Overview

Think Childcare Group (ASX:TNK) ("**Think**" or the "**Group**") is pleased to announce that it has entered into a binding Implementation Agreement ("**Implementation Agreement**" or "**IA**") with Busy Bees Early Learning Australia Pty Ltd ("**Busy Bees**").

The Implementation Agreement provides for the proposed acquisition by :

- Busy Bees of 77.85% of the shares on issue in Think Childcare Limited ("**TNK**"); and
- Busy Bees subsidiary, FEL Child Care Developments Pty Ltd ("**FEL Dev**"), of 77.85% of the shares on issue in Think Childcare Development Limited ("**TND**"),

(together, "**Stapled Securities**") under two inter-conditional schemes of arrangement (i.e., a TNK Scheme and a TND Scheme, together the "**Schemes**") between Independent Securityholders (being all Think securityholders other than Mathew Edwards and his controlled entities (collectively, "**MGE Entities**")) for the aggregate cash consideration of \$3.20 per Stapled Security ("**Scheme Consideration**") subject to all applicable conditions being satisfied or waived and the Schemes being implemented. Busy Bees will acquire the remaining 22.15% of the TNK shares on issue from the MGE Entities directly under a private treaty agreement for the same consideration payable under the TNK Scheme.

Under the terms of the Implementation Agreement:

- Think is permitted to pay a fully franked cash dividend of up to \$0.24 per Stapled Security ("**Permitted Dividend**") on or prior to implementation of the Schemes, with the Scheme Consideration to be reduced by the amount of any such Permitted Dividend. The amount of the Permitted Dividend will be determined by the Think

⁴ The Independent Directors are all directors of the Group, excluding Mathew Edwards.

Board (in its absolute discretion) having regard to a range of factors, including the availability of franking credits and a class ruling from the Australian Taxation Office. Details of any Permitted Dividend will be provided in the explanatory booklet to be circulated to Think securityholders in relation to the Schemes.

- Think is also permitted to pay a fully franked cash dividend of up to \$0.08 per Stapled Security ("**Interim Dividend**"). The Think Board intends to declare and pay (in its absolute discretion) the Interim Dividend subject to the finalisation of Think's interim results for the six months ending 30 June 2021. The Interim Dividend is not conditional on the Schemes proceeding and will not operate to reduce the Scheme Consideration received by Think securityholders.

Busy Bees will acquire the remaining 22.15% of the TNK shares on issue (i.e., those not being acquired by Busy Bees under the TNK Scheme) from the MGE Entities under a private treaty agreement ("**MGE Share Acquisition Agreement**") for the same consideration attributable to the TNK shares under the TNK Scheme. The MGE Share Acquisition Agreement includes restrictions on the MGE Entities dealing in Think Group securities, a requirement that they vote against competing proposals and exclusivity commitments from the MGE Entities to Busy Bees.

Busy Bees FEL Dev have been granted joint bid relief by the Australian Securities and Investment Commission consistent with Part M of ASIC Regulatory Guide 9. The terms of the relief do not include a "match or accept" condition.

MGE Acquisition

In addition to the Schemes, the Implementation Agreement contemplates that:

- immediately following, but subject to, implementation of the Schemes, one or more of the MGE Entities will acquire the development business of the Think Childcare Group, comprised of the following assets and liabilities, for nominal consideration under separate agreements between TNK, Busy Bees and the relevant MGE Entities:
 - all of TND shares acquired by FEL Dev under the TND Scheme (such that the MGE Entities will own 100% of the issued share capital of TND);
 - the "Nido" branded childcare centre located in Franklin, ACT;
 - the "Nido" brand and associated intellectual property rights;
 - the head office function and certain specified non-income producing assets of the Group (including the assumption of the head office and related employee costs and associated liabilities of TNK and entities that hold leases for TNK development greenfield sites); and

- 100% of the shares in Think Childcare Services Pty Ltd (being the entity that holds all childcare centre service approvals for each TNK centre that is the subject of the Centre Management Agreement (as detailed below)),

(together the “**Think Rump**”); and

- TNK and one of the MGE Entities will enter into a Centre Management Agreement (“**Management Agreement**”) under which the MGE Entity will manage 35 Nido Centres (as at the commencement date) owned by TNK for a term not exceeding three years and for an amount not exceeding A\$100,000 per centre per annum. These are considered to be arm’s length terms.

(together, the “**MGE Acquisition**”).

The MGE Acquisition will be subject to Think securityholder approval at general meetings to be held immediately after the Scheme meetings, for the purposes of sections 200B and 200C and Chapter 2E of the Corporations Act and ASX Listing Rule 10.1.

