Explanatory Notes

A INTRODUCTION AND BACKGROUND

1. INTRODUCTION

1.1 Important Information

These Explanatory Notes have been prepared for the information of Shareholders in connection with the business to be conducted at the Meeting to be held virtually on an online platform on Wednesday 23 June 2021 at 11:00am (Melbourne time). The purpose of these Explanatory Notes is to provide Shareholders with information known to the Company that is material to a decision on how to vote on the Resolutions in the accompanying Notice.

Resolution 1 and 2 relates to the removal of the current auditor of the Company and the appointment of a new auditor for the Group.

Resolutions 3 and 4 relate to a change in the name of the Company to Toys“R”Us ANZ Limited which requires the sublicense of the TRU Mark from TRUL to the Company (with TRUK’s approval) and the issuing of shares to TRUK as consideration for approving the sublicense of the TRU Mark to the Company.

Resolution 5 relates to changes to the Company’s constitution that will allow the company to conduct virtual and hybrid meetings of shareholders as provided for in relevant legislation (amongst other amendments).

The Notice and these Explanatory Notes should be read in their entirety. If Shareholders are in doubt as to how to vote, they should seek advice from a professional advisor prior to voting.

2. INTERPRETATION

All capitalised terms used in these Explanatory Notes have the meanings set out in the Glossary located on page 17 or as otherwise defined in these Explanatory Notes. References to “\$” in the Notice and Explanatory Notes are references to Australian currency unless otherwise stated. References to time in the Notice and Explanatory Notes are references to time in Melbourne, Victoria.

2.1 Voting Exclusion Statements

Certain voting restrictions apply to the Resolutions as detailed beneath the applicable Resolutions in the Notice.

3. BACKGROUND AND APPLICABLE LISTING RULES AND PROVISIONS OF THE CORPORATIONS ACT

3.1 Introduction

There are a number of approvals and requirements under the Listing Rules and Corporations Act that are relevant to the Resolutions set out in the Notice. To avoid lengthy duplication throughout these Explanatory Notes, this Section 3 sets out a summary of the provisions that are referred to in the Notice and these Explanatory Notes.

3.2 Listing Rule 7.1 – issues exceeding 15% of capital

Listing Rule 7.1 provides that, subject to certain exceptions, prior approval of shareholders is required for the issue of equity securities if the equity securities will, when aggregated with the equity securities issued by a company during the previous 12 months, exceed 15% of the number of ordinary securities on issue at the commencement of that 12-month period.

Any issue of Shares that is approved by Shareholders at a Meeting for the purposes of Listing Rule 7.1 will not use any of the Company's 15% placement capacity under Listing Rule 7.1.

3.3 **Listing Rule 7.2 – Exceptions to Listing Rule 7.1 and 7.1A**

Listing Rules 7.1 and 7.1A do not apply where an issue of securities is made with the approval of the holders of the entity's ordinary securities under Listing Rule 10.11 or 10.14 (Exception 14 of Listing Rule 7.2).

3.4 **Listing Rules 10.11 – Approval required for certain issues of securities**

Listing Rule 10.11 states that a company must not issue, or agree to issue, equity securities (which includes options to acquire shares and share appreciation rights) to a Related Party without the approval of shareholders under that rule, unless an exception applies.

For the purposes of the Listing Rules, a **Related Party** of a public company includes:

- (a) any person or entity that controls the public company;
- (b) a director of the public company or of an entity that controls the public company (and their spouses, parents and children);
- (c) any person or entity that is controlled by a person or entity which is otherwise a Related Party;
- (d) any person or entity for which there are reasonable grounds to believe that the person or entity is likely to become a Related Party of the public company; or
- (e) any person or entity acting in concert with a person or entity that is otherwise a Related Party of the public company.

Listing Rule 10.12 sets out a number of exceptions to Listing Rule 10.11.

3.5 **Listing Rule 10.13 – requirements for notice of meeting under Listing Rule 10.11**

The notice of meeting to approve the issue of securities to a person under rule 10.11 must include each of the following.

- (a) The name of the person.
- (b) Which category in rules 10.11.1 – 10.11.5 the person falls within and why.
- (c) The number and class of securities to be issued to the person.
- (d) If the securities are not fully paid ordinary securities, a summary of the material terms of the securities.
- (e) The date or dates on or by which the entity will issue the securities, which must not be more than 1 month after the date of the meeting.
- (f) The price or other consideration the entity will receive for the issue.
- (g) The purpose of the issue, including the intended use of any funds raised by the issue.
- (h) If the person is:
 - (i) a director and therefore a related party under rule 10.11.1; or
 - (ii) an associate of, or person connected with, a director under rules 10.11.4 or 10.14.5,

and the issue is intended to remunerate or incentivise the director, details (including the amount) of the director's current total remuneration package.

