- (iii) Optionholder is not required to exercise all Options at once.

4.2 Issue of shares on exercise of Options

If any Options are exercised in accordance with clause 4.1, the Company must issue a corresponding number of Option Shares to the Optionholder as soon as is reasonably practicable, but in any event no later than 3 Business Days after the Exercise Price has been received by the Company in cleared funds.

4.3 Expiry of Options

No Option can be validly exercised after the Expiry Date.

4.4 Ranking of Options Shares issued on exercise of Options

Subject to the Company's constitution, all Option Shares issued on the exercise of Options rank in all respects pari passu with the existing ordinary shares of the Company at the date of issue and only carry an entitlement to receive dividends that have a record date after the Option Shares were issued.

4.5 Quotation

If the Company's shares are quoted on the ASX at the time any Options are exercised, subject at all times to the Listing Rules, the Company will apply to ASX for official quotation of the Option Shares issued on exercise of the Options in accordance with the Listing Rules. The Company will not apply for quotation of the Options on the ASX.

Expiry

5.1 Expiry

Unless otherwise agreed in writing by the parties, each Option expires at 5.00pm (AEST) on the date that is five years after the date the Company's shares are first quoted on the ASX (**Expiry Date**).

5.2 Obligations on expiry or termination

The parties acknowledge and agree that from the Expiry Date or the date this document is otherwise terminated:

- (a) all rights and obligations attaching to any unexercised Option then on issue cease to be of any force or effect; and
- (b) the parties have no further obligations or liabilities to each other under this document, except:
 - (i) to the extent that any such obligation or liability is expressed to continue after expiry or termination; and
 - (ii) the obligation or liability was incurred before expiry or termination.

Escrow Arrangements

- (a) Subject to clause (b), the Optionholder acknowledges and agrees that all of the Options granted under this document (and any Option Shares issued on exercise of the Options) will be subject to voluntary escrow provisions as follows:

- (i) 50% of the Options (and Option Shares) to be released from escrow following the release of the Company's FY21 audited accounts; and
- (ii) 50% of the Options (and Option Shares) to be released from escrow following the release of the Company's FY22 half year audited accounts,

and Optionholder agrees that it will enter into and comply with, and it is a condition of the Options being granted that Optionholder does enter into and comply with, the terms of a Restriction Agreement in relation to the relevant Options or Option Shares (as applicable) in connection with the above voluntary escrow provisions.

- (b) Notwithstanding clause (a), if the ASX imposes mandatory escrow restrictions on all or some of the Options or Option Shares, the Optionholder must enter into and comply with, and it is a condition of the Options being granted that Optionholder does enter into and comply with, the terms of a Restriction Agreement in relation to the relevant Options or Option Shares (as applicable) in the form required by the ASX in connection with the mandatory escrow restrictions required by the ASX.

Rights attaching to Options

7.1 Dividends

Prior to exercise, an Option does not confer any right to dividends.

7.2 Voting rights

Prior to exercise, an Option does not confer any right on its holder to attend general meetings of the Company, to vote or speak at any meeting or to receive reports provided to shareholders.

7.3 Right to participate in new issues

Optionholder is not entitled to participate in any new issue to existing shareholders of securities in the Company in respect of any Options unless those Options have been exercised before the record date for determining entitlements to the new issue of securities and the Optionholder participates as a result of holding Shares.

7.4 Notice of new issue

The Company must give a holder of an Option, in accordance with the Listing Rules, notice of

- (a) the proposed terms of the issue or offer proposed; and
- (b) the right to exercise their Options.

7.5 Reconstruction, bonus issues, rights issues etc.

- (a) If at any time the issued share capital of the Company is reconstructed (including by way of consolidation or share-split), then, subject to the Corporations Act and the Listing Rules, the Options shall be reconstructed (including by way of consolidation or option-split) on the same basis so that the Optionholder is not prejudiced by such reconstruction of the Company's issued share capital.
- (b) If the Company conducts a pro rata issue (except a bonus issue) of securities to its shareholders after the date of issue of the Options, the exercise price of the Options will be

reduced in accordance with the formula set out in ASX Listing Rule 6.22.2. This clause is only applicable if the Company's shares are quoted on the ASX.

- (c) If the Company conducts a bonus issue of securities to its shareholders after the date of issue of the Options, the number of securities over which an Option is exercisable will be increased by the number of securities which the Optionholder would have received if the Option had been exercised before the record date for the bonus issue. This clause is only applicable if the Company's shares are quoted on the ASX.

Compliance with Laws

- (a) Nothing in this document places an obligation on the Company to grant Options or issue Option Shares, where to do so would cause the Company to breach any Law.
- (b) Where Options cannot be granted or Option Shares cannot be issued as contemplated in clause (a), the Company must use reasonable endeavours to procure that the Options are granted or Option Shares are issued as soon as practicable following the date clause (a) ceases to prohibit the Company from granting the Options or issuing the Option Shares.
- (c) Notwithstanding anything in this document, the rights of the Optionholder will be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.
- (d) Any calculations or adjustments which are required to be made will be made by the Board and will, in the absence of manifest error, be final and conclusive and binding on the Company and the holder of an Option.