Think securityholder approval of the MGE Acquisition will also be a condition of the Schemes proceeding.

Accordingly, the Schemes and the MGE Acquisition are commercially integrated transactions and neither will proceed if the other does not.

Unanimous recommendation of the Independent Directors

The Independent Directors of Think⁵ (“**Independent Directors**”) consider that the Schemes and the MGE Acquisition are in the best interest of Independent Securityholders and unanimously recommend that Independent Securityholders vote in favour of the Schemes and the resolutions to be proposed at general meetings to be held immediately after the Scheme meetings, in the absence of a Superior Proposal and subject to an Independent Expert concluding in the Independent Expert’s Report (and continuing to conclude) the Schemes are in the best interests of Independent Securityholders and the MGE Acquisition is either fair and reasonable or not fair but reasonable to Independent Securityholders.

Subject to those same qualifications, each Independent Director intends to vote all Stapled Securities held or controlled by them in favour of the Schemes and the resolutions to be proposed at general meetings to be held immediately after the Scheme meetings.

⁵ The Independent Directors are all directors of the Group, excluding Mathew Edwards.

For personal use only

In making this recommendation, the Independent Directors have considered several factors, including:

- **Premium:** the Scheme Consideration of \$3.20 per Stapled Security represents a:
 - 52% premium to Busy Bees' previous non-binding and indicative proposal of \$2.10 per Stapled Security (announced on 20 January 2021);
 - 83% premium to Alceon Group's ("Alceon") previous non-binding and indicative proposal of \$1.75 per Stapled Security (announced on 24 December 2020);
 - 176% premium to the 10 trading day VWAP⁶; and
 - 192% premium to the one month VWAP⁶.
- **Certainty of value:** Think's securityholders will receive 100% cash consideration at a certain cash price; and
- **Limited conditionality:** the Schemes are subject to customary conditions for a transaction of this nature, including (but not limited to) regulatory, court and Think securityholder approval and no material adverse change occurring in relation to Think. The Schemes are not subject to financing or due diligence.⁷

Mathew Edwards has abstained from making a recommendation on the Schemes and the MGE Acquisition, given his material personal interest in the MGE Acquisition and the commercially integrated nature of the Schemes and the MGE Acquisition. Mathew Edwards and the other MGE Entities will also be excluded from voting on or participating in the Schemes. They will also be excluded from voting on all of the resolutions to be proposed at the general meetings to be held immediately after the Scheme meetings, apart from technical resolutions required to facilitate the implementation of the Schemes (including the unstapling of the TNK and TND shares and a special resolution to approve a proposed technical amendment of the constitution of TNK).

Think Childcare and Independent Board Committee Chairman, Mark Kerr, said:

"We are proud of what the Think team has created, and the proposed transaction is an endorsement of the quality of our brand and the exceptional company that our people have built over a number of years. It also reflects the strong trading performance of the Group coming out of the challenging COVID-19 period. We are pleased to be entering into a

⁶ VWAP means the volume weighted average price of TNK shares based on cumulative trading volume and value up to and including 13 November 2020, being the last trading date prior to the announcement of the indicative proposal from Alceon Group Pty Ltd to acquire 100% of the Group.

⁷ Busy Bees has agreed to provide an interest-free loan to Think to fully or partly fund (as required) the payment of any Permitted Dividend (if declared by the Think Board). Think can only access the loan from Busy Bees if the Schemes become legally effective.

binding transaction with Busy Bees today and believe it is in the best interests of our securityholders. It provides an opportunity for securityholders to realise a significant premium, 348% above the 90 day VWAP to the trading price of Think's securities prior to the original announcement of Alceon's indicative proposal in November 2020 and some 320%, excluding dividends, above our IPO price in October 2014."

Chief Executive Officer of Busy Bees Early Learning Australia, Robert Hughes said: "We are delighted to partner with Think Childcare and welcome it to the Busy Bees family. In doing so, we are able to support more children, families and staff than ever before across Australia. Think Childcare is a high-quality business and offers Busy Bees a compelling opportunity and platform for continued growth, whilst strengthening our global portfolio and bringing further talent into the Busy Bees business. We are very impressed by Think Childcare's track record and believe the business' vision and core values are consistent with our own, and we are committed to continued growth to enable more children the opportunity to have the best start in life."