- (i) If the securities are issued under an agreement, a summary of any other material terms of the agreement.
- (j) A voting exclusion statement.

3.6

Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act prohibits a public company from giving a Financial Benefit to a Related Party of the public company unless providing the benefit falls within a prescribed exception to the general prohibition. Relevantly, there is an exception if the company first obtains the approval of its shareholders in a general meeting in circumstances where certain requirements specified in Chapter 2E in relation to the convening of that meeting have been met.

Whilst similar to the definition of "Related Party" in the Listing Rules, a **Related Party** for the purposes of Chapter 2E includes:

- (a) any person or entity that controls (or is reasonably likely to control) the public company;
- (b) a director (or a relevantly proposed director) of a public company or of any entity that controls the public company (and their spouses, parents and children);
- (c) any person or entity that is controlled by the person or entity which is otherwise a Related Party;
- (d) any person or entity for which there are reasonable grounds to believe that a person or entity is likely to become a Related Party of the public company; or
- (e) any person or entity that acts in concert with a Related Party of the public company on the understanding that the Related Party will receive a Financial Benefit if the public company gives that person or entity a Financial Benefit (see section 228 of the Corporations Act).

As noted above, the definition of a Related Party for the purposes of the Corporations Act is similar to that under the Listing Rules. A key difference is that the Corporations Act concept of being a Related Party by virtue of "acting in concert" is narrower than the Listing Rules concept. Under the Corporations Act a person or entity "acting in concert" with a Related Party will only be a "Related Party" if it does so "on the understanding that the Related Party will receive a Financial Benefit if the public company gives that person or entity a Financial Benefit."

The term **Financial Benefit** used in Chapter 2E has a very wide meaning. It includes the public company paying money or issuing securities to a Related Party. In determining whether or not a Financial Benefit is being given, it is necessary to look to the economic and commercial substance and effect of what the public company is doing (rather than just the legal form). Any consideration which is given or paid for the Financial Benefit is to be disregarded, even if it is full or adequate.

Control, for the purposes of Chapter 2E, is defined in section 50AA. Under that definition an entity controls a second entity if the first entity has the capacity to determine the outcome of decisions about the second entity's financial and operating policies.

3.7

Item 7 of section 611 of the Corporations Act

Under section 606(1) of the Corporations Act, unless certain exemptions apply, a person must not acquire a Relevant Interest in the issued voting shares of a listed company if, as a result of that transaction, that person's (or another person's) Voting Power in the company increases:

- (a) from 20% or below to more than 20%; or

- (b) from a starting point that is above 20% and below 90%.

3.8 Voting Power

The **Voting Power** of a person in a company is determined in accordance with section 610 of the Corporations Act. The calculation of a person's Voting Power in a company involves determining the voting shares in the company in which the person and the person's Associates have a Relevant Interest.

(a) Relevant Interests

Under section 608(1) of the Corporations Act, a person has a **Relevant Interest** in securities if they are the holder of the securities, have the power to exercise, or control the exercise of, a right to vote attached to the securities, or have power to dispose of, or control the exercise of a power to dispose of, the securities.

(b) Associate

For the purposes of determining Voting Power in relation to a company under the Corporations Act, a person (**second person**) is an **Associate** of the other person (**first person**) if:

- (i) the first person is a body corporate and the second person is:
 - (A) a body corporate the first person controls;
 - (B) a body corporate that controls the first person; or
 - (C) a body corporate that is controlled by an entity that controls the first person;
- (ii) the second person has entered or proposes to enter into a relevant agreement with the first person for the purpose of controlling or influencing the composition of the company's board or the conduct of the company's affairs; or
- (iii) the second person is a person with whom the first person is acting or proposes to act, in concert in relation to the company's affairs.

Determining whether persons are "Associates" is a matter of fact. That means the specific factual circumstances must be considered to determine whether a person controls or influences the composition of a company's board or the conduct of a company's business affairs, or acts in concert with a person in relation to a company's business affairs.

