FINANCIAL STATEMENTS AND REPORT – YEAR ENDED 30 JUNE 2020

The Corporations Act requires:

- the reports of the directors and auditors; and
- the annual financial report, including the financial statements of the Company,

for the financial year ended 30 June 2020, to be laid before the Annual General Meeting. Neither the Corporations Act nor the Constitution require a vote of Shareholders on the reports or statements. However, Shareholders as a whole will be given a reasonable opportunity to raise questions or comments on the management of the Company.

Also, a reasonable opportunity will be given to Shareholders as a whole at the AGM to ask the Company's auditor questions relevant to the conduct of the audit, the preparation and content of the auditor's report, the accounting policies adopted by the Company in relation to the preparation of the financial statements and the independence of the auditor in relation to the conduct of the audit.

RESOLUTIONS

Resolution 1: Non-Binding Resolution to adopt Remuneration Report

The Directors' report for the year ended 30 June 2020 contains a Remuneration Report which sets out the policy for the remuneration of the Directors and key executives of the Company. The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted be put to the Company's shareholders. However, section 250R (3) of the Corporations Act expressly provides that the vote on the Resolution is advisory only and does not bind the Directors or the Company.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to Directors, sets out remuneration details for each Director and any service agreements and sets out the details of any share-based compensation. The remuneration report is part of the Directors' report contained in the annual financial report of the Company for a financial year.

A reasonable opportunity for discussion of, and comment on, the Remuneration Report will be provided by the Chairman at the Annual General Meeting.

Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

Resolution 2: Re-election of Director – Mr John Mackay

Pursuant to rule 63 of the Constitution, retiring director John Mackay, being eligible to do so, has offered himself for re-election. Mr Mackay is an independent non-executive director and Chair of the Company, was appointed on 11 October 2017, prior to the Company's listing on ASX.

This Resolution seeks Shareholder approval of the re-election of Mr John Mackay.

Profile of Mr John Mackay

John has over 15 years' experience as chairman and director of major listed and unlisted companies across the communications, utilities, health, construction and education sectors.

John is a Member of the Audit, Risk and Governance Committee and People & Culture Committee.

The Board (excluding John Mackay, who abstains from making a recommendation) support the election of John and recommends that Shareholders vote in favour of Resolution 2.

Resolution 3: Appointment of Auditors

As announced on the ASX on 31 March 2020, BDO Audit Pty Ltd ("BDO Audit") was appointed auditor of the Company following the resignation of BDO East Coast Partnership ("BDO ECP") and ASIC's consent to the resignation in accordance with s329(5) of the Corporations Act 2001 ("the Act").

The change of auditor arose as a result of BDO ECP restructuring its audit practice to provide for audits to be conducted by BDO Audit, an authorised audit company, rather than by BDO ECP.

As a result of the timing of the change, BDO Audit filled a casual vacancy in accordance with s327C(1) of the Act. Under section 327C(2) of the Act, an auditor who has been appointed under s327C(1) of the Act only holds office until the Company's next annual general meeting.

The Company is required to appoint an auditor to fill any vacancy at each annual general meeting (after its first annual general meeting) pursuant to s327B(1)(b) of the Act.

Pursuant to section 328B of the Act, the Company received a valid notice of nomination of auditor that nominated BDO Audit to be appointed as the auditor of the Company. A copy of the nomination is attached as Annexure A to this Notice of Meeting.

BDO Audit has provided the Company with its written consent to act, subject to shareholder approval being granted, as the Company's auditor in accordance with s328A(1) of the Act.

In accordance with s327B(1)(b) of the Act, an ordinary resolution is required at this Annual General Meeting to appoint BDO Audit as the Company's auditor and shareholder approval is sought to that appointment.

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

Resolution 4: Approval of Claire Bibby participation in CCG Performance Rights Plan

The Board proposes to grant Performance Rights under the CCG Performance Rights Plan (PRP) to the following non-executive Director:

- (a) Claire Bibby, a non-executive director of the Company

Claire Bibby was appointed a director on 14 October 2019. It is proposed that Claire Bibby participate in the PRP as announced on the ASX on 14 October 2019. The terms of the Performance Rights proposed to be granted are set out below. The terms of issue under the PRP are the same as those presented to and approved by shareholders at the General Meeting held on 23 July 2019..

The Board believes that the PRP will:

- (a) encourage participants to focus on creating value for Shareholders;
- (b) link reward with the achievement of long-term performance in the Company;
- (c) encourage participants to remain with the Company by providing them with the opportunity to hold a financial stake in the Company; and
- (d) assist in the Company attracting high calibre Directors and employees.

At a General Meeting of shareholders held on 23 July 2019, shareholders approved the issue of Performance Rights to the following directors:

John Mackay - granted 1,500,000 Performance Rights comprising two separate tranches of 750,000 each

Ben Jennings - granted 1,000,000 Performance Rights comprising two separate tranches of 500,000 each

Peter McGrath - granted 9,000,000 Performance Rights comprising two separate tranches of 4,500,000 each

Approval for the purposes of the ASX Listing Rules

ASX Listing Rule 10.14 provides that an entity must only allow Directors or their associates to acquire securities under an employee incentive scheme with the approval of shareholders and provided the Notice of Meeting complies with the requirements set out in ASX Listing Rules 10.15. Pursuant to ASX Listing Rule 7.2 (Exception 14), issues of securities that receive shareholder approval under ASX Listing Rule 10.14 do require approval under ASX Listing Rule 7.1. The PRP is an employee incentive scheme for the purposes of the ASX Listing Rules.

