New Carpentaria Director

Carpentaria Resources Limited (ASX: CAP) is pleased to advise that Mr Jon Parker has been invited to join the Board as a Non-executive Director on an interim basis and has accepted that invitation.

Mr Parker was previously a Director of Carpentaria Resources and brings a wealth of experience in the iron ore and similar sectors, having been for 26 years with the iron ore producer Rio Tinto, his roles including General Manager, Commercial for the company's iron ore division.

Mr Parker will during his period as a Non-executive Director assist the Board in identifying and recruiting the best individuals available to optimise the Company's transformation from explorer to developer and to raise the necessary funding for the conduct of the Hawsons Iron Project bankable feasibility study.