Independent Expert's Report

The Board has appointed Grant Thornton as the independent expert to prepare a report opining on whether the Schemes are fair and reasonable and in the best interests of Think's independent securityholders and as to whether the MGE Acquisition is fair and reasonable to Think's independent securityholders. Guidance update

Whilst the business is trading in line with expectations, given the pending transaction, TNK has paused acquisitions from third parties, and as a result, full year Group guidance is adjusted to \$23m (EBITDA underlying).

Think securityholders do not need to take any action at the present time.

An Explanatory Booklet containing information relating to the Schemes and the MGE Acquisition, reasons for the Independent Directors' recommendation, the Independent Expert's Report for independent securityholders and the details of the Scheme meetings and general meetings, is expected to be sent to Think securityholders in mid August 2021.

Securityholders will be given the opportunity to vote on the Schemes at Court-convened shareholder meetings of TNK and TND. Securityholders will also vote to approve the MGE Agreements and other technical matters required to facilitate the implementation of the Schemes (including the unstapling of the TNK shares and TND shares and a special resolution to approve a proposed technical amendment of the constitution of TNK) at general meetings of TNK and TND to be held immediately after the Scheme meetings.

 - (i) subject to Independent Securityholders approving the Schemes at the Scheme Meetings and the Court approving the Schemes in accordance with section 411(4)(b) of the Corporations Act (**Exercise Condition**), the Performance Rights which the Think Group Boards have determined will become exercisable in accordance with clause 5(b)(i), will vest on the basis that all vesting conditions will be deemed to have been satisfied and that if the Performance Rights Holder wants to exercise those Performance Rights, the Performance Rights Holder must provide notice to Think Group prior to the Second Court Date confirming that they wish to exercise those Performance Rights subject to the Exercise Condition being satisfied; and
 - (ii) subject to the Performance Rights Holder conditionally exercising their rights in accordance with clause 5(a)(i), Think Group agrees to transfer to each Performance Rights Holder (from the pool of Stapled Securities held by the trustee

- (c) Think Group confirms that that trustee of the Think Childcare Employee Share Trust already holds 478,638 Stapled Securities as at the date of this agreement and undertakes to Busy Bees:

6. Recommendation and intentions

6.1 Independent Directors Recommendation and Voting Intention

- (a) Subject to clause 6.2, Think Group must ensure that the Announcement, the Explanatory Booklet and each public statement made by Think Group in relation to the Proposed Transaction state that each Independent Director:
- (i) considers the Schemes and the MGE Acquisition to be in the best interest of Independent Securityholders and that the Independent Directors recommend that Independent Securityholders vote in favour of the Schemes, the MGE Agreements Approval Resolutions and the Appointor Structure Approval Resolutions (**Recommendation**); and
 - (ii) intends to cause any Think Group Securities in which it has a Relevant Interest or Voting Power to be voted in favour of the Schemes, the MGE Agreements Approval Resolutions and the Appointor Structure Approval Resolutions (**Voting Intention**),

in each case qualified only by words to the effect of:

- (iii) *'in the absence of a Superior Proposal'*;
- (iv) prior to registration by ASIC of the explanatory statement included in the Explanatory Booklet: *'subject to the Independent Expert concluding that the Schemes are in the best interest of Independent Securityholders and the MGE Acquisition is either fair and reasonable or not fair but reasonable to Independent Securityholders'*; and

- For personal use only
- (v) from registration by ASIC of the explanatory statement included in the Explanatory Booklet (including in any statements related to the Recommendation and Voting Intention in the Explanatory Booklet): *'subject to the Independent Expert continuing to conclude that the Schemes are in the best interest of Independent Securityholders and the MGE Acquisition is either fair and reasonable or not fair but reasonable to Independent Securityholders'*.
 - (b) Subject to clause 6.2, Think Group must ensure that the Independent Directors collectively, and individually, do not change, withdraw or modify its, his or her Recommendation or Voting Intention unless:
 - (i) Think Group has received, other than as a result of a breach of clause 16, a Superior Proposal and (i) has entered into a legally binding agreement to undertake or give effect to that proposal or (ii) in the case of a proposal by way of takeover bid which is not subject to an agreement with Think Group, an announcement has been made which attracts section 631(1) of the Corporations Act; or
 - (ii) the Independent Expert concludes in the Independent Expert's Report (either in its initial report or any subsequent update of its report) that the Schemes are not in the best interest of the Independent Securityholders or the MGE Acquisition is not fair and not reasonable to Independent Securityholders,and Think Group has complied with its obligations under clause 16 (including ensuring that all of Busy Bees' rights under clause 16.7 have been exhausted).
 - (c) Without limiting the operation of the preceding provisions of this clause 6, if circumstances arise, including the receipt or expected receipt of an unfavourable report from the Independent Expert (including either the Independent Expert's Report or any update of, or any revision, amendment or supplement to, that report) which may lead to any one or more Independent Directors changing, withdrawing or varying his or her Recommendation or Voting Intention, Think Group must:
 - (i) immediately notify Busy Bees of this fact; and
 - (ii) consult with Busy Bees in good faith for two Business Days after the date on which the notice under clause 6.1(c)(i) is given to consider and determine whether there are any steps that can be taken to avoid such a change, withdrawal or variation (as applicable).

