

## ASX ANNOUNCEMENT

22 January 2021

### UNDERWRITING OF PROPOSED ENTITLEMENT ISSUE

**Cipherpoint Limited (ASX:CPT), Sydney, Australia 22 January 2021** - Further to yesterday's announcement regarding the proposed acquisition of Brace168 Pty Ltd (**Brace168**), Cipherpoint Limited [ASX:CPT] (**the Company**) is pleased to announce that it has entered into an Underwriting Agreement with Viriathus Capital Pty Ltd [AFSL:297950] (**Viriathus**) pursuant to which Viriathus will underwrite up to \$1.5 million of the forthcoming entitlement issue. Viriathus' underwriting commitment will be relieved by valid applications under the entitlement issue, such that if applications for \$1.5 million or more are received there will be no underwriting obligation.

The underwriting (\$1.5 million) in conjunction with the placement announced yesterday (\$1 million) will satisfy the minimum capital raising condition of \$2 million applicable for the acquisition of Brace168. An indicative timetable for the entitlement issue and transaction is set out below. It should be noted however that the Company intends to proceed with the entitlement issue regardless of the outcome of the shareholder meeting to be convened to approve the Brace168 acquisition.

The Underwriting Agreement contains terms which are typical of similar arrangements, including termination provisions arising on the occurrence of events such as: a fall in the S&P200 of greater than 10%; a material judgment being entered against the Company; changes or breaches of laws; and defined material adverse events. The Underwriting Agreement is conditional upon the underwriter obtaining sub-underwriting commitments by 25 January 2021. A full summary of the material terms of the Underwriting Agreement will be set out in the entitlement issue prospectus.
