# Tinybeans Achieves Record Performance in October

**Tinybeans Group Limited (ASX: TNY)** ("Tinybeans" or "the Company"), the technology platform that connects parents with the most trusted tools and resources on the planet to help every family thrive, is pleased to announce Q2 has started very positively with multiple record-setting results.

### Highlights:

- **Tinybeans' Red Tricycle web site ([www.redtri.com](http://www.redtri.com)) achieved multiple site records including:**
  - **3.1MM monthly active users (+7% vs. previous record Dec '19);**
  - **22MM monthly pageviews (+19% vs. previous record May '20); and**
  - **2.5MM organic search sessions (+27% vs. previous record April '20)**
- **The Company signed new business of over \$500k in contracts in October with key new brands including Apple TV+, Netflix, Hasbro, RB Health's Delsym brand and Walmart+ (2<sup>nd</sup> campaign). These signed contracts will have an immediate benefit to revenues.**
- **The increases in both traffic and revenue demonstrate the increased value of the platform as a brand-safe environment in the current cultural climate of family togetherness.**

Tinybeans CEO, Eddie Geller on these results:

*"After a successful Q1-FY21, we are delighted to see the momentum carry into Q2 with our strongest performance ever both from a platform engagement and new brand win perspective. We are confident that as more users and partners experience the platform, this will pave the way for what we anticipate to be a second consecutive strong quarter of growth."*

This announcement was approved for release by the CEO.
