Apollo Consolidated Limited (ASX: AOP) (“**Apollo**”, “**the Company**”) is pleased to report that it has entered into a binding sale and purchase agreement (“**Agreement**”) with Gold Royalty Corp. (NYSEA: GROY) (“**Purchaser**”) for its royalty interest over the **Seguela Gold Project** located in central Cote d’Ivoire (“**Royalty**”).

The key terms of the Agreement are as follows:

- The consideration of A\$20 million payable on closing.
- Closing is conditional on:
 - Roxgold waiving its right to match the terms of the Agreement and buy back the Royalty (or the expiry of that right if Roxgold does not exercise its matching right before the expiry of the 14-day period referred to above); and
 - other customary conditions (including no material adverse effect and no breach of representations and warranties before closing).
- The Agreement also contains representations and warranties considered customary for an agreement of this nature.

Gold Royalty Corp. is listed on the New York Stock Exchange under the ticker GROY. The Purchaser has advised it has sufficient cash on hand to settle the consideration under the Agreement. For more information regarding the Purchaser please refer to its website www.goldroyalty.com.

Apollo Managing Director Nick Castleden commented “Apollo sees an agreed sale of the Seguela royalty as an excellent result, bringing to book what was an under-recognised overseas asset and allowing us a significant financial runway to progress our +1Moz gold project at Lake Rebecca in Western Australia. Realised funds, less any tax and transaction costs, will add to existing cash
