EXPLANATORY STATEMENT

This Explanatory Statement is intended to provide Shareholders with sufficient information to assess the merits of the Resolutions contained in this Notice.

The Directors recommend that Shareholders read this Explanatory Statement in full before making any decision in relation to the Resolutions.

Resolution 1: Adoption of remuneration report

In accordance with Section 300A(1) of the Corporations Act the Remuneration Report is included in the Directors Report for the financial year ended 30 June 2020.

The Remuneration Report sets out details of the remuneration received by the directors and key Company executives, in addition to describing Board policy in respect of remuneration. Resolution 1 seeks shareholder approval of the adoption of the Remuneration Report by the Company.

The outcome of this resolution is not binding on the Company or the Board. However, sections 250U to 250Y of Corporations Act set out a 'two strikes and re-election' process in relation to the shareholder vote on the Remuneration Report provide that:

- A 'first strike' will occur if this Remuneration Report resolution receives a 'no' vote of 25% or more. If this occurs, the Company's subsequent remuneration report will contain an explanation of the Board's proposed action in response to the 'no' vote or an explanation of why no action has been taken by the Board.
- A 'second strike' will occur if the resolution to adopt the Remuneration Report at the following Company Annual General Meeting also receives a 'no' vote of 25% or more. If this occurs, shareholders will vote at that Annual General Meeting to determine whether the Directors will need to stand for re-election at a separate, subsequent meeting (the 'spill resolution'). If the spill resolution passes with 50% or more of eligible votes cast, the spill meeting must take place within 90 days.

The Company did not receive a first strike at its 2019 Annual General Meeting. The Board believes the Remuneration of the Company's key management personnel (KMP) is appropriate and in line with market rates for a listed company of its size and scale of operations.

The Remuneration Report is set out in the Company's 2020 Annual Report. The 2020 Annual Report can be viewed online at the Company's website, www.cirralto.com.au, and the ASX website, www.asx.com.au (ASX Code: CRO).

Resolution 2: Re-election of Peter Richards as a Director

ASX Listing Rule 14.4 provides that, other than a managing director, a director of an entity must not hold office (without re-election) past the third annual general meeting following the director's appointment or 3 years, whichever is the longer.

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting. Clause 10.2 of the Constitution states that there must be an election of Directors at each annual general meeting of the Company and that this can be satisfied by any Director who is retiring at the end of the annual general meeting due to the tenure limitations, standing for re-election.

For personal use only

Peter Richards, has served as a Director since 13 December 2017 and was elected by shareholders on 24 April 2018. In accordance with ASX Listing Rule 14.4 and clause 10.2 of the Constitution, Peter Richards retires at the close of this Annual General Meeting and offers himself for re-election as a Director.

Details of Mr. Richards' qualifications, experience and special responsibilities are set out in the Company's 2020 Annual Report.

The Board (excluding Peter Richards) supports the re-election of Mr Richards and recommends that Shareholders vote in favour of Resolution 2.

Resolution 3 – Ratification of Prior Issue of Shares to Canary Capital Pty Ltd under Listing Rule 7.1

On 18 August 2020, the Company issued 2,250,000 Shares in part consideration for corporate advisory services provided to the Company. The 2,250,000 Shares were issued without the prior approval of Shareholders and in accordance with Listing Rule 7.1.

Resolution 3 seeks Shareholder approval to ratify the issue of 2,250,000 Shares for the purposes of Listing Rule 7.4 and all other purposes.

ASX Listing Rules 7.1 and 7.4

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of 2,250,000 Shares referred to in Resolution 3 does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further Equity Securities without shareholder approval under Listing Rule 7.1 for the 12 month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to ratify an issue of Equity Securities after it has been made or agreed to be made (and pursuant to Listing Rule 7.1 (and provided that the previous issues did not breach Listing Rule 7.1). If they do, the issue is taken to have been approved under Listing Rule 7.1 and consequently, does not reduce the company's capacity to issue further Equity Securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issue under Listing Rule 7.1. To this end, Resolution 3 seeks Shareholder approval to ratify, pursuant to Listing Rule 7.4, the previous issue of 2,250,000 Shares on 18 August 2020.

Technical information required by Listing Rule 14.1A

If Resolution 3 is passed, the 2,250,000 Shares issued on 18 August 2020 will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of Equity Securities it can issue without Shareholder approval under that rule over the 12 month period following the issue date.

In the event that Shareholders do not approve Resolution 3, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of Equity Securities it can issue without Shareholder approval under that rule over the 12 month period following the issue date.

Listing Rule 7.4 allows the shareholders of a listed company to ratify an issue of Equity Securities after it has been made or agreed to be made (and pursuant to Listing Rule 7.1 (and provided that the previous issues did not breach Listing Rule 7.1). To this end Resolution 4 seeks Shareholder approval to ratify, pursuant to Listing Rule 7.4, the previous issue of 17,600,000 Shares on 18 August 2020.

