rights issue, Options will be adjusted in accordance with Listing Rule 6.22.2 (or any replacement rule); or
 - (2) Shares are issued pro rata to the Company's shareholders generally by way of a bonus issue (other than an issue in lieu of dividends or by way of a dividend reinvestment) involving capitalisation of reserves of distributable profits, or any reorganisation (including consolidation, subdivision, reduction or return) of the issued capital of the Company is effected, Options and Rights will be adjusted in the manner required by the Listing Rules.
- (c) Where additional Rights or Options are granted to the Participant under this rule 10, such Rights or Options will be subject to the same terms and conditions as the original Rights or Options granted to the Participant (including without limitation, any Vesting Conditions) unless the Board determines otherwise.

 - (3) any bonus shares that are issued in respect of the Shares will be issued to the Participant, or to the Trustee on the Participant's behalf, and will be held by the Participant or Trustee as Shares subject to the same terms, conditions and restrictions on Dealing (if any) as the Shares in respect of which they were issued; and
 - (4) if rights arise on a rights issue in respect of the Shares, the Participant may deal with or exercise those rights, or instruct the Trustee (if applicable) in relation to those rights in accordance with the Trust Deed. If the Shares are held by the Trustee on the Participant's behalf and the Participant does not instruct the Trustee how to deal with the rights, the rights will be dealt with in accordance with the Trust Deed.

12 Withholding

- (a) If the Company, the Group or a member of the Group is obliged, or reasonably believes it may have an obligation, as a result of or in connection with any Incentive Securities granted or Shares allocated under this EIP, to account for:
- (1) income tax or employment taxes under any wage, withholding or other arrangements; or
 - (2) any other tax, social security contributions or levy or charge of a similar nature,
- that is a liability of the Participant, then the relevant Group company is entitled to be reimbursed by the Participant for the amount or amounts so paid or payable.
- (b) Where rule 12(a) applies, the relevant Group company is not obliged to grant any Incentive Securities, to allocate Shares or to make a cash payment in accordance with rules 2.2(c) or 3.2(d) unless the Company is satisfied that arrangements for payment or reimbursement of the amounts referred to in rule 12(a) have been made. Those arrangements may include, without limitation:
- (1) the provision by the Participant of sufficient funds to reimburse the Group company for the amount (by salary deduction, reduction of any amount owed by the Group to the Participant or otherwise);
 - (2) the sale on behalf of the Participant of Shares allocated pursuant to these Rules for payment or reimbursement of these amounts, as well as the costs of any such sale;
 - (3) a reduction in any amount payable to the Participant in lieu of an allocation of Shares under these Rules; or
 - (4) lapse or forfeiture of a sufficient number of Rights, Options and/or Shares to satisfy the debt the Participant owes to the Group company. Unless the Group company and the Participant agree to use a different valuation, any Rights, Options and/or Shares forfeited under this rule will be valued at the Current Market Price on the date of lapse or forfeiture.

13 Amendments

13.1 Power to make amendments

- (a) Subject to rule 13.2, the Board may at any time by resolution:
- (1) amend or add to (**amend**) all or any of the provisions of the EIP;
 - (2) amend the terms or conditions of any Incentive Security granted under the EIP; or
 - (3) suspend or terminate the operation of the EIP.
- (b) Notwithstanding rule 13.2, the Board may waive, amend or replace any Vesting Condition attaching to an Incentive Security if the Board determines that the original Vesting Condition is no longer appropriate or applicable (including, without limitation, where a Vesting Condition refers to a particular stock market index that is no longer published or there is a corporate action by the Company, including a discounted rights issue, which impacts on the Vesting Condition), provided that the interests of the relevant Participant are not, in the opinion of the Board, materially prejudiced or advantaged relative to the position reasonably anticipated at the time of the grant.

13.2 Restrictions on amendments

Without the consent of the Participant, the Board may not exercise its powers under rule 13.1(a) in a manner which reduces the rights of the Participant in respect of any Incentive Security or Share already granted other than an amendment introduced primarily:

- (a) for the purpose of complying with or conforming to present or future laws governing or regulating the maintenance or operation of the EIP or similar plans, in any jurisdiction in which invitations under the EIP have been made;
- (b) to correct any manifest error or mistake; or
- (c) to take into consideration possible adverse tax implications in respect of the EIP arising from, amongst others, adverse rulings, changes to tax legislation and/or changes in the interpretation of tax legislation by a court of competent jurisdiction.

