Item 2 – Resolutions

1. Resolution 1: Adoption of Remuneration Report

In accordance with Section 300A(1) of the Corporations Act the Remuneration Report is included in the Directors Report for the financial year ended 31 December 2020.

The Remuneration Report sets out details of the remuneration received by the Directors and Key Management Personnel, in addition to describing Board policy in respect of remuneration. Resolution 1 seeks shareholder approval of the adoption of the Remuneration Report by the Company.

The outcome of this Resolution is not binding on the Company or the Board. However, Sections 250U to 250Y of Corporations Act set out a 'two strikes and re-election' process in relation to the Shareholder vote on the Remuneration Report which provide that:

- A 'first strike' will occur if this Remuneration Report resolution receives a 'no' vote of 25% or more. If this occurs, the Company's subsequent remuneration report will contain an explanation of the Board's proposed action in response to the 'no' vote or an explanation of why no action has been taken by the Board.
- A 'second strike' will occur if the resolution to adopt the Remuneration Report at the following Company Annual General Meeting also receives a 'no' vote of 25% or more. If this occurs,

For personal use only

shareholders will vote at that Annual General Meeting to determine whether the Directors will need to stand for re-election at a separate, subsequent meeting (the 'spill resolution'). If the spill resolution passes with 50% or more of eligible votes cast, the spill meeting must take place within 90 days.

The Company did not receive a first strike at its 2019 Annual General Meeting. The Board believes the remuneration of the Key Management Personnel is appropriate and in line with market rates. The Remuneration Report is set out in the Company's 2020 Annual Report. The 2020 Annual Report can be online at www.openlearning.com and on the ASX website www.asx.com.au, (ASX Code: OLL).

Resolution 3 seeks approval for the election of Mr. Spiros Pappas as a Director of the Company.

4. Resolution 4 – Approval of 10% Placement Capacity

General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to add an additional 10% capacity.

An eligible entity for the purposes of Listing Rule 7.1A is an entity that is not included in the S&P/ASX 300 Index and has a market capitalisation less than the amount prescribed by ASX (currently \$300 million).

As of the date of this Notice of Meeting, the Company has a market capitalisation of approximately \$30 million and therefore is an eligible entity (based on the number of Shares on issue and the closing price of Shares on the ASX on 12 April 2021). If at the time of the Meeting the Company is no longer an eligible entity this Resolution will be withdrawn.

This Resolution seeks Shareholder approval by way of a special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without Shareholder approval.

If this Resolution is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If this Resolution is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing equity securities without Shareholder approval set out in Listing Rule 7.1.

Information Required by ASX Listing Rule 7.1A

The following information is provided to Shareholder for the purposes of Listing Rule 7.3A.

Period for which the approval will be valid

An approval under this Listing Rule 7.1A commences on the date of the annual general meeting at which the approval is obtained and expires on the first to occur of the following:

- (a) the date which is 12 months after the date of the annual general meeting at which the approval is obtained;
- (b) the time and date of the entity's next annual general meeting; and
- (c) the time and date on which Shareholders approve a transaction under Listing Rule 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking).

Minimum price at which the equity securities may be issued under Listing Rule 7.1A

Any equity securities issued under Listing Rule 7.1A.2 must be an existing quoted class of the Company's equity securities and issued for cash consideration.

The issue price per equity security must not be less than 75% of the volume weighted average market price of the equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (a) the date on which the price at the equity securities are to be issued is agreed by the Company and the recipient of the equity securities; and

- (b) if the equity securities are not issued within 10 trading days of the date in paragraph (a), the date on which the equity securities are issued.

Purposes for which the funds raised by an issue of equity securities under Listing Rule 7.1A may be used

As noted above, any equity securities issued under Listing Rule 7.1A.2 must be issued for cash consideration. Accordingly, every issue of equity securities under Listing Rule 7.1A.2 will have an accompanying proposed use of funds at the time of issue.

As at the date of this Notice, the Company has not formed an intention to offer any equity securities under Listing Rule 7.1A during the Listing Rule 7.1A mandate period, if Shareholders approve this Resolution. However, if Shareholders approved this Resolution and the Company did raise funds from the issue of equity securities under Listing Rule 7.1A, based on the Company's existing plans, the Company considers that the funds may be used for working capital, platform and product development, marketing or possibly as cash consideration for acquisition of new assets.

Risk of economic and voting dilution to existing ordinary Securityholders

If this Resolution is approved, and the Company issues equity securities under Listing Rule 7.1A, the existing Shareholders' economic and voting power in the Company will be diluted.

There is a risk that:

- (a) the market price for the Company's equity securities in that class may be significantly lower on the issue date than on the date of the approval under Listing Rule 7.1A; and
 (b) the equity securities may be issued at a price that is at a discount (as described above) to the market price for the Company's equity securities on the issue date;

which may have an effect on the amount of funds raised by the issue of equity securities under Listing Rule 7.1A.

The table below shows the potential dilution of existing Securityholders on the basis of 3 different assumed issue prices and values for the variable "A" in the formula in rule 7.1A.2:

Variable "A" ASX Listing Rule 7.1A.2		Potential Dilution and Funds Raised		
		\$0.095 50% decrease in issue price	\$0.19 issue prices ^(b)	\$0.38 100% increase in issue price

Notes:

- (a) Based on the total number of fully paid ordinary Shares on issue as at 19 April 2021.
 (b) Based on the closing price of the Company's Shares on ASX as at 19 April 2021.
 (c) The table assumes that the Company issues the maximum number of ordinary Shares available to be issued under Listing Rule 7.1A.
 (d) The Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in Listing Rule 7.2 or with approval under Listing Rule 7.1.
 (e) The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities.
 (f) The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
 (g) This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.

