MONADELPHOUS CONTRACTS UPDATE

Engineering company Monadelphous Group Limited (ASX: MND) ("Monadelphous" or "the Company") today announced it has secured new construction and maintenance contracts with both Rio Tinto and BHP in the resources sector, with a combined value of approximately \$60 million.

The Company has been awarded three three-year master services contracts with Rio Tinto for the delivery of sustaining capital projects across various mine sites and port operations throughout the Pilbara region in Western Australia. The work includes structural, mechanical and piping, electrical, instrumentation and controls, and non-process infrastructure projects.

Monadelphous has also secured a three-year contract with Rio Tinto, with a two-year extension option, to provide mechanical, electrical and access maintenance services for fixed plant shutdowns at Rio's Gove operations in the Northern Territory.

In addition, Monadelphous has secured a 12-month extension to its existing mechanical and electrical maintenance, shutdown and project services contract across BHP's Western Australian nickel operations.
