Acquisition proposal received and drawdown of Catcha facility

iCar Asia Limited ("**iCar**" or the "**Company**"), owner of ASEAN's number 1 network of automotive portals, today announces that, following a period of engagement, it has received a non-binding proposal from Autohome Inc. ("**Autohome**") to acquire 100% of the shares of iCar for A\$0.50 cash per share by way of a scheme of arrangement ("**Proposal**").

Autohome is a leading online destination for automobile consumers in China, listed on the NYSE with market capitalisation of US\$11.5bn.

The Proposal is subject to a number of conditions including negotiation and signing of transaction documentation, FIRB approval and iCar shareholder and Court approval. iCar will continue to keep the market informed of any material developments in accordance with its continuous disclosure obligations. There is no certainty that the Proposal will result in a transaction being agreed and put forward to iCar shareholders for consideration and shareholders do not need to take any action in relation to the Proposal at this time.

iCar today also announces that it has made the first drawdown of A\$1,000,000 on the A\$5,000,000 loan facility agreement between iCar Asia Pte Limited (a wholly owned subsidiary of the Company) and Catcha Group Pte Ltd ("**Catcha**") ("**the Facility**"). In reaching its decision to draw down the Facility, an Independent Board Committee of iCar (comprising iCar directors who are not affiliated with Catcha) had regard to the cash available to iCar under the Facility, the liquidity needs of the business in the near term, the status of the discussions with Autohome in regards to the Proposal and the alternative sources of capital available to the Company while such discussions remained ongoing. The funds will be used to continue the growth and development of the business. Catcha has waived all rights to receive or accrue any interest in respect of the Facility.

In accordance with the terms of the Facility agreement dated 15 November 2017, iCar has issued 7,555,553 options to Catcha, with an exercise price of A\$0.20, upon drawing down on the Facility.

iCar has retained Goldman Sachs as financial adviser and Herbert Smith Freehills as legal adviser to assist it in responding to the Proposal.

This announcement has been approved by the Board of iCar.