(c) Item 7 Exception

Item 7 of section 611 of the Corporations Act provides an exception to the prohibition in section 606(1) of the Corporations Act. The exception provides that a person may acquire Relevant Interests in a company's voting shares that would otherwise be a breach of section 606(1) of the Corporations Act if the shareholders of the company approve the transaction, provided that:

- (i) no votes are cast in favour of the resolution by the acquirer proposing to make the acquisition or their Associates; and
- (ii) shareholders are given all information known to the acquirer or the company that is material to the decision on how to vote.

ASIC Regulatory Guide 74 (Acquisitions Approved by Members) specifies certain additional requirements where a Company seeks shareholder approval under item 7 of section 611 of the Corporations Act.

3.9 Section 136(2) of the Corporations Act

Under section 136(2) of the Corporations Act, the Company may modify or repeal its constitution, or a provision of its constitution, by special resolution.

3.10 Section 327D of the Corporations Act

In the event an auditor of a company is removed from office at a general meeting in accordance with section 329 of the Corporations Act, then the company may at that general meeting (without adjournment), by special resolution immediately appoint an individual, firm or company as auditor of the company if a copy of the notice of nomination has been sent to the individual, firm, or company nominated, each auditor of the company and each person entitled to receive notice of general meetings of the company pursuant to section 328B(3) of the Corporations Act.

3.11 Section 328A

Under section 328A, a company, or the company's directors, must not appoint an individual, firm or company as auditor of the company unless that individual, firm or company has consented, before the appointment, to act as auditor and has not withdrawn that consent before the appointment is made.

For the purposes of this section, a consent, or the withdrawal of a consent, must be given by written notice to the company or the directors of the company.

3.12 Section 328B of the Corporations Act

If a member gives a company notice of the nomination of an individual, firm or company for appointment as auditor of the company, the company must send a copy of the notice to each individual, firm or company and each auditor of the company, and each person entitled to receive notice of general meetings of the company. The copy of the notice of nomination must be sent not less than 7 days before the meeting or at the time the notice of the meeting is given.

3.13 Section 329 of the Corporations Act

Under section 329(1) and 329(1A) of the Corporations Act, an auditor of a company may be removed from office by resolution at a general meeting of which 2 months' notice of intention to move the resolution has been given.

It should be noted that under this section, if a company calls a meeting after the notice of intention has been given, the meeting may pass the resolution even though the meeting is held less than 2 months after the notice of intention is given.

Under section 327D of the Corporations Act, the Company in a general meeting may appoint an auditor to replace an auditor removed under section 329 of the Corporations Act.

3.14 Section 249S of the Corporations Act

Hybrid meetings

A hybrid shareholders' meeting shares characteristics of both a traditional and a virtual meeting, allowing shareholders to opt between attending the meeting in person at a physical venue and attending the meeting online.

Section 249S of the Corporations Act expressly allows a company to hold a meeting of its members at two or more venues using any technology that gives the members as a whole a reasonable opportunity to participate in the meeting. This provision is generally considered broad enough to accommodate hybrid meetings.

Virtual meetings

A virtual general meeting is a meeting whereby shareholders are given the opportunity to attend the general meeting using an online platform which allows shareholders to vote, ask questions and participate electronically in real-time, rather than attend the meeting at a physical venue.

The position relating to virtual-only meetings is less clear than hybrid meetings because of the language used in the Corporations Act, which requires a meeting to be held "*at a reasonable time and place*" and requires that "*place*" to be set out in the notice of meeting (sections 249R and 249L of the Corporations Act, respectively) and while section 249S of the Corporations Act authorises the use of technology, it contemplates this connecting "2 or more venues".

While it could be argued that a website address or other on-line site constitutes a "place" or "venue", the more orthodox view is that these terms imply a requirement for at least one physical location at which shareholders can attend in person if desired.

The Company's opinion is that, provided the virtual platform is sufficient to satisfy all other meeting requirements under the Corporations Act, it should not be automatically discounted on the basis of it being virtual-only. The Company proposes to make certain amendments to the Company's constitution to add further clarification on this issue, and in particular insert the following words at the end of rule 20(l) '*The meeting is to be taken to be held at the place determined by the chair of the general meeting as long as at least one of the members involved was at that place for the duration of the general meeting.*' (emphasis added)

B ORDINARY BUSINESS OF THE MEETING

4. CHANGES TO COMPANY AUDITOR

4.1 Background

In March 2021 the Company advised of its ongoing review of systems, processes and resources during the integration of HWG that are aimed at simplifying the business, increasing operational efficiencies and minimising the cost of doing business. Part of this process has included a review of the professional audit services required by the Company and, accordingly, the Company has recently conducted a tender process for audit services. A Request For Proposal (**RFP**) was sent to four professional audit firms, including Grant Thornton Audit Pty Ltd as the incumbent auditor.

