LOVISA HOLDINGS LIMITED (LOV) EUROPEAN STORE TRADING UPDATE

As a result of announcements by the UK and French governments of further lockdowns in response to the increasing COVID-19 cases in both countries, our European stores will be subject to temporary closures:

- All 24 Lovisa stores in France have temporarily closed effective from 30th October 2020 until these restrictions are lifted and stores are permitted to re-open. Based on current government guidance these restrictions are expected to remain in place until at least 1st December 2020.
- The UK government has announced its intention to enter a new lockdown phase from midnight on 5th November 2020 until at least 2nd December 2020. As a result, 40 of our stores in the UK will also be temporarily closed for this period, with 2 stores in Scotland remaining open at the current time.

Further to our previous update in relation to the expected re-opening of our metropolitan Melbourne stores following the lifting of government restrictions, we are pleased to advise that all our metropolitan Melbourne stores have now re-opened and are back serving our customers.
