# ASX Release

## Appointment of Financial Advisor

Minotaur Exploration Limited (ASX: MEP) (**Minotaur** or the **Company**) is pleased to announce appointment of Argonaut as financial advisor to identify and help execute opportunities to maximise Company value, particularly from its share of the high-value Great White Kaolin project and Minotaur's highly prospective copper and gold portfolio.

Argonaut is a leading specialist natural resources financial advisor with offices in Perth and Hong Kong and significant experience in corporate advisory and capital markets.

Commenting on the appointment of Argonaut, Minotaur's Managing Director, Andrew Woskett;

*"I look forward to working closely with Argonaut as we continue to advance and grow our attractive portfolio of assets including the world class Great White Kaolin Project. Argonaut's long term relationship with Minotaur, depth of experience and proven capability to deliver innovative value adding financing and advisory outcomes for clients will realise shareholder value for Minotaur."*