For personal use only

- (h) The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
- (i) The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A mandate, based on that Shareholder's holding at the date of the Meeting.

Allocation policy for issues under Listing Rule 7.1A

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company's allocation policy and the identity of the allottees of equity securities under Listing Rule 7.1A will depend on a number of factors, including:

- (a) the Company's intentions in relation to the possible issue of equity securities (for cash consideration) during the Listing Rule 7.1A mandate period;
- (b) the structure and timeframe of the capital raising opportunities available to the Company and any alternative methods for raising funds that are available to the Company (such as a pro rata offer or an offer under a share purchase plan);
- (c) the potential effect on the control of the Company;
- (d) the Company's financial position and the likely future capital requirements; and
- (e) advice from the Company's corporate or financial advisors.

As of the date of this Notice, no specific intention to issue equity securities in relation to any parties, investors or existing Securityholders have been formed. In addition, no intentions have been formed in relation to the possible number of issues, or the time frame in which the issues could be made. Subject to the requirements of the Listing Rules and the Corporations Act, the Board of Directors reserve the right to determine at the time of any issue of equity securities under Listing Rule 7.1A, the allocation policy that the Company will adopt for that issue.

If and when the determination is made to proceed with an issue of equity securities during the Listing Rule 7.1A mandate period, details regarding the allottees and purposes of issue will be disclosed pursuant to the Company's obligations under Listing Rules 3.10.3 and 7.1A.4.

Offers made under Listing Rule 7.1A may be made to parties (excluding any related parties) including professional and sophisticated investors, existing Shareholders of the Company, clients of Australian Financial Service Licence holders and/or their nominees, or any other person to whom the Company is able to make an offer of equity securities.

Directors' recommendation

The Board of Directors recommend that Shareholders vote for this Resolution

5. Resolution 5 – Ratification of prior issue of Shares issued under ASX Listing Rule 7.1

On 28 October 2020, the Company announced that it had received firm commitments from institutional and sophisticated investors to subscribe for 21,212,495 new Shares at an issue price of \$0.28 per Placement Share ("**Placement Shares**"), raising A\$5.9 million (before costs) for the Company ("**Placement**").

On 4 November 2020 the Company issued 21,212,495 Placement Shares utilising its available placement capacity under Listing Rule 7.1.

The Company engaged the services of Canaccord Genuity (Australia) Limited (ACN 075 071 466) ("**Canaccord**"), (AFSL 234666), to manage the issue of the Placement Shares. The Company has paid Canaccord a fee of \$356,370 (being, 6% of the amount raised under the issue of the Placement Shares). The lead manager mandate with Canaccord otherwise contained standard terms for such an agreement.

ASX Listing Rule 7.1

This Resolution 5 proposes that Shareholders of the Company approve and ratify the prior issue and allotment of 21,212,495 Placement Shares, which were issued by the Company on 4 November 2020.

All of the Placement Shares were issued by utilising the Company's available placement capacity under Listing Rule 7.1.

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

Listing Rule 7.4 provides an exception to Listing Rule 7.1 by broadly providing that where a listed company, in general meeting, ratifies a previous issue of securities made pursuant to Listing Rule 7.1 (and provided that the previous issue did not breach the listed company's available placement capacity under Listing Rule 7.1), those securities will be deemed to have been made with shareholder approval for the purpose of Listing Rule 7.1. The issue of the Placement Shares did not fall within any of the exceptions to Listing Rule 7.1 and, as the issue of the Placement Shares has not yet been approved by the Company's Shareholders, it effectively uses up part of the Company's 15% placement capacity in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue of the Placement Shares.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. To this end, this Resolution 5 seeks Shareholder approval to ratify the prior issue of the Placement Shares for the purposes of Listing Rule 7.4.

Information required by Listing Rule 14.1A

If this Resolution 5 is approved by Shareholders, the issue of the Placement Shares will be excluded from the calculation of the Company's combined 25% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the date of issue of the Placement Shares.

If this Resolution 5 is not approved by Shareholder, the issue of Placement Shares will be included in calculating the Company's combined 25% capacity to issue equity securities under Listing Rule 7.1 without Shareholder approval over the 12-month period following the date of issue of the Placement Shares.

It is noted that the Company's ability to utilise the additional 10% capacity provided for in Listing Rule 7.1A for issues of equity securities following this Meeting remains conditional on Resolution 4 being passed at this Meeting.

Information required by ASX Listing Rule 7.5

The following information is provided to Shareholders for the purposes of Listing Rule 7.5.

- (a) the Placement Shares were issued to professional and sophisticated investors who are clients of Canaccord. The recipients were identified through a bookbuild process, which involved Canaccord seeking expressions of interest to participate in the capital raising from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients were:
 - a. related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers of the Company or an associate of any of these parties; and
 - b. issued more than 1% of the issued capital of the Company;
- (c) 21,212,495 Placement Shares were issued and the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (d) the Placement Shares were issued on 4 November 2020;
- (e) the issue price was \$0.28 per Placement Shares. The Company has not and will not receive any other consideration for the issue of the Placement Shares;
- (f) the purpose of the issue of the Placement Shares was to raise \$5,939,499, which will be applied towards delivering on partnerships and near-term growth initiatives; and
- (g) the Placement Shares were not issued under an agreement.

Directors' recommendation

The Board of Directors recommend that Shareholders vote in favour of Resolution 5.
