About

Hiremii Limited (ASX:HMI) is a technology-driven recruitment and full service labour hire company with two core business components, Hiremii, a fixed fee recruitment platform and Oncontractor, a recruitment and full-service labour hire solution providing digitised employee onboarding services.

Hiremii's propriety cloud-based platform uses machine learning and artificial intelligence to remove the tedious manual tasks associated with the recruitment and onboarding process, pre-vetting and shortlisting candidates based on employers' specific requirements.

The Hiremii platform is also used to power Oncontractor. With Oncontractor, employers can not only benefit from Hiremii's technology-driven recruitment process but also manage all aspects of the employment arrangement including; PAYG, superannuation, leave, and payroll.
