Genex Power Limited (ASX: **GNX**, **Genex** or **Company**) advises that it is lodging herewith a Notice of Extraordinary General Meeting (**EGM**) to be held on 5 February 2020, containing one resolution only for the purposes of refreshing the shareholder approval obtained at the EGM on 18 September 2020, for the issuance of shares to J-Power under the Share Subscription Agreement (**SSA**) (*refer ASX announcement of 3 August 2020*).

As noted in the Company's announcement of 22 December 2020, the shareholder approval to issue shares to J-POWER under the SSA expired on 18 December 2020. As at the time of lodging this announcement and EGM Notice, the waiver has not yet been considered by the ASX. If the waiver is granted then the resolution will be withdrawn, the EGM will not proceed and the Company will be able to rely on the approval obtained on 18 September 2020.

Specifically, the Explanatory Memorandum contains information that is intended to help Shareholders understand the background to, and the legal and other implications of, the Notice and the reasons for the Resolution. The Notice and Explanatory Memorandum should be read in their entirety and in conjunction with each other.

ORDINARY RESOLUTION

Resolution 1:

Issue of Shares to Electric Power Development Co., Ltd (trading as J-POWER):

“That, for the purposes of Listing Rule 7.1 and for all other purposes, approval is given for the Company to issue and allot up to 127,796,586 Shares to Electric Power Development Co., Ltd, or its nominee, on the terms and conditions set out in the Explanatory Memorandum accompanying this Notice of Meeting.”

Background:

As announced to the market through ASX on 3 August 2020, the Company entered into a conditional subscription agreement with Electric Power Development Co., Ltd trading as J-POWER (**Subscription Agreement**).

The Subscription Agreement provides for an investment by J-POWER of up to A\$25 million by way of a subscription for Shares in Genex, with the proceeds to be principally applied towards the Company’s equity funding component for the construction of the KPSH. It was a condition of the Subscription Agreement that Genex achieve financial close on the KPSH prior to 31 December 2020 however this provision has now been extended to provide for Genex achieving financial close on the KPSH by 28 February 2021.

The key terms of the Subscription Agreement are as follows:

1. **Maximum size of investment:** Subject to the satisfaction of a number of conditions which are outlined below (**Conditions**), J-POWER will make a capital investment of up to a maximum of A\$25 million in Genex (**Maximum Investment Amount**) in consideration for being issued with a maximum interest of 19.99% of Genex’s enlarged Share capital on Completion.
2. **Price per Share:** J-POWER will subscribe for the Shares under the Subscription Agreement at a price per Share that will be the higher of the 5-day volume weighted average price (**VWAP**) of Genex Shares for the five trading day period immediately:
 - a) preceding the date, prior to the date on which the Conditions are satisfied or waived; and
 - b) following the date, after the date on which the Conditions are satisfied or waived,

(the **Relevant VWAP**).

The price per Share payable by J-POWER is subject to:

- a) a subscription price cap, which means that J-POWER will be issued with a minimum of 15.00% of Genex's enlarged share capital in circumstances where Genex's Share price increases such that the A\$25 million investment by J-POWER would otherwise result in J-POWER being issued with less than 15.00% of Genex's enlarged share capital (which is calculated as a minimum of \$0.22 per Share based on the capital structure outlined in the table below) (the **Subscription Price Cap**); and
- b) J-POWER being issued with a maximum of 19.99% of Genex's enlarged share capital.

For purposes of ASX Listing Rule 7.3.3, the price at which the Shares will be issued to J-POWER will be either:

- (i) The higher of the 5-day VWAP preceding satisfaction of the conditions precedent under the Subscription Agreement or the 5-day VWAP following satisfaction of the conditions precedent under the Subscription Agreement; or
- (ii) the Subscription Price Cap.

whichever is the lesser between (i) and (ii).

The table below provides worked examples of J-POWER'S percentage shareholding in Genex following completion of its investment under the Subscription Agreement based on a range of hypothetical VWAPs. The table is based on there being a total of 511,505,999 Shares on issue at the time of J-POWER'S subscription.

On the basis of this capital structure, the Subscription Price Cap would be calculated as \$0.22 per Share.