6.2 Exclusion from Recommendation

The obligation of Think Group under clause 6.1 to ensure that each Independent Director provides and maintains the Recommendation is qualified to the extent that any Independent Director considers, after first obtaining written advice from independent Senior or Queen's Counsel of the New South Wales or Victorian bar that as a result of a change in law or change in the Independent Director's circumstance after the date of this agreement he or she should not provide or continue to maintain any recommendation (positive or adverse) because that Independent Director has an interest in either of the Schemes that is so materially different from other Think Group Securityholders that it would properly preclude or render it inappropriate for him or her to provide any such recommendation, in which case the Independent Director may withdraw their Recommendation, and must abstain from providing a recommendation.

6.3 Confirmation

Think Group represents and warrants to Busy Bees that each Independent Director has confirmed that he or she intends to make the Recommendation and the Voting Intention and his or her agreement not to do anything inconsistent with their Recommendation and Voting Intention (including withdrawing, changing or in any way qualifying their Recommendation or Voting Intention) other than in the circumstances referred to in clauses 6.1(b).

 - (i) in the case of clause 11.3(a)(i), until the earlier of 7 years from the Implementation Date and the relevant member of the Think Consolidated Group ceasing to be an Affiliate of Busy Bees; or
 - (ii) in the case of clause 11.3(a)(ii), until the earlier of 7 years from the retirement of each director and officer and the relevant member of the Think Consolidated Group ceasing to be an Affiliate of Busy Bees.

11.4 Directors' and officers' insurance

Busy Bees acknowledges and agrees that Think Group may in respect of Think Group and all other members of the Think Consolidated Group:

- (a) prior to the Effective Date, arrange for the cover currently provided under the directors' and officers' insurance policy for Think Group and all other members of the Think Consolidated Group to be extended for a further period of up to 12 months, provided the premium is no more than the amount contemplated in the Approved Budgets;
- (b) prior to the Effective Date, engage Think Group's insurance broker to run a process for the directors' and officers' run-off insurance policy, in respect of the directors and officers of any Think Consolidated Group Member that applies for no more than a 7 year period following the Implementation Date (**Run-off Policy**), seeking proposals from reputable insurers that have a rating that is the same as, or better than, the rating of the insurers for the directors' and officers' insurance policy in place for the current financial year to provide the Run-off Policy on the following basis:
 - (i) the same amount of coverage;
 - (ii) the same deductible or excess; and
 - (iii) otherwise on terms that are no less favourable to the current directors or officers of Think Group for the current financial year but which for the avoidance of doubt may be at a higher premium than the current directors' and officers' insurance policy;
- (c) keep Busy Bees reasonably informed of all material developments in the process and provide a copy of the proposals received under the process; and
- (d) prior to the Implementation Date enter into the Run-off Policy which is the lowest cost (inclusive of the costs of brokerage, stamp duty and any other transaction costs in relation thereto) of the proposals received under the process in clause 11.4(b), provided such policy satisfies the requirements in clauses 11.4(b)(i) to 11.4(b)(iii) inclusive), and pay all premiums required so as to ensure that insurance cover is provided under the Policy on those terms until that date.

11.5 Obligations in relation to directors' and officers' insurance

From the Implementation Date, Think Group must not:

- (a) vary or cancel the Policy or Run-off Policy; or

- (a) Immediately after the execution of this agreement, Think Group must issue the Announcement to the ASX.
- (b) Subject to clause 12.2(c), any further public announcements by Think Group in relation to, or in connection with, the Proposed Transaction or any other transaction related to this agreement or the Schemes or the MGE Acquisition, may only be made in a form approved by each of Think Group and Busy Bees in writing (acting reasonably).
- (c) Where a party is required by law or the Listing Rules to make any announcement or to make any disclosure in relation to, or in connection with the Proposed Transaction or any other transaction related to this agreement or the Schemes or the MGE Acquisition, it may do so to the extent legally required and only then after it has given the other party as much notice as possible and has consulted in good faith to the fullest extent possible in the circumstances with the other party.