The Company received submissions from the four professional audit firms and, following a thorough assessment and review, has also received a Notice of Intention to Remove Auditor (pursuant to section 329(1A) of the Corporations Act) from the Company Audit and Risk Committee. The Company has reviewed these submissions and proposes to seek shareholders' approval in respect of a new auditor as set out in Section 4.3 below.

4.2 Resolution 1 – Removal of Auditor

Under section 329(1A) of the Corporations Act, an auditor of a company may be removed from office by resolution at a general meeting of which 2 months' notice of intention to move the resolution has been given. It should be noted that under section 329(1A), if a company calls a meeting after the notice of intention has been given, the meeting may pass the resolution even though the meeting is held less than 2 months after the notice of intention is given.

The Company hereby provides the notice of intention to Shareholders as Attachment 1 to this Notice and seeks Shareholder approval pursuant to section 329(1) of the Corporations Act to remove the auditor effective from the date of the Meeting.

4.3 Resolution 2 - Appointment of New Auditor

Under section 327D(1) of the Corporations Act and by way of a Notice of Nomination to appoint an auditor, RSM Corporate Australia Pty Ltd was nominated to be appointed as the Company's auditor.

If Grant Thornton is removed under Resolution 1, the Directors propose that RSM Corporate Australia Pty Ltd be appointed as the Company's auditor effective from the date of the Meeting. The Notice of Nomination of RSM Corporate Australia Pty Ltd as auditor of the Company is provided to Shareholders as Attachment 2 to this Notice of General Meeting. RSM Corporate Australia Pty Ltd has provided written consent to act as the Company's auditor in accordance with section 328A(1) of the Corporations Act, a copy of which is attached as Attachment 2 to this Notice of General Meeting.

Pursuant to section 327(D)(2) of the Corporations Act, the Company may at the general meeting, by special resolution immediately appoint a replacement auditor if a copy of the Notice of Nomination has been sent to the required persons under subsection 328B(3).

If Resolutions 1 and 2 are passed, the appointment of RSM Corporate Australia Pty Ltd as the Company's auditor will take effect at the close of this General Meeting.

4.4 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 1 and 2.

5. CHANGE OF COMPANY NAME

5.1 Background to the Change of Name

TRUL has licensed certain trademarks (including, the brand name 'Toys"R"Us') (the **TRU Mark**) from TRUK, for use in Australia and New Zealand, pursuant to the TRU License Agreement with TRUK.

In April 2021, following the announcement in the USA of a change of ownership of TRUK and further discussions regarding the continuation and development of the relationship between TRUK and TRUL, TRUL and the Company have requested further changes to the TRU License Agreement.

Amendment (No.3) to License Agreement proposes to amend the TRU License Agreement as follows:

- (a) TRUK has authorised TRUL to sublicense the TRU Mark to the Company in order for it to be used as part of the Company's corporate name in the form of 'Toys"R"Us ANZ Limited';
- (b) in the event of the expiration or termination of the Amended License Agreement, the Company has agreed to promptly take all actions necessary to change its name and cease any use of the TRU Mark in the Company's corporate name within ninety (90) days of such expiration or termination;
- (c) HWPL and the Company agreed to provide updated indemnities to TRUK in respect of the Company's use of the TRU Mark; and
- (d) HWPL and the Company are required to enter into amended forms of guaranty.

The sublicense for the Company to be able to use the TRU Mark in its corporate name is seen as being a driver of further potential growth for the Group.

5.2 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 3.

6. SHARE ISSUE TO TRUK

6.1 Background to the Issue of Consideration Shares (Resolution 4)

Resolution 4 is an ordinary resolution which seeks Shareholder approval for the issue of 2,380,852 Shares to TRUK for the purposes of Chapter 2E of the Corporations Act and Listing Rule 10.11 and for all other purposes, and is conditional on Resolution 3 being approved.

6.2 Approval not required under Listing Rule 7.1

Shareholder approval pursuant to Listing Rule 7.1 is not required for the issue of the Consideration Shares to TRUK, as approval is being obtained under Listing Rule 10.11 and Chapter 2E of the Corporations Act (Exception 14 of Listing Rule 7.2). Accordingly, as the issue of the Consideration Shares will be made pursuant to Exception 14 of Listing Rule 7.2, the issue of the Consideration Shares will not be included in calculating the Company's 15% rolling twelve-month placement capacity.