3. **Nominee Director:** J-POWER will have the right to appoint a nominee Director to the Board of Genex for so long as J-POWER and its related bodies corporate hold in aggregate at least 10% or more of the Shares. Any Director nominated by J-POWER must have the appropriate commercial and professional experience to fulfil the role of Director.
4. **Conditions:** As noted above, the Subscription Agreement is subject to several Conditions that remain outstanding, including:
- Genex obtaining approval for Resolution 1 at the EGM;
 - execution of a Facility Agreement (**Facility Agreement**) with Northern Australia Infrastructure Facility (**NAIF**) (further detailed below);
 - election of J-POWER's nominee Director to the Board of Genex (approval has already been obtained from shareholders for this);
 - J-POWER receiving approval of the Foreign Investment Review Board; and
 - Genex achieving financial close on the KPSH prior to 28 February 2021.

If the Conditions are not satisfied or waived by 28 February 2021, Genex or J-POWER may elect to terminate the Subscription Agreement, in which case J-POWER may not subscribe for, or be issued, Shares.

Information for Shareholders in accordance with Listing Rule 7.3 for Resolution 1

Pursuant to and in accordance with ASX Listing Rule 7.3 the following information is provided in relation to Resolution 1:

- Maximum number of securities to be issued: 127,796,586 Shares.
- Date by which securities will be issued: It is expected that the Shares will be issued in conjunction with financial close of the Company's KPSH but, in any event, no later than the date that is three months following the EGM, being 12 May 2021.
- Issue price of securities: The issue price of the Shares will be set in accordance with the formula provided for in the Subscription Agreement described above. The price at which the Shares will be issued to J-POWER will be either:
 - The higher of the 5-day VWAP preceding satisfaction of the conditions precedent under the Subscription Agreement or the 5-day VWAP following satisfaction of the conditions precedent under the Subscription Agreement; or
 - The Subscription Price Cap.

For personal use only

whichever is the lesser between (i) and (ii).

Worked examples of the number of shares to be issued pursuant to shareholder approval sought in Resolution 1 are included in the table earlier in this section. In simple terms, the number of Shares to be issued to J-POWER is calculated by dividing \$25 million by the determined issue price with the maximum number to be issued being 127,796,586. A number of hypothetical examples of this are as follows:

- if the issue price is determined to be \$0.30, then the full \$25m will be invested and the number of Shares to be issued would be 90.27m;
 - if the issue price is determined to be \$0.24, then the full \$25m will be invested and the number of Shares to be issued would be 104.17m; and
 - if the issue price is determined to be \$0.18, then the amount invested will be \$23m and the number of Shares to be issued would be the maximum of 127,796,586.
- (d) Allottee: Electric Power Development Co., Ltd (or its nominee, being a related body corporate).
- (e) Terms of securities: The Shares will be issued on the same terms and conditions as the Company's existing Shares.
- (f) Intended use of funds raised: The funds raised will be used towards Genex's equity funding component for the construction of the KPSH and towards working capital.
- (g) The Shares will be issued in one tranche in accordance with (b) above.
- (h) A voting exclusion statement has been included in this Notice.

Listing Rule 7.1 provides that, unless an exemption applies, a company must not, without prior approval of Shareholders, issue or agree to issue Equity Securities if the Equity Securities will in themselves or when aggregated with the Equity Securities issued by the Company during the previous 12 months, exceed 15% of the number of ordinary shares on issue at the commencement of the 12 month period.

The Company refreshed its 15% placement capacity under Listing Rule 7.1 at its 2020 AGM and also obtained shareholder approval for the full 10% additional placement capacity under Listing Rule 7.1A. As such, the Company can issue up to 25% of its shares on issue however, the shares pursuant to Resolution 1 are sought to be issued with shareholder approval as, to do so, would preserve the Company's placement capacity under Listing Rules 7.1 and 7.1A.

If Resolution 1 is passed, Genex will be able to issue the Shares to J-Power under the Subscription Agreement without using its placement capacity under Listing Rules 7.1 or 7.1A.

If Resolution 1 is not passed, Genex will still be able to proceed with the issue but will be required to use its placement capacity under Listing Rules 7.1 and 7.1A.

Shareholder approval was previously obtained in respect of Resolution 1 at the EGM held on 18 September 2020 however that approval has now lapsed as the three month period in which to issue the Shares approved thereunder has expired and the ASX has not, as at the time of printing this Notice, granted a waiver of Listing Rule 14.7 to allow that period to be extended. Accordingly, fresh approval is sought via Resolution 1 contained herein.

Recommendation

The Board unanimously recommends that the Shareholders vote in favour of Resolution 1.