12.3 Statements on termination

The parties must use all reasonable endeavours to issue agreed statements in respect of any termination of this agreement and, to that end but without limitation, clause 12.2 applies to any such statements or disclosures.

 - (ii) in accordance with clause 3.7(b);
 - (iii) if the Court refuses to make any order directing Think Group to convene both Scheme Meetings, provided that both Think Group and Busy Bees have met and consulted in good faith and agreed that they do not wish to proceed with the Schemes; or

even if permitted under this agreement, but other than a withdrawal of Recommendation permitted by clause 6.2, which for the avoidance of doubt will not extend to any Independent Director adversely revising or adversely modifying his or her Recommendation or Voting Intention or making a public statement indicating that they recommend, endorse or support a Competing Proposal.

- (ii) any Think Group Director recommends, endorses or supports a Competing Proposal (including support by way of accepting or voting in favour of a Competing Proposal) or any member of the Think Consolidated Group accepts or enters into or offers to accept or enter into, any agreement, arrangement or understanding to give effect to or implement a Competing Proposal (even if permitted under this agreement);
- (iii) any Think Consolidated Group Member acts in a manner which is materially inconsistent with obtaining approval for the Schemes and implementing the Proposed Transactions;
- (iv) Think Group breaches clause 8.1 and, the breach is either incapable of being remedied, or if the breach is capable of remedy, Think Group has failed to remedy that breach within 10 Business Days (or by the Delivery Time, if earlier) of receipt by it of a notice in writing from Busy Bees setting out details of the relevant circumstance and requesting Think Group to remedy the breach; or
- (v) Think Group breaches clause 16.

13.2 Termination for breach of representations and warranties

- (a) Busy Bees may, by notice in writing to Think Group, terminate this agreement at any time prior to the Delivery Time if:

13.3 Effect of termination

- (a) In the event of termination of this agreement under clause 3.7(b), 13.1 or 13.2, this agreement will be void and have no effect, except that the provisions of clauses 1, 10.7, 10.8, 11, 12, 13, 14 and 19.3 to 19.15 (inclusive) survive termination.
- (b) Termination of this agreement does not affect any accrued rights of a party in respect of a breach of this agreement prior to termination.

14. Think Group Break Fee

14.1 Background

- (a) Think Group and Busy Bees acknowledge and agree that, if they enter into this agreement and the Schemes are subsequently not implemented, Busy Bees will incur significant costs including those described in clause 14.2 and that while Busy Bees is prepared to absorb those costs if the Schemes are implemented because Busy Bees will benefit in that scenario, it will not benefit if the Schemes are not implemented.
- (b) In the circumstances referred to in clause 14.1(a), Busy Bees has requested that provision be made for the payments outlined in clause 14.3, without which Busy Bees would not have entered into this agreement.
- (c) The IBC believes that the Schemes will provide benefit to Think Group and Independent Securityholders and that it is appropriate for Think Group to agree to the payments referred to in this clause 14 in order to secure Busy Bees' participation in the Proposed Transaction.
- (d) Think Group acknowledges that it has received external legal advice on this agreement and the operation of this clause 14.

14.2 Costs incurred by Busy Bees

- (a) The fee payable under clause 14.3 has been calculated to reimburse Busy Bees for the following:
 - (i) fees for legal, taxation and financial advice in planning and implementing the Schemes;

- (b) The parties acknowledge that:
 - (i) the amount of fees, costs and losses referred to in this clause 14.2 is inherently unascertainable and that, even after termination of this agreement, the costs will not be able to be accurately ascertained; and
 - (ii) the amount of the costs payable under clause 14.3 is a genuine and reasonable pre-estimate of those fees, costs and losses and is not a penalty.

14.3 Think Group Break Fee

- (a) Think Group agrees to pay to Busy Bees \$1.95 million (inclusive of GST) (**Think Group Break Fee**) in any of the following circumstances:
- (i) (**Competing Proposal Succeeds**) both of the following occur:

 - (I) subject to clause 14.3(b), the Competing Proposal is implemented or completed; or

 - (B) any Think Group Director recommends, endorses or supports a Competing Proposal (including support by way of accepting or voting in favour of a Competing Proposal) or any Think Consolidated Group Member accepts or enters into or offers to accept or enter into, any agreement, arrangement or understanding to give effect to or implement a Competing Proposal (even if permitted under this agreement); or
 - (C) any Think Consolidated Group Member acts in a manner which is materially inconsistent with obtaining approval for the Schemes and implementing the Proposed Transactions,
(even if permitted under this agreement) except where that act is:
 - (D) as a result of the circumstances set out in the clause 6.2, which for the avoidance of doubt will not extend to any Independent Director adversely revising or adversely modifying his or her Recommendation or Voting Intention or making a public statement indicating that they recommend, endorse or support a Competing Proposal;
 - (E) as a result of the Independent Expert (either in its initial report or any updated, revised or supplemental report) opining that the Schemes are not in the best interest of Independent Securityholders or the MGE Acquisition

