RECOMMENDED TAKEOVER OFFER

24 November 2020

TRANSACTION STRATEGIC RATIONALE

- NRW has announced a conditional off-market takeover offer to acquire 100% of Primero Group Limited (ASX:PGX) for an implied equity value of ~\$100M¹.
- Primero is a multi-disciplinary engineering group specialising in the design, construction and operation of resource projects.
- Acquisition of Primero will, if completed, represent another significant milestone and deliver a value accretive step change in scale and diversity for NRW's Mining Technologies business pillar.
- Experienced Primero management team to remain with the business under NRW ownership.
- Primero's business and its competencies are complementary to NRW's compelling strategic delivery platform.
- **Broader client service offering** — Primero is a vertically integrated engineering group that specialise in the design, construction and operation of resource projects.
- **Continuity of service to clients across the lifecycle of projects** — NRW's renamed Minerals, Energy & Technologies division to offer clients continuity of services across the whole lifecycle of resource projects – from early planning, design, development, construction to operations and maintenance.
- **Broadened market diversification** — Primero supports an expanded service offering to a high-profile client base with a long track record of contract renewal and extension.
- Primero's FY21 announced contracted order book ~A\$285M – holds preferred EPC contractor status across multiple projects totalling ~A\$900M (including Strandline Resources and Piedmont).
- Partial scrip consideration maintains NRW's flexibility in relation to capital management initiatives and ensures sufficient capacity retained to pursue further growth options.

1. Based on NRW closing share price of \$2.59 on 23 November 2020 and Primero on a fully diluted basis. The implied value of the Offer will change with fluctuations in the NRW share price.