6.3 Listing Rule 10.11 and 10.13 regulatory Requirements

The Company is proposing to issue the Consideration Shares to TRUK, a related party of the Company under Listing Rule 10.11.

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to a related party, unless it obtains approval of its shareholders. The issue of the Consideration Shares falls under Listing 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of the Company's Shareholders under Listing Rule 10.11.

Resolution 4 seeks the required Shareholder approval for the issue of the Consideration Shares under, and for the purposes of, Listing Rule 10.11.

If Resolution 4 is passed, the Company will be able to proceed with the issue of the Consideration Shares. If Resolution 4 is not passed, the Company will not be able to proceed with the issue of the Consideration Shares and it will not be able to proceed with changing its name under Resolution 3.

Information required to be provided pursuant to Listing Rule 10.13:

Person to whom the Securities are to be issued, number of securities and class of securities	<p>The Consideration Shares will be issued to TRUK, which is a Related Party of the Company for the reasons set out in Section 6.4.</p> <p>The maximum number of Consideration Shares to be issued is 2,380,852.</p>
Issue Date	The Consideration Shares will be issued no later than 1 month after the date of the Meeting.
Issue Price	The Consideration Shares will be issued in consideration of TRUK consenting to the Company being granted a sublicense by TRUL to change its name in accordance with Section 5 above. The issue price of the Consideration Shares will be the VWAP for the Company's Shares during the seven (7) days on which trades have occurred before the issue date of those Shares.
Terms of Securities	The Consideration Shares will rank equally in all respects with the Company's existing Shares on issue.
Purpose of the Issue and use funds	<p>The purpose of the issue of Consideration Shares to TRUK is in consideration for TRUK consenting to the further changes to the TRU License Agreement pursuant to the terms of the Amendment (No.3) to License Agreement.</p> <p>No funds will be raised from the issue of the Consideration Shares to TRUK, as the Consideration Shares are being issued for no monetary consideration.</p>
Material terms of agreement	See Section 5 for further details of the Amendment (No.3) to License Agreement.
Voting exclusion	A voting exclusion statement applies to this item of business as set out in the Notice of Meeting.

6.4 Chapter 2E of the Corporations Act

As set out in Section 3.6, a Related Party of the Company includes any entity that controls (or is reasonably likely to control) the Company.

In exchange for consenting to further changes to the TRU License Agreement, including consent to use of the TRU Mark in the Company's corporate name, TRUK will receive the Consideration Shares.

As previously disclosed by the Company to Shareholders in the 2020 Notice of Annual General Meeting (**AGM Notice**), pursuant to the TRU License Agreement, TRUK has been granted, amongst other things, consultation and approval rights in relation to the appointment of any future Chief Executive Officer, Managing Director and Chair of the Company, which may give TRUK the ability to influence the governance structure of the Company going forward. As noted in the AGM Notice, under the Company's constitution, the Chair of the Board has a casting vote at Board meetings. That is, if there are four Directors and only two Directors vote in favour of a motion, the Chair will have the deciding vote. As TRUK has power to approve the appointment of two Directors to the Board (including the Chair), it will in turn have power to approve the appointment of the persons who control the decisions of the Board.

Whilst there is an exception to the requirement to obtain Shareholder approval if the Financial Benefit is given on arm's length terms (pursuant to section 210 of the Corporations Act), the Directors have determined given the nature of the proposed arrangements it is appropriate to seek Shareholder approval for the issue of the Consideration Shares for the purpose of Chapter 2E of the Corporations Act.

6.5 Chapter 2E of the Corporations Act Regulatory Requirements

For the reasons set out above, the issue of the Consideration Shares to TRUK may confer Financial Benefits on TRUK. The Company therefore seeks the approval of Shareholders in accordance with Chapter 2E of the Corporations Act. For this reason and for all other purposes the following information is provided to Shareholders

- (a) The Related Parties to whom the Financial Benefits are to be given
TRUK (or its nominees).
- (b) The nature of the Financial Benefits to be given
The issue of 2,380,852 Shares to TRUK (or its nominees).
- (c) Interest of Directors
The issue of the Consideration Shares will not have an effect on the interests of any directors of the Company.
- (d) Valuation
The VWAP for the Company's Shares during the seven (7) days on which trades have occurred before the issue date of those Shares will determine the theoretical value of the Shares.
- (e) Trading History
In the 12 months prior to the date of this Notice, the Company's trading history is as follows:

