Eligible Retail Shareholders

Eligible Retail Shareholders are holders of fully paid ordinary shares in the capital of Computershare as at 7.00pm (Melbourne time) on Monday, 29 March 2021 who:

1. have an address on the Computershare register in Australia or New Zealand;
2. are not in the United States and are not acting for the account or benefit of a person in the United States;
3. are not eligible institutional shareholders and were not treated as an ineligible institutional shareholder under the Institutional Entitlement Offer; and
4. are eligible under all applicable securities laws to receive an offer under the Retail Entitlement Offer, provided that, if a shareholder (including a nominee or custodian) is acting for the account or benefit of a person in the United States, it may not participate in the Retail Entitlement Offer on behalf of such a person.

Action required by Eligible Retail Shareholders

Retail Entitlements may have value and it is important that Eligible Retail Shareholders determine whether to take up, transfer, sell or do nothing in respect of all or part of their Retail Entitlements.

1. Take up all or part of your Retail Entitlements

Eligible Retail Shareholders who wish to take up all or part of their Retail Entitlements are required to make payment using BPAY. Alternative EFT payment arrangements will also be provided for Eligible Retail Shareholders in New Zealand. Payment must be received before 5.00pm (Melbourne time) on Monday, 19 April 2021. You can access your personalised payment instructions online at www.cpuoffer.com from 9.00am on Wednesday, 31 March 2021.

Cash payments and payments by cheque, bank draft or money order will not be accepted.

2. Sell or transfer all or part of your Retail Entitlements

Eligible Retail Shareholders who do not wish to take up all or part of their Retail Entitlements may be able to sell all or part of their Retail Entitlements on ASX through their broker or transfer their Retail Entitlements directly to another person. If you sell your Retail Entitlements in the Retail Entitlement trading period (as set out in the 'Key dates' section below), you may receive a higher or lower amount than a shareholder who sells their Retail Entitlements at a different time in the Retail Entitlement trading period or through the Retail Shortfall Bookbuild (as set out in the 'Key dates' section below).

(a) **(Sell all)** Eligible Retail Shareholders who wish to sell all of their Retail Entitlements on ASX should instruct their stockbroker personally. Retail Entitlements may be traded on ASX from Monday, 29 March 2021 to Wednesday, 31 March 2021 (on a deferred settlement basis) and from Thursday, 1 April 2021 to Monday, 12 April 2021 (on a normal settlement basis). You may incur brokerage costs if you sell all or part of your Retail Entitlements on ASX.

(b) **(Sell part and take up part)** Eligible Retail Shareholders who wish to take up part of their Retail Entitlements and sell the balance on ASX will need to:

- in respect of those Retail Entitlements they wish to take up, make payment by BPAY ensuring payment is received before 5.00pm (Melbourne time) on Monday, 19 April 2021; and
- in respect of those Retail Entitlements to be sold on ASX, instruct their stockbroker personally.

Required steps if transferring Retail Entitlements other than on ASX

Eligible Retail Shareholders who wish to transfer all or part of their Retail Entitlements other than on ASX will need to complete and return a Renunciation and Transfer Form in relation to those Retail Entitlements that they wish to transfer. This form can be obtained online at www.cpuoffer.com or by calling the Computershare Offer Information Line. The transferee must submit their payment by EFT in accordance with the instructions provided, so that the completed Renunciation and Transfer Form and payment is received by the Share Registry no later than 5.00pm (Melbourne time) on Monday, 19 April 2021.

3. Do nothing and let your Retail Entitlements be sold through the Retail Shortfall Bookbuild

To the extent Eligible Retail Shareholders do not take up their Retail Entitlements or do not sell or transfer all of their Retail Entitlements, those Retail Entitlements will be sold through the Retail Shortfall Bookbuild (as defined in the Retail Offer Booklet) on Thursday, 22 April 2021 and the relevant Eligible Retail Shareholders will receive any Retail Premium (as defined in the Retail Offer Booklet) in respect of those Retail Entitlements. There is no guarantee that there will be any Retail Premium.

By letting your Retail Entitlements be sold through the Retail Shortfall Bookbuild, you will forego any exposure to increases or decreases in the value of New Shares (or any value for that Retail Entitlement which may have been achieved through its sale on ASX or otherwise). Your percentage shareholding in Computershare will also be diluted.

The taxation implications of the Retail Entitlement Offer will vary depending upon your particular circumstances. Accordingly, you should seek and rely upon your own professional advice before concluding on the particular taxation treatment that will apply to you.
