Theta Gold is investing up to \$2,100,000 in shares in Bullion Asset Management Services Pte Ltd ("BAM") by the issue of Theta Gold shares as consideration. Theta Gold shares are being issued at an issue price equal to the 30 days VWAP (volume weighted average price for trades done on the Australian Securities Exchange for the 30 traded days prior to the issue date of the shares). For purposes of this Appendix 3B (Part 7B), the number of shares to be issued have been calculated based on an assumed issue price of \$0.32 per share.

The investment in BAM comprise an initial subscription of \$700,000 worth of BAM shares to be settled on 29 January 2021. Following the initial subscription, Theta Gold has the option to subscribe for a further \$1,400,000 worth of BAM shares in two equal tranches (refer ASX announcement dated 20 January 2021). For purposes of this Appendix 3B (Part 7B and 7C), the number of shares to be issued have been calculated on the assumption that the company will exercise the option for both tranches (ie \$1,400,000). If the options are exercised, the Theta Gold shares will be issued in approximately 3 months time for the first tranche and in approximately 12 months time for the second tranche.
