Ansarada Group Limited (ASX: AND), a global information governance software provider, provides an update on its quarterly activities and cash flows for the three-month period to 31 December 2020 as well as momentum in the new quarter.

The merger of thedocyard Ltd and Ansarada NewCo Limited took place part way through the quarter, on 4 December 2020. As the merger is regarded as a reverse acquisition, the financial results, unless otherwise indicated, reflects Ansarada NewCo Limited from October 1 through December 3, and combined Group from December 4 through December 31.

"We are very pleased with our growth in the quarter, which is usually a seasonally quieter period," said Ansarada Group CEO, Sam Riley

"While COVID affected activity from March 2020, the business is rapidly recovering, with Group revenue up 17% QoQ and pro forma customer numbers pushing past 3,000. Our portfolio of SaaS information governance solutions is resonating strongly with customers in a global environment of M&A, equity and debt capital markets recovery, which is also driving monthly customer wins.

¹ Unaudited financial information

² Pro forma comprises the historical combination of the merged companies

“Supported by a strong cash, Ansarada is focused on pursuing our growth ambitions and cementing our position as the information governance platform that company boards, management teams and advisors rely on for managing critical outcomes and confident decision-making.”

Operational Performance

During the quarter, Ansarada Group continued to see a strong QoQ improvement in its key operational metrics, Revenue and Total Active Customers.

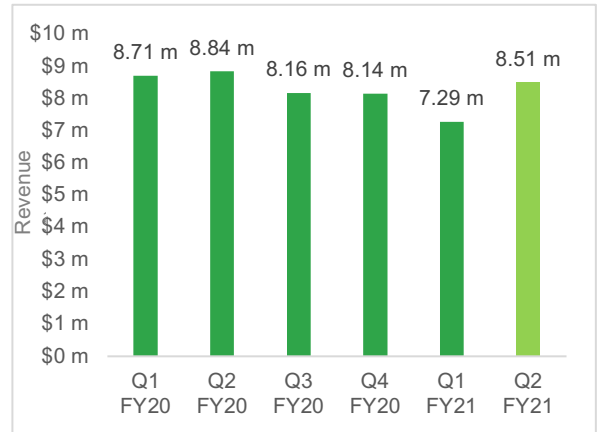

Total Pro forma Revenue grew 17% QoQ in Q2 FY21 to \$8.5 million, compared to \$7.3 million in Q1 FY21 (*Graph 1*). Revenue is rapidly approaching pre-COVID levels of \$8.8 million in Q2 FY20, as the Group’s portfolio of solutions resonates strongly with customers in a buoyant market.

New pro forma subscription/contract wins in Q2 were 732, compared to 682 in Q1 (up 7%), reflecting a strong recovery in the M&A market, despite the quarter typically being a seasonally quieter period. This includes a significant 3-year enterprise-wide contract with PwC UK for the delivery of its end-to-end deal management solution

Total Pro forma Active Customers grew 5% QoQ at 3,020 in Q2, up from 2,884 in Q1 (*Graph 2*) across a diverse range of industries and customer types including global corporates, public sector organisations and advisers.

Subscription customer numbers (including thedocyard and Ecommerce channel) reached 2,082 during the quarter, up from 1,972 at the end of Q1 (excluding thedocyard and ecommerce channel, subscription customers increased from 1,833 to 1,903) and reflecting the Group’s continued transition to subscription contracts and longer term contracts.
