Notification of Cyber Security Incident

Isentia Group Limited (ASX: ISD) today advises that it is urgently investigating a cyber security incident which is disrupting services within its SaaS platform Mediaportal.

Isentia is working closely with leading external cyber security specialists to assess the extent of the incident and the impact on its systems. The Company has also notified the Australian Cyber Security Centre.

Isentia's CEO Ed Harrison said: "Isentia is taking urgent steps to contain the incident and conduct a full investigation into what happened and how to avoid a repeat occurrence in the future. Our priority is to restore full service as soon as possible but until that occurs, we have put processes in place to support our customers."