Description	Date	Closing Share Price
High	26 October 2020	\$ 0.155
Low	23 May 2020	\$ 0.022
Last	20 May 2021	\$ 0.081

(f) Dilutionary effect

If Resolution 4 is approved, and the Consideration Shares are issued to TRUK, the effect on the current issued capital of the Company will be as shown in the table below:

(g) Tax Consequences

The Company has significant carried forward tax losses that may be available to offset taxable income in future years if the Company can satisfy one of the loss recoupment tests, being either the continuity of ownership test (**COT**) or similar business test (**SBT**).

Broadly the COT is satisfied if the Company has the same persons with the same interests, holding more than 50% of the Company's voting power, rights to dividends and rights to capital distributions at all times during the test period (being the start of the loss year to the end of the income year in which the losses are utilised). As a listed entity, the Company is able to utilise the modified COT rules under Division 166 of the *Income Tax Assessment Act* 1997 (Cth). These rules provide that for direct stakes of less than 10%, there is no requirement to trace through to ultimate natural persons and are instead treated one single 'notional Shareholder'.

The Company has assessed that it currently satisfies the COT. Following issue of the shares to TRUK the Company will reassess if the COT remains satisfied. If this is not the case, the Company will need to satisfy the SBT for carried forward losses to remain available to offset any future taxable income.

SBT allows businesses to access losses following a change in ownership where its business, while not the same, is similar having regard to:

a) the extent to which the assets that are used in its current business to generate assessable income were also used in its former business to generate assessable income;

b) the extent to which the activities and operations from which its current business generated assessable income were also the activities and operations from which its former business generated assessable income;

c) the identity of its current business and the identity of its former business; and

d) the extent to which any changes to the former business resulted from the development or commercialisation of assets, products, processes, services or marketing or organisational methods of the former business.

- (h) Any other information that is reasonably required by Shareholders to make a decision and that is known to the Company or any of its Directors

Other than as set out in these Explanatory Notes, the Directors are not aware of any other information that will be reasonably required by Shareholders to make a decision in relation to the Financial Benefits contemplated by Resolution 4.

6.6 Escrow of Consideration Shares

Pursuant to section 707(3) of the Corporations Act, without issuing a cleansing prospectus, the shares are not permitted to be on-sold by TRUK within 12 months of their issue date. The quantum of Consideration Shares to be issued to TRUK is too small to justify the burdensome and costly exercise of the Company preparing and issuing a cleansing prospectus under section 708A(11) of the Corporations Act. The Company is of the opinion that a voluntary escrow arrangement for the issue of the Consideration Shares is necessary to prevent the inadvertent contravention of section 707(3) of the Corporations Act.

TRUK has agreed to enter into an escrow deed with respect to the Consideration Shares. The share escrow deed prohibits TRUK from dealing with the Consideration Shares issued to it for a period of 12 months from the date of issue (**Escrow Period**). During the Escrow Period, the Consideration Shares will be held by the Company in its Issuer Sponsored Sub-Register.

During the Escrow Period, TRUK is entitled to exercise all rights (voting) and benefits (dividends) attaching to the Consideration Shares, but may not sell/transfer, or agree to sell/transfer, the Shares until they are released from escrow by the Company.

There are limited exceptions to the restrictions on dealing in the Consideration Shares, including where a takeover bid is made for the Company or the Company proposes a scheme of arrangement under the Corporations Act involving the acquisition of a majority of the Shares of the Company.

6.7 Board Recommendation

The Board unanimously recommends that Shareholders vote in favour of Resolution 4.

7. CHANGES TO THE COMPANY CONSTITUTION

7.1 Background to Changes to Company Constitution (Resolution 5)

The Directors propose to make a small number of potential improvements to the Company's constitution, including:

- (a) streamlining administrative processes relating to the annual retirement and re-election of Directors, such that where the total number of Directors after excluding any managing director(s) and a Director appointed during the year to fill a casual vacancy is 4 or less, then 1 of the remaining Directors must retire from office or, if the number is more than 4, one third of those Directors (to the nearest whole number) must retire from office and being eligible may stand for re-election;
- (b) allowing the holding of virtual or hybrid meetings of shareholders in accordance with relevant legislation including the Corporations Act;
- (c) amending Rule 78 of the Company's constitution to bring the provisions of this rule in compliance with the ASX Listing Rules;
- (d) correcting several cross referencing errors;
- (e) replacing term "Chairman" with the gender neutral term of "Chair"; and
- (f) amending and/or updating a number of definitions to comply with updated legislation and legislative requirements.

