About Sezzle Inc.

Sezzle is a rapidly growing fintech company on a mission to financially empower the next generation. Sezzle's payment platform increases the purchasing power for millions of Active Consumers by offering interest-free installment plans at online stores and select in-store locations. This increase in purchasing power for consumers leads to increased sales and basket sizes for the more than 34,000 Active Merchants that offer Sezzle. Sezzle's transparent, inclusive, and seamless payment option allows consumers to take control over their spending, be more responsible, and gain access to financial freedom.

When consumers apply, approval is instant, and their credit scores are not impacted, unless the consumer elects to opt-in to a credit building feature, called Sezzle Up.

Sezzle CDIs

Sezzle's CDIs are issued in reliance on the exemption from registration contained in Regulation S of the US Securities Act of 1933 (Securities Act) for offers of securities which are made outside the US. Accordingly, the CDIs, have not been, and will not be, registered under the Securities Act or the laws of any state or other jurisdiction in the US. As a result of relying on the Regulation S exemption, the CDIs are 'restricted securities' under Rule 144 of the Securities Act. This means that holders are unable to sell the CDIs into the US or to a US person who is not a QIB for the foreseeable future except in very limited circumstances until after the end of the restricted period, unless the re-sale of the CDIs is registered under the Securities Act or an exemption is available. To enforce the above transfer restrictions, all CDIs issued bear a FOR Financial Product designation on the ASX. This designation restricts any CDIs from being sold on ASX to US persons excluding QIBs. However, you are still able to freely transfer your CDIs on ASX to any person other than a US person who is not a QIB. In addition, hedging transactions with regard to the CDIs may only be conducted in accordance with the Securities Act.
