 - (i) any voting rights in respect of Shares or in respect of any other equity securities of the Company;
 - (ii) subject to the Listing Rules, the right to participate in new issues of Shares or other equity securities of the Company without first exercising the Option and becoming a shareholder prior to the relevant record date, and is then only entitled to participate in relation to Shares of which the Participant is the registered holder;

13.1 Board to notify Participants of Change of Control Event

The Board must, as soon as reasonably practicable, notify each Participant if a Change of Control Event occurs.

13.2 Action available to the Board for unexercised Options

If a Change of Control Event occurs, the Company may:

- (a) buy-back an Option held by a Participant for:
 - (i) an amount agreed with the Participant; or
 - (ii) the fair value of an Option, being the value of the Option decided by the Board and calculated in accordance with a Black-Scholes valuation model, using a volatility factor calculated using the closing price of Shares on ASX for the 12 months before the date of the calculation, or if the Company has been listed on ASX for less than 12 months, from the listing date until the date of calculation, without the agreement of the Participant;
- (b) arrange for options to acquire shares in the Bidder to be granted to the Participant on substantially the same terms as the Options and subject to substantially the same vesting conditions, but with any appropriate adjustments decided by the Board to the number of shares in the Bidder to be issued on exercise of those options or the exercise price of those options, to as nearly as possible ensure the financial position of the Participant whose options are substituted remains the same;

- (d) do nothing, and allow the Options to continue in accordance with their terms; or
- (e) proceed with a combination of any of the alternatives in Rules 13.2(a), 13.2(b), 13.2(c) or (d).

13.3 Options exercisable on Change of Control

If a Change of Control Event occurs and the Board has determined under clause 13.2(c) to bring forward the vesting of an Option held by a Participant, that Option will vest at the date determined by the Board and may be exercised by a Participant from that time (regardless of whether any vesting conditions have been satisfied) by delivering an Exercise Notice and payment of the Exercise Price to the Company.

- (b) For the purpose of enforcing any Disposal Restriction (if the Company is listed on the ASX at the relevant time), the Company may do all things and enter into arrangements with the share registry or otherwise that it considers necessary, including the application of a Holding Lock, to enforce such Disposal Restriction.
- (c) Participants will be bound by such arrangements and upon request by the Company will do all things necessary to give effect to those arrangements.
- (d) Without limiting Rule 13, the Board may at its discretion determine at any time that a Disposal Restriction will no longer apply and shall notify Participants of such a determination in writing.
