# Notes to the Condensed Consolidated Financial Statements For the half year ended 31 December 2020

## Note 1 Basis of preparation of half year report

## Statement of compliance

The condensed interim consolidated financial statements (the interim financial statements) for Riversgold Ltd and its subsidiaries (collectively, **the Group**) are general purpose interim financial statements, and have been prepared in accordance with Australian Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Act 2001. Compliance with AASB 134 ensures that the financial statements comply with International Financial Reporting Standard IAS 134 Interim Financial Reporting.

These interim financial statements do not include all the notes of the type normally included in annual financial statements and therefore cannot be expected to provide as full an understanding of the financial performance, financial position and financing and investing activities of the Group as the full financial statements. Accordingly, these interim financial statements are to be read in conjunction with the annual financial statements for the year ended 30 June 2020 and any public announcements made by Riversgold Ltd during the half-year reporting period in accordance with the continuous disclosure requirements of the *Corporations Act 2001*.

The interim financial statements were approved by the Board of Directors on 16<sup>th</sup> March 2021.

#### **Basis of preparation**

The interim financial statements have been prepared on the historical cost basis. Cost is based on the fair values of consideration given in exchange for assets. The Company is domiciled in Australia and all amounts are presented in Australian dollars.

#### Accounting policies and methods of computation

The same accounting policies and methods of computation have been followed in these interim financial statements as compared with the most recent annual financial statements, except for the adoption of new Accounting Standards as set out below. These accounting policies are consistent with Australian Accounting Standards and with International Financial Reporting Standards.

For the purpose of preparing the interim financial statement, the half-year has been treated as a discrete reporting period.

#### **Adoption of new and revised Accounting Standards**

Standards and Interpretations applicable to 31 December 2020

In the period ended 31 December 2020, the Directors have reviewed all of the new and revised Standards and Interpretations issued by the AASB that are relevant to the Group and effective for the current annual reporting period. As a result of this review, the Directors have determined that there is no material impact of the new and revised Standards and Interpretations on the Group.

The adoption of the new Conceptual Framework for Financial Reporting from 1 July 2020 has not led to any changes in accounting or disclosure for the Group, but the new Conceptual Framework may be referred to if accounting matters arise that are not addressed by accounting standards.

The adoption of the new definition of Material included in AASB 2018-7 Amendments to Australian Accounting Standards – Definition of Material from 1 July 2020 provides a new definition of material, which now extends materiality consideration to obscuration and clarifies that materiality now depends on the nature or magnitude of information.

Standards and interpretations in issue not yet effective

The directors have also reviewed all of the new and revised standards and interpretations in issue not yet effective for the half-year ended 31 December 2020.

As a result of this review, the directors have determined that there will be no material impact of these standards and interpretations on the Group and, therefore, no change is necessary to Group accounting policies.

# Notes to the Condensed Consolidated Financial Statements For the half year ended 31 December 2020

#### Going concern

As at 31 December 2020 the Group has cash assets of \$1,604,350, and total current liabilities at that date amounting to \$179,298. The loss for the six months to 31 December 2020 was \$313,392 of which \$22,930 related to the expensing and write off of exploration costs. Net operating and investing cash outflows for the six months to 31 December 2020 were \$453,360.

The interim financial statements have been prepared on the going concern basis, which contemplates the continuity of normal business activity and the realisation of assets and the settlement of liabilities in the normal course of business.

The ability of the Group to continue to adopt the going concern assumption will depend on future successful capital raisings, the successful exploration and subsequent exploitation of the Group's tenements and/or sale of non-core assets.

The directors are of the opinion that the Group is a going concern as the Group has more funds available than expected to be required for committed and required expenditure over the following year, and has the ability to scale back discretionary expenditure pending the timing of future capital raisings.

## Significant accounting judgements and key estimates

The preparation of the interim financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

The same judgments, estimates and assumptions were used in preparing the interim financial statements as those used in preparing the financial report for the year ended 30 June 2020, with the exception of valuation of share-based payments and the recognition of proceeds from the farm out of Alaskan mineral exploration interests. Refer to Notes 8 and 11 for further details.