Listing Rule 7.1A provides that an eligible entity may seek shareholder approval at its annual general meeting to allow it to issue Equity Security comprising up to 10% of its issued capital. The Company obtained this approval at its annual general meeting held on 27 November 2019.

The issue of 93,540,000 Shares referred to in Resolution 6 does not fit within any of these exceptions and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the aggregate 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further Equity Securities without shareholder approval under Listing Rules 7.1 and 7.1A for the 12 month period following the issue date.

If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further Equity Securities under Listing Rule 7.1 or 7.1A (as applicable) without shareholder approval.

The Company wishes to retain as much flexibility as possible to issue additional Equity Securities into the future without having to obtain shareholder approval for such issued under Listing Rule 7.1 or 7.1A (as applicable). To this end, Resolution 6 seeks Shareholder approval to ratify, pursuant to Listing Rule 7.4, the previous issue of 93,540,000 Shares.

If Resolution 6 is passed, the 93,540,000 Shares issued on 27 November 2020 will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the

number of Equity Securities it can issue without Shareholder approval over the 12 month period following the issue date.

In the event that Shareholders do not approve Resolution 6, the 93,540,000 Shares issued on 27 November 2020 will continue to be included in the Company's 10% limit under Listing Rule 7.1A, effectively decreasing the number of Equity Securities the Company can issue or agree to issue without obtaining prior Shareholder approval, to the extent of 93,540,000, Equity Securities until the expiry of the Listing Rule 7.1A mandate.

It is noted that the Company's ability to utilize the additional 10% capacity provided for in Listing Rule 7.1A for issues of Equity Securities following this Meeting remains conditions on Resolution 17 being passed at this Meeting.

ASX Listing Rule 10.11 also requires shareholder approval to be obtained where an entity issues, or agrees to issue, securities to a related party, or a person whose relationship with the entity or a related party is, in ASX's opinion, such that approval should be obtained unless an exception in ASX Listing Rule 10.12 applies.

Resolution 16 – Approval of additional capacity to issue Shares under ASX Listing Rule 7.1A

General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (subject to some limitations described below).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 16 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval (**10% Placement Capacity**). By this resolution the Company is seeking shareholder approval to increase its capacity to issue shares under Listing Rule 7.1A. There is no guarantee that the Company will issue any shares under its 10% Placement Capacity.

If Resolution 16 is passed, the Company will be able to issue Equity Securities up to the 15% limit under Listing Rule 7.1 plus an additional 10% under Listing Rule 7.1A, both without any further Shareholder approval.

If Resolution 16 is not passed, the Company will not be able to access the 10% Placement Capacity and will remain subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

For personal use only

Any Equity Securities issued under the 10% Placement Capacity must be in the same class as an existing class of quoted Equity Securities, must be only for cash consideration and is subject to the below described minimum price restriction (where the 15% limitation under Listing Rule 7.1 is not subject to this cash only limitation or price restriction). The Company currently has two class of quoted Equity Security on issue, being Shares (ASX Code: CRO) and Listed Options (ASX Code: CROO).

The exact number of Equity Securities that the Company may issue under an approval under ASX Listing Rule 7.1A will be calculated according to the following formula:

$(A \times D) - E$

Where:

A is the number of fully paid ordinary securities on issue at the commencement of the relevant period:

- I. plus the number of fully paid ordinary securities issued in the relevant period under an exception in ASX Listing Rule 7.2 other than exception 9, 16 or 17;
- II. plus the number of fully paid ordinary securities issued in the relevant period on the conversion of convertible securities within rule 7.2 exception 9 where:
 - a. the convertible securities were issued or agreed to be issued before the commencement of the relevant period; or
 - b. the issue of, or agreement to issue, the convertible securities was approved, or taken under the ASX Listing Rules to have been approved, under rule 7.1 or rule 7.4,
- III. plus the number of fully paid ordinary securities issued in the relevant period under an agreement to issue securities within rule 7.2 exception 16 where:

Information required by ASX Listing Rule 7.3A

In accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 16:

For personal use only

Minimum Price

Pursuant to ASX Listing Rule 7.1A.3, the minimum price at which the Equity Securities may be issued under the 10% Placement Capacity is 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 ASX trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the Company and the recipient of the securities; or
- (ii) if the Equity Securities are not issued within 10 ASX trading days of the date in paragraph (i), the date on which the Equity Securities are issued.

Purposes of Issue under 10% Placement Capacity

The Company may only issue Equity Securities under the 10% Placement Capacity for cash consideration. In general terms, the Company could issue equity securities under its Additional Placement Capacity to raise cash for product research and development and general working capital and administration.

