- ***Well-funded to execute large drilling program and growth strategy.***

Overview

Initial Public Offering

QMiner Limited (**QMiner** or **Company**) (**ASX:QML**) is pleased to announce the successful completion of its Initial Public Offer (IPO) and commencement of trading on the Australian Securities Exchange on 6th May 2021. With gross proceeds of \$11.55 million, the capital raising exceeded the minimum subscription of \$10 million under the Prospectus. Lead Manager to the Offer, Shaw and Partners introduced strong support from European and Australian investors.

Exploration Program Underway at Mt Chalmers Project

The Company is now well funded to undertake a large exploration and drilling program at its flagship Mount Chalmers Project, located east of Rockhampton in Central Queensland. The Project currently has an Inferred Resource (JORC 2012) of 3.9Mt @ 1.15% Cu, 0.81g/t Au and 8.4g/t Ag.^{1, 2}

Diamond Drilling Program Recently Completed

The Company's maiden diamond drilling program was completed at the end of April, with 11 new holes drilled totaling 1,575m. The average depth of the hole was 143m.

Assays have now been delivered to ALS laboratories in Brisbane with results expected prior to the end of the June Quarter.

Planned RC Drilling Program to Commence in May 2021

Q Mines has also executed a contract with a local Rockhampton Contractor to undertake an RC Drilling Program scheduled to commence in the next two weeks. Phase 1 of the Program is for approximately 3,000 metres and is designed to test extensions to the known resource below, and adjacent to, the historical open pits.

Q Mines Chairman, Andrew Sparke, said, “The support we have received from new and existing shareholders, the vendors, the Queensland Government and local community has been very pleasing and we are delighted to welcome a number of institutional and sophisticated investors to the share register.

“I would like to make a special thank you to our Lead Manager Shaw and Partners, legal counsel Steinepreis Paganin, investigating accountant RSM Corporate, Independent Geologist H&S Consultants and all the Q Mines’ team for all their hard work and tireless efforts to make this IPO and listing possible.

“We are excited to be able to bring this homegrown copper and gold story to ASX. We thank all our shareholders for their support and belief in the projects and our team. We look forward to updating you very shortly with some exciting drill results and a number of other planned initiatives.”

ABOUT QMINES

QMiner Limited (ASX: QML) is a Queensland based copper and gold exploration and development company. QMiner is seeking to become Australia's first zero carbon copper and gold developer. The Company owns 100% of four advanced projects with a total area of 978km². The Company's flagship project, Mt Chalmers, is located 17km North East of Rockhampton. The Project is a high-grade historic mine that produced 1.2Mt @ 3.6g/t Au, 2.0% Cu and 19g/t Ag between 1898 - 1982. Mt Chalmers has an Inferred Resource (JORC 2012) of 3.9Mt @ 1.15% Cu, 0.81g/t Au and 8.4g/t Ag.^{1, 2}

QMiner's objective is to grow its resource base, consolidate assets in the region and assess commercialisation options. The Company has commenced an aggressive exploration program providing shareholders with significant leverage to a growing resource and exploration success.
