

## ASX RELEASE

22 February 2021

### Tinybeans Secures DTC Eligibility for US OTC Listing

**Tinybeans Group Limited (ASX: TNY) (OTCQX:TNYF)** ("Tinybeans" or "the Company"), the technology platform that connects parents with the most trusted tools and resources on the planet to help every family thrive, is pleased to announce that its OTCQX-quoted ordinary shares are now eligible for electronic clearing and settlement through the Depository Trust & Clearing Corporation ("DTCC") in the United States.

DTCC is a subsidiary of the Depository Trust Company (DTC), a U.S. company that manages the electronic clearing and settlement of publicly traded companies. DTC eligibility is expected to simplify the process of trading and enhance liquidity of the Company's shares on the OTCQX by greatly broadening the pool of brokerage firms that will allow their clients to trade the stock.

Online brokers such as Ameritrade, Fidelity Investments, Charles Schwab and E\*TRADE all offer OTCQX trades. Investors trading via other online brokers should inquire of their respective brokers whether OTC shares are made available to them.

Three key advantages of trading (**OTCQX:TNYF**) stock:

1. Trades and settlements in US Dollars (USD);
2. Trading in the North American time zone; and
3. TNYF is the same class of Ordinary Shares trading on the Australian Securities Exchange (ASX:TNY), not a synthetic. The shares are simply registered in two different share registries.

Tinybeans CEO, Eddie Geller said:

*"I am delighted to share the news that Tinybeans Group now has DTC Eligibility. We receive requests almost daily from US investors who have had difficulty buying our stock and are extremely pleased to announce that we have obtained DTC eligibility, effective immediately. This means the Company's stock can now be traded in USD for those who wish to do so in the American time zone."*

*"This represents an important step forward in increasing liquidity, broadening our shareholder base and building a strong presence for our company within the US capital markets. We would like to thank our DTC filing agent Glendale Securities, our transfer agent AST and our OTC Sponsor and legal advisor Rimon Law for their efforts."*

The announcement was approved for release by the CEO.