Section 136 of the Corporations Act provides that a company may modify its constitution, or a provision of its constitution, by special resolution. The Company is taking the opportunity of the Meeting of Shareholders to propose a number of changes to the Company's constitution that will be beneficial to the Company in the future, as set out above.

7.2 Amendment 1 – Definitions

- (a) Law
 - (i) The definition of 'Law' is deleted from Rule 1.1 of the Company constitution; and
 - (ii) all references to 'Law' in the Constitution are deleted and replaced with the term 'Corporations Act'.
- (b) The Following definition of 'Corporations Act' is inserted in Rule 1.1 of the Company Constitution between the definitions of 'business day' and 'Exchange':

'Corporations Act means the Corporations Act 2001 (Cth)'

- (c) The Following definition of 'Listed Company' is inserted in Rule 1.1 of the Company Constitution between the definitions of 'Exchange' and 'Listing Rules':

'Listed Company means a company admitted to, and not removed from, the official list of entities of the Exchange' (emphasis added)

- (d) The definition of 'Listing Rules' is deleted and replaced as follows:

'Listing Rules means the Official Listing Rules of the Exchange (as varied or waived by a body with power to do so) as they apply to the company' (emphasis added)

7.3

Amendment 2 – Insertions, deletions and amendments

- (a) After Rule 1.2 and before Rule 2, insert a new rule numbered 1.3 with the sub-heading 'Replaceable rules excluded' containing the following:
- 'Those provisions of the Corporations Act designated as replaceable rules do not apply to the company except so far as they are repeated in this constitution.'* (emphasis added)
- (b) After the new Rule 1.3 and before Rule 2, insert a new rule numbered 1.4 with the sub-heading 'Paramount effect of Listing Rules' containing the following:
- (a) *While the company remains a Listed Entity, the following provisions apply:*
- (1) *despite anything contained in this constitution, if the Listing Rules prohibit an act being done, the act must not be done;*
 - (2) *nothing contained in this constitution prevents an act being done that the Listing Rules require to be done;*
 - (3) *if the Listing Rules require an act to be done or not to be done, authority is given for that act to be done or not to be done (as the case may be);*
 - (4) *if the Listing Rules require this constitution to contain a provision and it does not contain such a provision, this constitution must be treated as containing that provision;*
 - (5) *if the Listing Rules require this constitution not to contain a provision and it contains such a provision, this constitution must be treated as not containing that provision; and*
 - (6) *if any provision of this constitution is or becomes inconsistent with the Listing Rules, this constitution must be treated as not containing that provision to the extent of the inconsistency.*
- (b) *Where any rule, or provision in any rule, is expressed to be subject to the Listing Rules or contains words to the same effect, the rule or provision is only subject to the provisions of the Listing Rules while the company remains a Listed Entity.'* (emphasis added)
- (c) Table A and other rules do not apply
- Rule 4 is deleted as Rule 1.3 was inserted, and all subsequent rule numbers are amended to account for the deletion.
- (d) Cross referencing
- All rule cross-referencing throughout the Constitution is amended to reflect the updated numbering of the rules.
- (e) Chairman
- The term 'Chairman' or 'chairman' is deleted and replaced throughout the Constitution with the term 'Chair' and 'chair' respectively.
- (f) In Rule 74, after the words 'telex or facsimile or' insert the following words:
- 'email or'* (emphasis added)
- (g) Subject to Resolution 3 being passed, all references to 'Funtastic' throughout the Constitution is deleted and replaced with 'Toys"R"Us ANZ Limited'.

7.4 Amendment 4 - Hybrid and Virtual Meetings

(a) Background to Hybrid and Virtual Meetings

Given the advancements in technology in recent years, the Company has considered ways to maximise Shareholder participation and minimise the time and cost involved in holding general meetings, including the Company's AGM.

Virtual general meetings are meetings whereby shareholders are given the opportunity to attend the general meeting using an online platform which allows shareholders to vote, ask questions and participate electronically in real-time, rather than attend the meeting at a physical venue.

Hybrid general meetings share characteristics of both a traditional and a virtual meeting, allowing shareholders to opt between attending the meeting in person at a physical venue and attending the meeting online.