 - (vi) **(breach of MGE Agreements)** a Think Consolidated Group Member is in breach of an MGE Agreement which results in the MGE Agreement being terminated.
- (b) Think Group is not liable to pay Busy Bees the Think Group Break Fee under clause 14.3(a)(i)(B)(I) in circumstances where:
- (i) an event of the kind described in paragraph (a) of the definition of Competing Proposal has occurred; and

- (d) For the avoidance of doubt, the Think Group Break Fee is not payable merely because a resolution submitted to a Scheme Meeting in respect of a Scheme is not approved by the majorities required under section 411(4)(a)(ii) of the Corporations Act or any of the MGE Agreement Approval Resolutions or the Appointor Structure Approval Resolutions is not passed.
- (e) The Think Group Break Fee is not payable by Think Group if Think Group validly terminates this agreement in accordance with clause 13.1(a)(i) or 13.2(b), unless the obligation to pay arises prior to the right to terminate.

- (d) that person has publicly announced the Competing Proposal.

16.4 No due diligence

- (a) During the Exclusivity Period, except with the prior written consent of Busy Bees, Think Group must not, and must ensure that its Related Bodies Corporate and their respective Authorised Persons do not, directly or indirectly:
 - (i) solicit, invite, initiate, or encourage, or (subject to clause 16.5) facilitate or permit, any person (other than Busy Bees) to undertake due diligence investigations in respect of Think Group, its Related Bodies Corporate, or any of their businesses and operations, in connection with or with a view to obtaining or which would reasonably be expected to lead to such person formulating, developing or finalising, or assisting in the formulation, development or finalisation of, a Competing Proposal; or

16.5 Exceptions

Clauses 16.3, 16.4(a)(i) and 16.4(a)(ii) do not apply to the extent that they restrict Think Group or the Independent Directors from taking or refusing to take any action with respect to a genuine Competing Proposal (in relation to which there has been no contravention of this clause 16) where:

- (a) the Competing Proposal is bona fide and is made in writing by or on behalf of a person that the Independent Directors consider is of sufficient commercial standing; and
- (b) the Independent Directors, acting in good faith, determine:
 - (i) after consultation with its financial advisors, that the Competing Proposal is a Superior Proposal or the steps which the Independent Directors propose to take

may reasonably be expected to lead to a Competing Proposal which is a Superior Proposal; and

- (ii) after receiving written legal advice from Think Group's external legal Advisers experienced in transactions of this nature, that failing to respond to the Competing Proposal would be likely to constitute a breach of the fiduciary or statutory duties of any member of the Think Group Boards to Think Group.

16.6 Notice of Competing Proposal

- (a) During the Exclusivity Period, Think Group must promptly (and in any event, within 48 hours) notify Busy Bees in writing of the receipt of:
 - (i) any proposal made by any person to Think Group, any of its Related Bodies Corporate or any of their respective Authorised Persons, that is, or could reasonably be expected to lead to a Competing Proposal; or
 - (ii) an approach by a person in relation to engaging in activities that would if implemented constitute a breach of clause 16.2, 16.3 or 16.4, or would breach those clauses if not for clause 16.5,
(Competing Proposal Notice).
- (b) A Competing Proposal Notice must be accompanied by all material details of the relevant event, including:
 - (i) the material terms and conditions (including price, conditions precedent, timetable and any break fee) of any Competing Proposal or any proposed Competing Proposal (to the extent known); and
 - (ii) the identity of the person who made the relevant approach or proposal referred to in clause 16.6(a), except that Think Group may withhold the name (of the person who has made the Competing Proposal or approach) and other details which would otherwise be reasonably expected to identify that person if the Independent Directors, acting in good faith and on the basis of written advice from its external legal Advisers, determines that giving those details to Busy Bees would be likely to constitute a breach of the fiduciary duties or statutory obligations of any member of the Think Group Boards to Think Group.
- (c) If Think Group is entitled under clause 16.6(b)(ii) to withhold the identity of the person who has made the Competing Proposal or approach, Think Group must use reasonable endeavours to obtain the consent of that person to disclose to Busy Bees on a confidential basis that person's identity.
- (d) If Think Group gives Busy Bees a Competing Proposal Notice, Busy Bees agrees that the notice will be Confidential Information of Think Group (as defined in the Confidentiality Deed).

