The first 5-days revenues reported implied a daily revenue run-rate of approximately A\$18,400 per day, while the second 5-days revenues reported now has grown to approximately A\$34,600 per day, in daily revenue run-rate.

The management of iCandy is of the opinion that the strong revenue growth trend of Masketeers will contribute significantly to iCandy's overall revenue in the current financial year ending 31 December 2020. iCandy recorded a total revenue of over A\$2.2million in its last audited financial year ended 31 December 2019.

Driving further growth in the US market

iCandy has started digital marketing and collaboration with online influencers to drive digital marketing for the North American market.

The Game has recently been featured as one of the new games to try in Apple Appstore and Google Play.

Masketeers and all its related intellectual properties are owned 100% by iCandy. The game is currently launched in over 70 countries.

This announcement has been authorized by the Board of Directors of iCandy.