Applicable Period for the Approval

The Equity Securities may be issued under the 10% Placement Capacity commencing on the date of the annual general meeting at which the approval is obtained and expiring on the first to occur of the following:

- (i) The date that is 12 months after the date of the annual general meeting at which the approval is obtained.
- (ii) The time and date of the entity's next annual general meeting.
- (iii) the time and date of approval by Shareholders of any transaction under ASX Listing Rule 11.1.2 (a significant change to the nature or scale of the Company's activities) or ASX Listing Rule 11.2 (disposal of the Company's main undertaking) after which date an approval under ASX Listing Rule 7.1A ceases to be valid.

Risk of voting dilution

Any issue of Equity Securities under the 10% Placement Capacity will dilute the interests of Shareholders who do not receive any Equity Securities under any 10% Placement Capacity issue.

The table below shows, by way of example, the dilution of existing Shareholders calculated in accordance with the formula outlined in ASX Listing Rule 7.1A.2 if Resolution 16 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 10% Placement Capacity, on the basis of the current market price of Shares and the current number of Equity Securities on issue as at the date of this Notice.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 10% Placement Capacity.

For personal use only

Table 1

Variable 'A' in Listing Rule 7.1A.2		Dilution		
		\$0.015 50% decrease in Issue Price	\$0.03 Issue Price	\$0.06 100% increase in Issue Price
Variable A - 1,696,393,588 Shares	10% Voting Dilution	169,639,359 Shares	169,639,359 Shares	169,639,359 Shares
	Funds Raised	\$ 2,544,590	\$5,089,181	\$10,178,362
50% increase in Variable A - 2,544,590,382 Shares	10% Voting Dilution	254,459,038 Shares	254,459,038 Shares	254,459,038 Shares
	Funds Raised	\$3,816,886	\$7,633,771	\$15,267,542
100% increase in Variable A 3,392,787,176 Shares	10% Voting Dilution	339,278,718 Shares	339,278,718 Shares	339,278,718 Shares
	Funds Raised	\$5,089,181	\$10,178,362	\$ 20,356,723

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer), or that are issued with Shareholder approval under ASX Listing Rule 7.1.

The table above uses the following assumptions:

- (i) There are currently 1,696,393,588 Shares on issue at the date of preparing this Notice.
- (ii) The issue price set out above is the most recent closing price of the Shares on the ASX as at 4 December 2020.
- (iii) The Company issues the maximum possible number of Equity Securities under the 10% Placement Capacity.
- (iv) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1.
- (v) The issue of Equity Securities under the 10% Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. There are currently 644,149,578 Options on issue.
- (vi) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
- (vii) This table does not set out any dilution pursuant to approvals under ASX Listing Rule 7.1.
- (viii) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (ix) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

Risk of economic and voting dilution

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of approval of this Resolution; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Allocation policy under the 10% Placement Capacity

The Company's allocation policy for the issue of Equity Securities under the 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s).

The recipients of the Equity Securities which may be issued under the 10% Placement Capacity have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 10% Placement Capacity, having regard to the following factors:

- I. the purpose of the issue;
- II. alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
- III. the effect of the issue of the Equity Securities on the control of the Company;
- IV. the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- V. prevailing market conditions; and
- VI. advice from corporate, financial and broking advisers (if applicable).

Previous approval under ASX Listing Rule 7.1A

As at the date of this Notice, in the 12 months preceding the date of the Meeting, the Company has issued 159,565,750 Equity Securities under Listing Rule 7.1A representing 10% of Equity Securities on issue on the date being 12 months prior to the date of this Meeting.

The information below is provided in accordance with ASX Listing Rule 7.3A.6 (b) and details Equity Securities issued by the Company under Listing Rule 7.1A in the 12 months prior to the Meeting.

Table 2 below, details Shares (and total Equity Securities) issued by the Company under Listing Rule 7.1A in the 12 months prior to the proposed date of the Meeting. As at the date of the Notice, the Company has raised approximately \$3,268,380 from the issue of Shares in the 12 months prior to the date of the Meeting. All of the funds raised have been used for general working capital purposes, for due diligence work relating to the acquisition of Appstablishment Software Group Pty Ltd, to support the capital requirements of the Company's growth with various payment providers, to fund potential acquisition opportunities that complement the Company's intellectual property assets and to Expand the Marketing program to accelerate growth.

Resolution 17 – Amendment to terms and conditions of Options issued to Canary Capital Pty Ltd

On 28 July 2020, the Company issued 32,900,000 Options to Canary Capital Pty Ltd (**Advisor Options**) and its nominees following Shareholder approval at its general meeting held on 24 July 2020 (**General Meeting**). The Advisor Options were issued on the terms and conditions set out in Annexure A of the notice of meeting for the General Meeting (release to ASX on 23 June 2020).