16.7 Think Group's response to Competing Proposal and right to respond

- (a) If Think Group receives a Competing Proposal and as a result, any Independent Director proposes to either:
 - (i) change, withdraw or modify their Recommendation or Voting Intention; or
 - (ii) recommend, endorse or support the Competing Proposal, or approve or recommend entry into any agreement, commitment, arrangement or understanding relating to the Competing Proposal (other than an Acceptable Confidentiality Agreement),

Think Group must ensure that no Independent Director does so:

- (iii) unless the Competing Proposal is bona fide, in writing and constitutes a Superior Proposal; and

- (iv) until each of the following has occurred:
 - (A) Think Group has given Busy Bees written notice (**Relevant Notice**) of the Independent Director's proposal to take the action referred to in clause 16.7(a)(i) or 16.7(a)(ii) (subject to Busy Bees' rights under clause 16.7(b)), including details of the grounds on which the Independent Director proposes to take such action and whether the Independent Directors have determined the Competing Proposal is a Superior Proposal;
 - (B) Think Group has given Busy Bees all information that would be required by clause 16.6(b); and
 - (C) either:
 - (I) Busy Bees has not announced or provided to Think Group a Counter Proposal before the Cut Off Date; or
 - (II) Busy Bees has announced or provided to Think Group a Counter Proposal before the Cut Off Date and the Independent Directors have determined, in good faith, that the Counter Proposal would not provide an equivalent or superior outcome to Think Group Securityholders as a whole compared with the Competing Proposal and Busy Bees has been given an opportunity to amend the Counter Proposal in accordance with clause 16.7(e).
- (b) If Think Group gives a Relevant Notice to Busy Bees under clause 16.7(a)(iv)(A), Busy Bees will have the right, but not the obligation, at any time during the 5 Business Days following the receipt of the Relevant Notice (**Cut Off Date**), to provide a written proposal to amend the terms of the Proposed Transaction including increasing the amount of consideration offered under the Proposed Transaction or proposing another form of transaction (**Counter Proposal**), and if it does so then the Independent Directors must review the Counter Proposal and determine whether, in good faith, the Counter Proposal would provide an equivalent or superior outcome to Think Group Securityholders as a whole compared with the Competing Proposal.
- (c) Think Group must procure that the Independent Directors promptly, and in any event within 2 Business Days, notify Busy Bees of the determination in writing, stating reasons for that determination.
- (d) If the Independent Directors determine in good faith that the Counter Proposal would provide an equivalent or superior outcome to Think Group Securityholders as a whole compared with the Competing Proposal, then Think Group and Busy Bees must use their respective best endeavours to agree the amendments to this agreement that are reasonably necessary to reflect the Counter Proposal, and to enter into an amended agreement to give effect to those amendments and to implement the Counter Proposal, and Think Group must use its best endeavours to procure that the Independent Directors recommend the Counter Proposal to the Think Group Securityholders and do not recommend the applicable Competing Proposal.
- (e) If the determination is that the Counter Proposal would not provide an equivalent or superior outcome to Think Group Securityholders as a whole compared with the Competing Proposal, then Busy Bees may take steps to amend the Counter Proposal to address the reasons given within a further period of 5 Business Days. If Busy Bees does so to Think Group's satisfaction, then the process in clause 16.7(d) applies to that amended Counter Proposal with the exception of the operation of this clause 16.7(e).
- (f) For the purposes of clause 16.6 and this clause 16.7, each successive material modification of any third party expression of interest, offer or proposal in relation to a Competing Proposal will constitute a new Competing Proposal.

16.8 Normal provision of information

Nothing in this clause 16 prevents Think Group from:

- (a) providing information required to be provided by law, any court of competent jurisdiction, any Governmental Agency or the Listing Rules;
- (b) making presentations to and responding to bona fide enquires from stockbrokers, portfolio investors and equity market analysts in relation to the Schemes,

subject to Think Group complying with its obligations under the Confidentiality Deed and clause 12.

