## TWO KEY FACTORS FOR SUCCESS:

### Large Scale Production & Large Scale Distribution

Broo has formalised agreements in place with;

CUB, Australia's largest beer producer, and

ALM, Australia's largest broad range liquor wholesaler.

## OUTLOOK

The Company is focused on accelerating the growth of the Company's beer products with increased distribution, rapid sales growth, and increased revenue.

Whilst initial launch activities have focused on packaged beer and concentrated to QLD, activation is planned for fast expansion into other States and Territories. ALM is working with Broo to coordinate sales and distribution of Broo Premium Lager products across its entire off and on-premise market.

## ON PREMISE LAUNCH

The company is currently working with ALM on the commencement of the on-premise rollout for Queensland. Broo Premium Lager will be released in 50L kegs in addition to the all new Broo Hopper 3.5% Mid Strength. Both varieties will be offered at competitive pricing with significant in venue support.

These segments alongside Off Premise expansion nationally will provide the Company with significant volume and revenue growth in future periods.

# MARKETING

Broo produced its first television commercial which was released during QLD activation. This TVC will form the basis for further marketing and promotional efforts as the Company expands into other States and Territories. This can be viewed via the Company website [www.broo.com.au](http://www.broo.com.au)