The Board proposes to invite Claire Bibby to be granted Performance Rights under the PRP and therefore seeks shareholder approval under ASX Listing Rule 10.14. The Performance Rights are issued in lieu of the level of Director fees paid.

Pursuant to ASX listing rule 10.15.4, the director's current remuneration is \$30,000 (including superannuation).

Pursuant to ASX listing rule 10.15.5, the director has not previously been issued securities under the PRP.

Risk of economic and voting dilution	<p>An issue of Shares under ASX Listing Rule 7.1A involves the risk of economic and voting dilution for existing ordinary security holders. The risks include:</p> <ul style="list-style-type: none"> the market price for Shares may be significantly lower on the issue date than on the date of the approval under ASX Listing Rule 7.1A; and the equity securities may be issued at a price that is at a discount to the market price for the Shares on the issue date. <p>Under ASX Listing Rule 7.3A.2, a table describing the notional possible dilution, based upon various assumptions as stated, is set out below.</p>

<p>Date by which the securities will be issued</p>	<p>The period commencing on the date of the Annual General Meeting (to which this Notice relates) at which approval is obtained and expiring on the first to occur of the following:</p> <ul style="list-style-type: none"> the date which is 12 months after the date of the annual general meeting at which approval is obtained; and the date of the approval by holders of the Company's ordinary securities of a transaction under ASX Listing Rules 11.1.2 or 11.2. <p>The approval under ASX Listing Rule 7.1A will cease to be valid if holders of the Company's ordinary securities approve a transaction under ASX Listing Rules 11.1.2 or 11.2.</p>

<p>Details of CCG's allocation policy for issues under approval</p>	<p>The Company's allocation policy is dependent on the prevailing market conditions at the time of any proposed issue pursuant to ASX Listing Rule 7.1A. The identity of the allottees will be determined on a case-by-case basis having regard to factors including but not limited to the following:</p> <ul style="list-style-type: none"> the prevailing market conditions at the time of the issue; the purpose of the issue; the ability of the Company to raise funds at the time of the proposed issue and whether the raising of any funds under such placement could be carried out by alternative means such as an entitlement offer, a placement and another offer where existing Shareholders may participate; the dilutionary effect of the proposed issue of the securities on existing Shareholders at the time of the proposed issue; the effect of the issue on the control of the Company; the circumstances of the Company, including, but not limited to the financial situation and solvency of the Company; and advice from its professional advisers, including corporate, financial and broking advisers (if applicable). <p>The allottees under the ASX Listing Rule 7.1A facility have not been determined as at the date of this Notice of Meeting but may existing substantial shareholders and new shareholders who are not related parties or associates of a related party of the Company. Further, if the Company is successful in acquiring new assets, subsidiaries or investments, it is likely that the allottees under the ASX Listing Rule 7.1A facility will be or include the vendors of the new assets or investments.</p>
<p>Previous approvals under ASX Listing Rule 7.1A</p>	<p>The Company has previously requested approval from Shareholders under ASX Listing Rule 7.1A at the Annual General Meeting held on 12 November 2019</p>
<p>Equity Securities on issue as at 9 October 2020</p>	<p>191,392,259 Shares</p>

The table below shows the dilution of existing Shareholders based on the current market price of Shares and the current number of ordinary securities for variable "A" calculated under the formula in ASX Listing Rule 7.1A (2) as at the date of this Notice of Meeting.

The table shows two examples where variable "A" has increased, by 50% and 100%. Variable "A" is based on the number of ordinary securities the Company has on issue. The number of ordinary securities on issue may increase as a result of issues of ordinary securities that do not require shareholder approval (for example, a pro rata entitlement issue or scrip issued under a takeover offer) or future specific placements under ASX Listing Rule 7.1 that are approved at a future meeting of shareholders.

The table also shows two examples where the issue price of ordinary securities has decreased by 50% and increased by 100% as against the current market (issue) price.

Dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Issue Price		
			\$0.05	\$0.10	\$0.15
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current Shares	191,392,259	19,139,226	\$956,961	\$1,913,923	\$2,870,884
50% increase in Shares	287,088,389	28,708,839	\$1,435,442	\$2,870,884	\$4,306,326
100% increase in Shares	382,784,518	38,278,452	\$1,913,923	\$3,827,845	\$5,741,768

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 191,392,259 Shares on issue.
2. The issue price set out above is the closing market price of the Shares on the ASX on 9 October 2020.
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.
4. The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
5. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
6. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
7. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
8. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
9. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- a) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- b) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Board Recommendation

Resolution 5 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

The Board unanimously recommends that Shareholders vote in favour of Resolution 5.

Resolution 6: Change of company name

Section 157(1)(a) of the Corporations Act provides that a company may change its name if the company passes a special resolution adopting a new name.

Resolution 6 seeks the approval of Shareholders for the Company to change its name to **Comms Group Limited**.

Resolution 6 is a special resolution and therefore requires approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative).

The Board proposes the current change of name to Comms Group Limited on the basis that the change of name to Comms Group Limited reflects many operating parts of the business and better represents the overall business as it looks to expand into other segments of the Telecommunications industry both domestically and overseas.

The Company's ASX code is not changing from "CCG".

The proposed name has been reserved by the Company with ASIC. If Resolution 6 is passed the change of name will take effect when ASIC and subsequently ASX alter the details of the Company's registration.

The Board recommends that Shareholders vote in favour of Resolution 6.