The Board has agreed with Canary Capital Pty Ltd, subject to Shareholder approval, to amend the terms of the Advisor Options by deleting paragraph (d), which states *“The Company will not apply for official quotation by ASX of the Options.”*

The effect of the proposed amendment to the terms and conditions of the Advisor Options will be that the Company will be able to apply to ASX for official quotation of the Advisor Options (subject to satisfying the quotation conditions of the ASX Listing Rules).

ASX Listing Rule 6.23.4

Listing Rule 6.23.3 provides a change which is not prohibited under Listing Rule 6.23.3 can only be made if holders of ordinary securities approved the change. Accordingly, the Company is seeking Shareholder approval to allow the terms and conditions of the Advisor Options to be amended to permit the Company to apply official quotation of the Advisor Options (subject to satisfying the quotation conditions of the ASX Listing Rules).

This Resolution does not seek approval for a change in vesting conditions, exercise period, the exercise price or the expiry date of the Advisor Options.

Technical information required by ASX Listing Rule 14.1A

If Resolution 17 is passed, the terms and conditions of the Advisor Options will be amended as set out above and the Company will be permitted to seek official quotation of the Advisor Options on ASX (subject to satisfying the quotation conditions of the ASX Listing Rules).

If Resolution 17 is not passed, the terms and conditions will not be amended and the Company will not be permitted to seek official quotation of the Advisor Options on ASX, and the Advisor Options will remain on issue as unlisted Options.

Resolution 18 – Amendment to Constitution

General

Resolution 18 is a special resolution proposing amendments to the Constitution in the manner set out below. Under section 136(2) of the Corporations Act, a company may modify or repeal its constitution or a provision of its constitution by special resolution of Shareholders. Accordingly, at least 75% of votes cast by Shareholders present and eligible to vote at the Meeting must be in favour of Resolution 18 for it to be passed.

Reason for the proposed amendments

On 1 December 2019, ASX implemented a number of rule changes to make aspects of the listing process and ongoing compliance with the listing rules more efficient for issuers and for ASX.

These changes included the introduction of a two-tier escrow regime where ASX can (and will) require certain more significant holders of restricted securities and their controllers to execute a formal escrow agreement in the form of Appendix 9A, as is currently the case. However, for less significant holdings, ASX will instead permit entities to rely on a provision in their constitution imposing appropriate escrow restrictions on the holder of restricted securities and to simply give a notice to the holder of restricted securities in the form of a new Appendix 9C advising them of those restrictions.

As a result of the above changes, a company now cannot have any restricted securities on issue unless the constitution includes the wording required in accordance with ASX Listing Rule 15.12, as set out below. Accordingly, the Company is seeking Shareholder approval to amend the Constitution to meet the requirements of ASX Listing Rule 15.12.

Proposed amendments to the Constitution

It is proposed that a new clause 21 be inserted into the Constitution to read as follows:

21 *Restricted Securities*

While the Company is on the official list of ASX, the Company must recognise and comply with the Listing Rules with respect to Restricted Securities. Without limiting the generality of the above:

- (a) a holder of Restricted Securities must not Dispose of, or agree or offer to Dispose of, the securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX;*
- (b) if the Restricted Securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the Restricted Securities are to be kept on the Company's issuer sponsored subregister and are to have a Holding Lock applied for the duration of the escrow period applicable to those securities;*
- (c) the Company will refuse to acknowledge any Disposal (including, without limitation, to register any transfer) of Restricted Securities during the escrow period applicable to those securities except as permitted by the Listing Rules or the ASX;*

For personal use only

- (d) a holder of Restricted Securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those securities except as permitted by the Listing Rules or ASX; and*
- (e) if a holder of Restricted Securities breaches a restriction deed or a provision of this Constitution restricting a Disposal of those securities, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues.*

*For this purposes of this clause 21, **Holding Lock and Dispose** has the meaning given to it in the Listing Rules and **Disposal** has the corresponding meaning.*

A copy of the Company's Constitution which incorporates the new provisions is available for review by Shareholders at the registered office of the Company. A copy of the Constitution can also be sent to Shareholders upon request by contacting the Company. Shareholders are invited to contact the Company if they have any queries or concerns.

If this Resolution is passed, the Constitution will be amended in the manner set out above, and the Company will have the ability to issue restricted securities in compliance with the ASX Listing Rules. If Resolution 18 is not passed, the Constitution will not be amended, and the Company will not be able to issue restricted securities until such time as Shareholders approve such amendments to the Constitution.

The Board recommends that Shareholders vote in favour of Resolution 18. The Chair of the meeting intends to vote undirected proxies in favour of Resolution 18.
