Revised Scheme

SS&C exercises Matching Right under the SS&C SID

On 30 April 2021, Mainstream Group Holdings Limited (ASX:MAI) (**Mainstream**) announced that it had received a further, revised unsolicited offer from Apex Group Limited (**Apex**) for \$2.55 cash per share by way of a scheme of arrangement (**Further Apex Offer**). The Mainstream directors determined that this was a Superior Proposal under the terms of the SS&C SID.

The Further Revised SS&C Scheme arises as a result of SS&C exercising its 'Matching Right' and providing an improved offer in accordance with the SS&C SID which the Mainstream Board determined will or is likely to provide an equally favourable or more favourable outcome for Mainstream shareholders than the Further Apex Proposal.

Consequently, Mainstream has terminated discussions with Apex.

Overview of terms of the Further Revised SID

Mainstream announces that it has entered into a further deed of variation with SS&C to amend the SS&C SID (**Further Revised SID**) to reflect the agreement that SS&C will acquire 100% of the outstanding shares¹ of Mainstream for \$2.56 per share (**Revised Scheme Consideration**).

Other than a minor amendment to reflect the Revised Scheme Consideration, the Further Revised SID is in substantially the same form as the SS&C SID released to the market on 12 April 2021, as amended on 27 April 2021 which at that time increased the Scheme Consideration to \$2.25 and as amended on 29 April 2021 which at that time increased the Scheme Consideration to \$2.35. A copy of the further deed of amendment to the SS&C SID is attached to this ASX Announcement.

¹ The total shares at completion will be 142,857,422, being (i) the current 138,089,440 ordinary shares on issue plus (ii) shares representing the 4,767,982 equity rights which will vest on change of control and participate in the Revised Scheme. All remaining equity rights on issue will be cancelled prior to the record date for the Revised Scheme for nil consideration.

Board and major shareholder support

The Board of Mainstream, together with its advisers, has carefully considered the Further Revised SS&C Scheme and has concluded that the Further Revised SS&C Scheme is in the best interests of Mainstream shareholders.

The Directors of Mainstream unanimously recommend that Mainstream shareholders vote in favour of the Further Revised SS&C Scheme in the absence of a superior proposal and subject to the Independent Expert concluding that the Further Revised SS&C Scheme is in the best interests of shareholders.

Each of the Directors of Mainstream intend to vote all of the Mainstream Shares under their control in favour of the Further Revised SS&C Scheme (in each case in the absence of a superior proposal and subject to the Independent Expert concluding that the Revised Scheme is in the best interests of shareholders).

Mainstream is being advised by Miles Advisory Partners as financial adviser and Maddocks as legal adviser.