The company's virtual meeting platform is Zoom which is a cloud-based video communications app that allows you to set up virtual video and audio conferencing, webinars, live chats, screen-sharing, and other collaborative capabilities.

(b) After Rule 24(b) but before Rule 25, insert a new rule number 24(c) containing the following:

'The company may, solely or partly by technology, hold a meeting of its members at 2 or more venues simultaneously using any technology that, in the opinion of the directors, gives the members as a whole a reasonable opportunity to participate.' (emphasis added)

(c) Rule 29(c) is deleted and replaced as follows:

'A person present, whether at the main place of the meeting or by audio visual link, at a general meeting at the request of the directors or the chair is entitled to speak at the meeting if the chair allows.' (emphasis added)

(d) At the end of Rule 29(l) the following words are inserted:

'The meeting is to be taken to be held at the place determined by the chair of the general meeting as long as at least one of the members involved was at that place for the duration of the general meeting.' (emphasis added)

(e) After Rule 29(l), insert a new Rule 29(m) as follows:

'If, before or during the meeting, any technical difficulty occurs where one or more of the matters in rule 30(l) are not satisfied, the chair may:

(1) adjourn the meeting until the difficulty is remedied; or

(2) continue to hold the meeting in the main place (and any other place which is linked under rule 30(l) and transact business, and no member may object to the meeting being held or continuing' (emphasis added)

(f) The current Rule '29(m)' is renumbered as '29(n)'.

(g) In Rule 41(b), after the words 'The meeting', the following words are inserted:

',' held solely or partly by technology,' (emphasis added)

7.5 Amendment 5 – Restricted Securities

(a) Background to Amendment 5

Listing Rule 9.1(a) requires an ASX listed entity to include in its constitution the provisions set out in ASX Listing Rule 15.12. ASX Listing Rule 15.12 prescribes the required provisions for a “Restricted Securities” clause in the constitution of a listed entity. Whilst the Company’s constitution includes the majority of the provisions required by Listing Rule 15.12, further amendments are required to fully satisfy the requirements of Listing Rule 15.12. Accordingly, it is proposed that Rule 78 of the Company’s constitution be amended to include all required provisions under Listing Rule 15.12.

(b) Rule 78 is deleted and replaced as follows:

‘Despite any other provision in this constitution, if at any time any of the share capital of the company is classified by the Exchange as “restricted securities” then despite any other provision of this constitution:

- (a) the holder of the restricted securities must not dispose of, or agree to dispose of, the restricted securities during the escrow period applicable to those securities, except as permitted by the Listing Rules or the Exchange;*
- (b) if the restricted securities are in the same class as quoted securities, the holder will be taken to have agreed in writing that the restricted securities are to be kept on the company’s issuer sponsored sub-register and are to have a holding lock applied for the duration of the escrow period applicable to those restricted securities;*
- (c) the company must refuse to acknowledge a disposal (including registering a transfer) of the restricted securities during the escrow period except as permitted by the Listing Rules or the Exchange;*
- (d) a holder of restricted securities will not be entitled to participate in any return of capital on those securities during the escrow period applicable to those restricted securities except as permitted by the Listing Rule or Exchange; and*
- (e) if a holder of restricted securities breaches a restriction deed or a provision of this constitution restricting a disposal of those securities the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues.’ (emphasis added)*

7.6 Board Recommendation

DEFAULT TO THE CHAIR OF THE MEETING

Any directed proxies that are not voted on a poll at the Meeting will default to the Chair of the Meeting, who is required to vote these proxies as directed. Any undirected proxies that default to the Chair of the Meeting will be voted according to the instructions set out in this Proxy Voting Form, including where the Resolutions are connected directly or indirectly with the remuneration of KMP.

STEP 2 - VOTES ON ITEMS OF BUSINESS

You may direct your proxy how to vote by marking one of the boxes opposite each item of business. All your shares will be voted in accordance with such a direction unless you indicate only a portion of voting rights are to be voted on any item by inserting the percentage or number of shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the items of business, your proxy may vote as he or she chooses. If you mark more than one box on an item your vote on that item will be invalid.

APPOINTMENT OF SECOND PROXY

You may appoint up to two proxies. If you appoint two proxies, you should complete two separate Proxy Voting Forms and specify the percentage or number each proxy may exercise. If you do not specify a percentage or number, each proxy may exercise half the votes. You must return both Proxy Voting Forms together. If you require an additional Proxy Voting Form, contact Automic Registry Services.
