

### Important notice

This presentation is given in January 2021 on behalf of Dubber Corporation Limited (ASX: DUB) (ACN: 089 145 424)

This document has been prepared by Dubber Corporation Limited (Dubber) for information purposes about Dubber and its subsidiary companies (Dubber Group). It has been prepared for use in conjunction with a presentation and should be read in that context.

The information contained in this document is not investment or financial product advice and is not intended to be used as the basis for making an investment decision. In preparing and providing this document, Dubber has not considered the objectives, financial position or needs of any particular recipient. Dubber strongly suggests that investors consult a financial advisor prior to making an investment decision.

Financial information contained in this document may include non-GAAP (generally accepted accounting principles) measures. Non-GAAP measures do not have a standardized meaning and should not be viewed in isolation or considered as substitutes for measures reported in accordance with IFRS (international financial reporting standards). These measures have not been independently audited or reviewed.

No representation or warranty, express or implied, is made as to the fairness, accuracy, completeness or correctness of the information, opinions and conclusions contained in this document, some of which may have been sourced from third parties. To the maximum extent permitted by law, none of Dubber Group or their shareholders, directors, officers, employees, contractors, agents or advisors, nor any other person accepts any liability, including, without limitation, any liability arising out of fault or negligence for any loss arising from the use of information contained in this document.

This document may include statements or information relating to past performance of the Dubber Group. Any such statements or information should not be regarded as a reliable indicator of future performance.

This document may also include "forward-looking statements" within the meaning of securities laws of applicable jurisdictions. Forward looking statements can generally be identified by the use of the words "anticipate", "believe", "expect", "project", "forecast", "estimate", "likely", "intend", "should", "could", "may", "target", "guideline", "guideline", and other similar expressions. Indications of, and guidance on, revenue models, pricing, earnings and financial position and performance are also forward-looking statements. Such forward-looking statements are not guarantees of future pricing, performance and events, and involve known and unknown risks, uncertainties and other factors, many of which are beyond the control of the Dubber Group and their directors, officers, employees, contractors, agents and advisors, that may cause actual results to differ materially from those expressed or implied in such statement. Actual results, performance or achievements may vary materially from any projections and forward-looking statements and the assumptions on which those statements are based. In particular, any potential revenue opportunities and guideline pricing models set out in this document are based on certain assumptions which may in time prove to be false, inaccurate or incorrect. Readers are cautioned not to place undue reliance on forward looking statements and Dubber assumes no obligation to update such information.

This document is not, and does not constitute, an offer to sell or the solicitation, invitation or recommendation to purchase any securities in any jurisdiction, and neither this presentation nor anything contained in it forms the basis of any contract or commitment. Without limiting the foregoing, this document does not constitute an offer to sell, or a solicitation of an offer to buy, any securities in the United States. The securities of Dubber have not been, and will not be, registered under the U.S. Securities Act of 1933, as amended (Securities Act) or the securities laws of any state or other jurisdiction of the United States, and may not be offered or sold in the United States except in compliance with the registration requirements of the Securities Act and any other applicable securities laws or pursuant to an exemption from, or in a transaction not subject to, the registration requirements of the Securities laws.