#### Note 2 Segment information

The Group has identified its operating segments based on the internal reports that are reviewed and used by the board of directors in assessing performance and determining the allocation of resources. Reportable segments disclosed are based on aggregating operating segments, where the segments have similar characteristics.

The Group's activities encompass mineral exploration and resource development in various international jurisdictions and as such management currently identifies the Groups geographic positions as its operating segments.

The following tables present revenue and loss information and certain asset and liability information regarding operating segments for the half year ended 31 December 2020.

## d) <u>Performance rights</u>

## **Issue of Performance Rights**

Shareholders granted approval on 6 August 2020 for the issue of 50,000,000 performance rights to Quarterback Geological Consultants Pty Ltd ("Quarterback") as consideration for geological strategy and consultancy services to be provided. The Quarterback Performance Rights will convert into shares on a one for one basis on achievement of the following milestones, or lapse if performance milestones are not met within 5 years of the commencement date:

Class	Performance Rights Award	Performance Milestone
Class A	25,000,000	The Company makes an announcement, resulting from Quarterback's performance of the identifying Services, of a JORC inferred resource of 250koz of gold or gold equivalent, in relation to a Qualifying Project, on the ASX announcements platform on or before the Expiry Date
Class B	25,000,000	The Company makes an announcement, resulting from Quarterback's performance of the identifying Services, of a JORC inferred resource of 500koz of gold or gold equivalent, in relation to a Qualifying Project, on the ASX announcements platform on or before the Expiry Date

These performance rights have been valued at the grant date share price of \$0.06 each for a total value of \$3,000,000. The value of these performance rights is being expensed over the expected vesting period from 13 August 2020 to 17 June 2025 with \$237,422 recognised as an expense during the half year.

#### Note 10 Dividends

No dividends were paid or proposed during the period.

The Company has no franking credits available as at 31 December 2020.

#### Note 11 Farm out of Alaskan tenements

During the half-year, the Group recognised revenue of \$345,925 (\$USD250,000) from the Mamba Minerals Alaska Earn in an agreement that is described in note 12 of the Financial Report for the year ended 30 June 2020. This includes a deposit of \$30,951 (\$US25,000) received during the prior year and two payments totalling \$314,974 (\$USD 225,000) received during the half year. These payments are recognised as revenue on receipt, with no receivable or contract liability recognised, because:

- no interest is required to be granted to the counterparty if all payments are not received by agreed deadlines,
- the payments are effectively payments for access to ground when compared to the total expenditure required by the counterparty,
- the counterparty has renegotiated a revised payment schedule to accommodate business disruption from the ongoing Covid-19 pandemic.
- The counter-party meets the definition of a customer in <u>AASB 15 Revenue from Contracts with Customers paragraph 6</u> in that the counterparty has contracted with the Group to obtain access to mineral exploration interests that have been subject to exploration, which are an output of the ordinary activities of the Group.

<sup>&</sup>lt;sup>2</sup>The share based payment reserve is used to recognise the fair value of share based payments. See Note 8 for further information on share based payments.

# Notes to the Condensed Consolidated Financial Statements For the half year ended 31 December 2020

#### **Note 12 Contingent Liabilities and Contingent Assets**

The Company was notified of objections to expenditure exemptions and applications for forfeiture on several tenements during the half year. The Company considers these objections and applications without legal substance and will vigorously defend these plaints.

There has been no change in the contingent liabilities or contingent assets noted in the annual report for the year ended 30 June 2020.

## INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of Riversgold Limited

## Report on the Condensed Half-Year Financial Report

#### Conclusion

We have reviewed the accompanying half-year financial report of Riversgold Limited ("the company") which comprises the condensed consolidated statement of financial position as at 31 December 2020, the condensed consolidated statement of profit or loss and other comprehensive income, the condensed consolidated statement of changes in equity and the condensed consolidated statement of cash flows for the half-year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration, for the Group comprising the company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Riversgold Limited does not comply with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Group's financial position as at 31 December 2020 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's responsibilities for the review of the financial report section of our report. We are independent of the company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

Responsibility of the directors for the financial report

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's responsibility for the review of the financial report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2020 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

## Independence

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*.
