

ASX Release 6 November 2020

Completion of OneVue acquisition

On 1 June 2020, Iress (IRE.ASX) announced it had entered into a Scheme Implementation Agreement with OneVue Holdings Limited (OneVue) under which Iress would acquire 100% of the outstanding shares of OneVue (the Scheme).

Iress is pleased to announce that the Scheme has been successfully implemented today.

Iress chief executive, Andrew Walsh, said: "A combined Iress and OneVue will bring advice and investments closer together, leveraging combined strengths in the administration of managed funds, superannuation and investment, along with our position in technology and data.

"I warmly welcome the people and clients of OneVue to Iress. I thank the OneVue Board, management and people of OneVue, for their continued focus during the acquisition process. I am pleased the founder and chief executive of OneVue, Connie McKeage, is joining Iress as a strategic consultant as part of the plans in place for a smooth transition."
