

25 March 2021

\$1.8+ million Multi-Site Rail Contract Award

Ava Risk Group Limited (ASX: AVA) ("Ava Group" or "Company") is pleased to announce that its world leading Aura Ai sensing solution has been selected to be deployed for a multi-site program to upgrade security at certain major rail facilities in South America:

- Security upgrade program with total award value of more than US\$1.40 million (A\$1.84 million).
- Multiple Aura Ai-2 systems will be fully integrated with the customer's existing video management software and CCTV system.
- First purchase order received exceeding US\$0.47million (A\$0.61 million).
- Initial deployment at first sites in early Q4 FY2021 with the balance of sites expected for deployment before the end of Q4 FY2021.

Ava Group CEO, Rob Broomfield said *"FFT Aura Ai-2 was the solution selected, to protect the rail sites, due to our exceptional event classification capability, extended sensing distance, and cut resilience capability. A further key factor in the contract win was FFT's previous success in protecting railway infrastructure and the company's strong reputation across the broader transportation sector"*.

Forward Looking Statements

Information in this release is for general information purposes only. Certain statements in this document regarding the Company's financial position, business strategy and objectives, contain forward-looking statements (rather than being based on historical or current facts) and as such, are not able to be verified.

All forward-looking statements are based on the current views of the Company's management as well as reasonable assumptions made by, and information currently available to the Company's management. Forward-looking statements are inherently uncertain and must be read accordingly. There can be no assurance that some or all of the underlying assumptions will prove to be valid. If assumptions are invalid this is likely to have an impact on the accuracy of the statement itself.

All data presented in this document reflects the current views of the Company with respect to future events. Forward-looking statements are subject to a variety of risks, uncertainties and assumptions relating to the operations, results of operations, growth strategy and liquidity of the Company. Forward looking statements are also subject to external matters outside the control of the Company.

To the maximum extent permitted by law, the Company, its officers, employees and agents do not assume any obligation to release any updates or revisions to the information (including any forward looking statements) in this presentation to reflect any change to expectations or assumptions; and disclaim all responsibility and liability for any loss arising from reliance on this presentation or its content.
