## Non-Executive Director Appointment

The Board of Mineral Commodities Ltd (ASX: MRC or “the Company”) is pleased to advise of the appointment of Zamile David Qunya (Madiba) as a Non-executive Director of the Company.

Madiba has been a director of the Company’s South African subsidiary Mineral Sands Resources (Pty) Ltd (MSR), which owns the Tormin Mineral Sands Mine, since November 2014. Madiba is also a director and shareholder in Blue Bantry Investments, the Company’s Black Economic Empowerment Partner in South Africa.

Madiba has been instrumental in the establishment and development of the Company’s operations in South Africa, and in the delivery of the Company’s Social and Labour Plan at MSR’s Tormin Operations.

Madiba has extensive experience in South African local government matters having held the position as Mayor and Councillor of the MbiZana Municipality and the Wild Coast District Council. He was also Regional Manager from 1999 to 2004 for Eskom and Shell in the Kwazulu Natal and Eastern Cape responsible predominantly for human resource management.

Madiba has a Diploma in Business Management, Project Management, a National Diploma in Human Resource Management and is in his final year of a BA in Environmental Management.

Madiba’s background and skillset has greatly assisted the Company to date and his intellect, objectivity and strategic thinking will add significant value to the Board of MRC.

MRC Chairman Mr David Baker said “We are delighted to welcome Madiba to our Board. Madiba’s advocacy for our Social and Labour Plan will strengthen our engagement within our community through the delivery of fair and equitable outcomes for the benefit of all stakeholders.”

Mineral Commodities Ltd (ASX: MRC) is a global mining and development company with a primary focus on the development of high-grade mineral deposits within the mineral sands and battery minerals sectors.

The Company is a leading producer of zircon, rutile, garnet and ilmenite concentrates through its Tormin Mineral Sands Operation, located on the Western Cape of South Africa. In October 2019, the Company completed the acquisition of Skaland Graphite AS, the owner of the world's highest-grade operating flake graphite mine and is the only producer in Europe. The planned development of the Munglinup Graphite Project, located in Western Australia, builds on the Skaland acquisition and is a further step toward an integrated, downstream value-adding strategy which aims to capitalise on the fast-growing demand for sustainably manufactured Lithium-Ion Batteries.
