Resolution 1 Re-election of Director, Mr. Denis Wood

ASX Listing Rule 14.5 states that a public listed company must hold an election of directors each year. Rule 13.5(d) of the Constitution requires that an election of directors occur at each annual general meeting of the Company, whereby one third of the directors (to the nearest whole number) must retire from office. ASX Listing Rule 14.4 and rule 13.5(a) of the Constitution further state that no director may hold office, without re-election, past:

1. the third annual general meeting following that director's appointment; or

whichever is longer.

Mr. Wood retires pursuant to rule 13.5(a) of the Constitution and ASX Listing Rule 14.5, and offers himself for re-election as director of the Company in accordance with the Constitution.

Denis was appointed to the board on 28 July 2015. He is an Australian and international mining industry director, investor, executive, professional metallurgist and geologist with more than 45 years' experience. Denis's early career comprised 13 years with BHP as a metallurgist followed by eight years with the mining industry technical services provider CCI Holdings where he reached the position of Managing Director.

Denis then moved to Chicago to join a multinational company which supplied a complete range of services to the mining industry. Responsible for Commercial Testing and Engineering, he managed more than 50 branches in the United States as well as operations in South Africa and South America.

Upon returning to Australia, Denis took up multiple directorships and shareholdings of Australian based resource companies including QCC, Cumnock Coal, Sedgman, Jupiter Mines and Marathon Resources. Denis then accepted the position of Managing Director/CEO of Australian Premium Coals, a subsidiary of Macarthur Coal Limited, and was responsible for the successful development of greenfield sites including the Coppabella and Moorvale coal mines in Central Queensland. Subsequently he spent eight years as the Executive Director of the Talbot Group in the position of Director of Resources.

Following a brief retirement, Denis returned to the industry to restructure and focus the direction of KGL Resources to become a robust, world class copper producer in the Northern Territory. He currently holds the position of Executive Chairman.

The Directors, with Mr. Wood abstaining, recommend that Shareholders vote in favour of the re-election of Mr. Denis Wood.

ASX Listing Rule 14.4 and rule 13.5(a) of the Constitution further state that no director may hold office, without re-election, past:

1. the third annual general meeting following that director's appointment; or
 2. three years,

The Directors, with Mr. Purnamasidi abstaining, recommend that Shareholders vote in favour of the re-election of Mr. Ferdian Purnamasidi.

Resolution 3 Remuneration Report

Section 300A of the Corporations Act requires that the directors' report include a separately identified section addressing the remuneration of its Key Management Personnel. Listed entities are further required under section 250R of the Corporations Act to submit the Remuneration Report for adoption at the Company's Annual General Meeting.

The Remuneration Report is set out in KGL's 2020 Annual Report, which was released to ASX on 24 March 2021.

The Remuneration Report explains the Board's policies in relation to the nature and level of remuneration paid to directors and specified executives of the Company and sets out remuneration details for each director and specified executive.

As detailed in the Remuneration Report, the Board believes that the remuneration granted to directors and specified executives is in line with the current employment market and a reflection of the current commodity market conditions.

Shareholders will be asked to vote at the Annual General Meeting on the resolution to adopt the Remuneration Report. The Chairman will give Shareholders a reasonable opportunity for discussion of the Remuneration Report at the Annual General Meeting.

The resolution of Shareholders is advisory only and does not bind the Directors or the Company. The Board will continue to monitor the progress of the Company's projects and exploration activities in relation to the appropriateness of the remuneration of the Board and members of the Company's Key Management Personnel.

The Directors unanimously recommend that Shareholders vote in favour of the Remuneration Report.

Resolution 4. Approval and Ratification of Share Placement

The issue of securities detailed in resolution 4 will not have exceeded the 15% threshold. However, ASX Listing Rule 7.4 provides that where a company subsequently approves an issue of securities, the issue will be treated as having been made with approval for the purpose of ASX Listing Rule 7.1, thereby replenishing the company's 15% capacity and enabling it to issue further securities up to that limit.
