

Outperformance drives increased fully franked interim dividend and profit

2 February 2021
ASX announcement

- **155.2% increase in operating profit before tax to \$69.6 million***
- **36.4% investment portfolio performance[^] in the financial year to date, outperforming the Index by 16.1%[^]**
- **33.3% increase FY2021 fully franked interim dividend, to 4.0 cents per share**

WAM Microcap achieved a 155.2% increase in operating profit before tax to \$69.6 million and a 149.9% increase in operating profit after tax to \$49.2 million in its FY2021 half year results*. The operating profit for the half year is reflective of the strong investment portfolio performance and the growth in assets over the period.

The WAM Microcap Board of Directors has declared a fully franked interim dividend of 4.0 cents per share, which represents a 33.3% increase on the FY2020 fully franked interim dividend. The fully franked dividend has been achieved through the strong performance of the investment portfolio since inception and the profits reserve available and is consistent with the Company's investment objective of delivering investors a stream of fully franked dividends.

The Company's strong investment portfolio performance provided shareholders with a total shareholder return of 61.0% in the six months to 31 December 2020. WAM Microcap's investment portfolio increased 36.4%[^] outperforming the S&P/ASX Small Ordinaries Accumulation Index by 16.1%[^], with an average cash holding of 14.0% during the half year to 31 December 2020. The WAM Microcap investment portfolio increased 28.7%[^] in the 2020 calendar year, outperforming the Index by 19.5%[^] with an average cash holding of 18.8%.

WAM Microcap's investment approach, which focuses on providing access to a portfolio of undervalued micro-cap growth companies, has led to strong investment portfolio outperformance throughout the Company's history. Since inception in June 2017, the WAM Microcap investment portfolio has increased 23.8%[^] per annum, outperforming the Index by 13.2%[^] per annum.

The Company has a profits reserve of 37.5 cents per share as at 31 December 2020, representing 4.7 years of dividend coverage, and forms part of the net tangible assets (NTA) of the Company. Since inception, WAM Microcap has paid 21.75 cents per share in fully franked dividends to shareholders.

The WAM Microcap fully franked interim dividend will be paid on Tuesday 20 April 2021. The record date is Thursday 8 April 2021 and the shares will trade ex dividend on Wednesday 7 April 2021. The last election date for the Dividend Reinvestment Plan (DRP) is Monday 12 April 2021.

The DRP will be operating with a 2.5% discount for the interim dividend.