13.3 Notice of amendment

As soon as reasonably practicable after making any amendment under rule 13.1, the Board will give notice in writing of that amendment to any Participant affected by the amendment.

14 Participants based overseas

14.1 Overseas transfers

If a Participant is transferred to work in another country and, as a result of that transfer:

- (a) the Participant or any Group company would suffer a tax disadvantage in relation to their Incentive Securities (this being demonstrated to the satisfaction of the Board);
- (b) the Company would be restricted in its ability to Vest Incentive Securities and/or allocate Shares to the Participant; or

- (c) the Participant would become subject to restrictions on their ability to Deal with the Incentive Securities or any Shares allocated to the Participant in respect of those Incentive Securities because of the security laws or exchange control laws of the country to which he or she is transferred, then, if the Participant continues to hold an office or employment with the Group, the Board may decide that:
- (d) some or all of the Participant's Restricted Shares will Vest;
 - (e) some or all of the Participant's Rights will Vest;
 - (f) some or all of the Participant's Options will Vest and become exercisable; or
 - (g) some or all of the Participant's Options or Rights will be settled in cash in lieu of Shares, with the balance (if any) continuing to be held on the original terms.

14.2 Non-Australian residents

The Board may adopt additional rules of the EIP that will apply to a grant made to an Eligible Employee who is a resident in a jurisdiction other than Australia. The remaining provisions of these Rules will apply subject to whatever alterations or additions the Board may determine having regard to any securities, exchange control, taxation or other laws and/or regulations or any other matter that the Board considers directly or indirectly relevant.

15 Miscellaneous

- (a) Any Shares issued under the EIP will rank equally in all respects with other Shares for the time being on issue by the Company (for example, having rights with respect to voting, dividends and in the event of a winding up of the Company), except as regards any rights attaching to such Shares by reference to a record date prior to the date of their issue.

- (c) These Rules will not form part of and are not incorporated into any contract of any Participant (whether or not they are an employee of the Group).
- (d) The grant of Incentive Securities on a particular basis in any year does not create any right or expectation of the grant of Incentive Securities on the same basis, or at all, in any future year.
- (e) No Participant has any right to compensation for any loss in relation to the EIP, including:
 - (1) any loss or reduction of any rights or expectations under the EIP in any circumstances or for any reason (including lawful or unlawful termination of employment or the employment relationship);

 - (2) effect a forfeiture of Shares in accordance with these Rules (including rule 7 or the terms of an Offer); and
 - (3) execute transfers of Shares in accordance with these Rules.

15.3 Power of the Board to administer the EIP

- (a) The EIP is administered by the Board which has power to:
 - (1) determine appropriate procedures for administration of the EIP consistent with these Rules including to implement an employee share trust for the purposes of delivering and holding Shares on behalf of Participants upon the grant of Restricted Shares or the Vesting of Rights or exercise of Options; and
 - (2) delegate to any one or more persons for such period and on such conditions as it may determine the exercise of any of its powers or discretions arising under the EIP.
- (b) Except as otherwise expressly provided in the EIP, the Board has absolute and unfettered discretion to act or refrain from acting under or in connection with the EIP and in the exercise of any power or discretion under the EIP.

Notwithstanding any other provisions of the EIP, the Board may at any time waive in whole or in part any terms or conditions (including any Vesting Condition) in relation to any Incentive Securities or Shares granted to a Participant.

15.5 Application of Corporations Act and Listing Rules

- (a) contravene the Corporations Act, the Listing Rules, or any other applicable laws (including any applicable foreign law); or
- (b) require the Company to pay, provide, or procure the payment or provision of, any money or benefits to the Participant which would require shareholder approval under Part 2D.2, Division 2 of the Corporations Act.

15.6 Dispute or disagreement

In the event of any dispute, disagreement or uncertainty as to the interpretation of the EIP, or as to any question or right arising from or related to the EIP or to any Incentive Securities or Shares granted under it, the decision of the Board is final and binding.

15.7 Approved leave of absence

Subject to applicable laws, at the discretion of the Board, a Participant who is granted an approved leave of absence and who exercises their right to return to work under any applicable award, enterprise agreement, other agreement, statute or regulation may be treated as not having ceased to be an employee for the purposes of rule 8 of the Rules. Whether a Participant who is granted leave without pay is deemed to have ceased employment will be determined with reference to the Group's policies and any applicable laws.

15.8 Communication

- (a) Any notice or other communication provided under or in connection with the EIP may be given by personal delivery or by sending the same by post, email or facsimile to:
- (1) in the case of a company, to its registered office;
