WHITE CLOUD PROJECT

ASX ANNOUNCEMENT

8 March 2021

Term Sheet Signed for First Offtake for Suvo's White Cloud Kaolin Project

- Term sheet signed to negotiate first offtake arrangements for Suvo's 100% owned White Cloud kaolin project with C.M.M Toye Industrial Mineral Consultants (CMM) (Term Sheet)
- Term Sheet records CMM's indicative interest to purchase 10,000 tonnes per annum of high quality kaolin product at AUD \$850 per tonne, subject to entry into of formal agreement and commencement of commercial production
- CMM is a substantial buyer of high grade kaolin for use in the manufacture of specialist ceramic products
- Discussions between CMM and Suvo are ongoing regarding expansion of Term Sheet to include a distribution arrangement

Australian kaolin producer and silica sand exploration company, **Suvo Strategic Minerals Limited** ('Suvo or the Company'), is pleased to announce that it's wholly-owned subsidiary, Mt Marshall Kaolin Pty Ltd (**Mt Marshall**) has entered into a non-binding term sheet to negotiate an offtake agreement with C.M.M Toye Industrial Mineral Consultants (**Term Sheet**) whereby, subject to the entry into of a legally binding offtake agreement (**Formal Agreement**), it is envisaged that Mt Marshall will be required to supply to CMM a minimum of 10,000 tonnes per annum of high grade kaolin from Suvo's 100% owned White Cloud Kaolin project in Western Australia.

Commenting on the offtake agreement, Suvo's Executive Director, Aaron Banks, said "The entry into the term sheet with CMM to progress one of the many expected offtake agreements from our White Cloud project at this early stage validates not only the quality of our kaolin, but the speed at which the company is systematically progressing this unique resource."

8 March 2021

ASX ANNOUNCEMENT

CMM Managing Director, Chris Toye, stated, *"to potentially secure a source of high quality kaolin from a previously undiscovered deposit is extremely exciting and we look forward to working with the team at Suvo to develop this relationship further over time"*.

Key details of the Term Sheet are detailed below.

- The Formal Agreement is to provide that Mt Marshall will supply to CMM a minimum of 10,000 tonnes per annum of high grade kaolin at AUD \$850 per tonne from the White Cloud kaolin project in Western Australia
- Parties agree to consult in good faith towards negotiating and agreeing the Formal Agreement by no later than 31 December 2022
- The Formal Agreement will contain a condition precedent which provides that the Formal Agreement will not come into effect until the White Cloud kaolin project has commenced commercial production

This release of this announcement has been approved for release by the Board of Directors
