The Company recommenced trading on the ASX on 7 August 2020. The September 2020 quarter is included in the period covered by a Use of Funds statement that was included in the Company's replacement prospectus dated 25 June 2020.

A comparison of the Company's actual expenditure for the September 2020 quarter against the expenditure disclosed in the Use of Funds statement is detailed in the table on the following page. Notes to the major variances are detailed below.

1. The audited opening cash balance at 1 July 2020 of the Company pre-readmission to the ASX was less than the balance used in the replacement prospectus which was based on an audit reviewed balance at 31 December 2019.