17. Modification of Think Group Break Fee, Busy Bees Break Fee or exclusivity arrangements

17.1 Modifications following regulatory intervention

If any of the following occurs:

- (a) a Governmental Agency finds that all or any part of the payment required to be made under clause 14 or 15 or an exclusivity arrangement under clause 16 is unacceptable or unenforceable; or
- (b) as a result of an application to the Takeovers Panel, the Takeovers Panel indicates that, in the absence of a written undertaking under section 201A of the *Australian Securities and Investments Commission Act 2001* (Cth) to modify the amount of the Think Group Break Fee or the circumstances in which it is to be paid or the circumstances in relation to an exclusivity arrangement under clause 16, it will make a declaration of unacceptable circumstances,

then, subject to clause 17.3:

- (c) the parties must amend clauses 14, 15 and 16 to the extent required to give effect to the requirements of the Governmental Agency or the Takeovers Panel (as the case may be); and (in circumstances referred to in clause 17.1(b)) must give the required undertaking(s); and
- (d) neither the occurrence of any of the events referred to in clause 17.1(a) or 17.1(b) nor any amendment of clauses 14, 15 and 16 under this clause 17.1 will be taken to be a breach of, or permit any party to terminate, this agreement.

17.2 Conduct during proceedings

- (a) During the course of any Takeovers Panel or court proceedings (including any appeal or review thereof) referred to in clause 17.1, the parties must take all reasonable steps to ensure that any such declaration or determination has the minimum effect possible.
- (b) The parties must not make or cause or permit to be made any application to a court of the Takeovers Panel for or in relation to a determination referred to in clause 17.1.

17.3 No requirement to act unless decision final

The parties are only required to take steps under 17.1(c) in relation to any requirement of a Governmental Agency or the Takeovers Panel if:

- (a) no appeal or review proceeding is available from the decision to impose that requirement or the period for lodging an appeal or commencing review proceedings has expired without an appeal having been lodged or review proceedings commenced; or
- (b) Busy Bees and Think Group agree in writing not to appeal or seek review of the decision to impose that requirement.

17.4 Appeals and review of regulatory decisions

Nothing in this agreement requires either party to appeal or seek review of any decision of a Governmental Agency or the Takeovers Panel referred to in clause 17.1(a) or 17.1(b). If Busy Bees or Think Group wishes to appeal or seek review of any such decision then the others must make submissions in the course of those proceedings supporting the review made by the first party.

17.5 Determination by Governmental Agency

If a Governmental Agency or the Takeovers Panel determines that payment of all or any part of the Think Group Break Fee is unacceptable, unlawful or involves a breach of the fiduciary or statutory duties of the members of the Think Group Boards (**Impugned Amount**) and either no appeal from that determination is available or the period for lodging an appeal has expired without having an appeal having been lodged then:

- (a) the obligation of Think Group to pay the Think Group Break Fee does not apply to the extent of the Impugned Amount, and the Busy Bees Break Fee is reduced by the Impugned Amount; and
- (b) if Busy Bees has received any part of the Impugned Amount, it must refund it within 5 Business Days after that determination is made or the period for lodging has expired, whichever is later.

18. Notices

Any communication under or in connection with this agreement:

- (a) must be in writing;
- (b) must be sent to the address for service of the addressee specified in the Details;
- (c) must be signed by the party making the communication or by a person duly authorised by that party;
- (d) must be delivered to the address, or sent by email to the email address, of the addressee, in accordance with the Details; and
- (e) will be deemed to be received by the addressee, unless the time for delivery required by this agreement is before 9.00am or after 5.00pm on a Business Day:
 - (i) **(in the case of delivery by hand)** on delivery at the address of the addressee as provided in the Details, unless that delivery is not made on a Business Day, or after 5.00pm on a Business Day, when that communication will be deemed to be received at 9.00am on the next Business Day; and
 - (ii) **(in the case of email)** immediately after the time sent (as recorded on the device from which the sender sent the email) unless the sender receives an automated message that the email has not been delivered, unless that local time is not a Business Day, or is after 5.00pm on a Business Day, when that communication will be deemed to be received at 9.00am on the next Business Day.

19. General

19.1 Further acts

Each party will promptly do and perform all further acts and execute and deliver all further documents (in form and content reasonably satisfactory to that party) required by law or reasonably requested by any other party to give effect to this agreement.

19.2 Timetable

The parties agree that the Timetable is indicative only and is not binding on the parties.

19.3 Payments

Unless otherwise provided in this agreement, where an amount is required to be paid to a party (**Receiving Party**) by another party under this agreement, that amount shall be paid:

- (a) in immediately available and irrevocable funds by electronic transfer to a bank account or accounts notified by the Receiving Party in writing before the due date for payment, or in other such immediately payable funds as the parties may agree; and
- (b) without deduction, withholding or set-off.

19.4 Interest

- (a) If a party fails to pay any amount payable under this agreement on the due date for payment, that party must pay interest on the amount unpaid at the higher of the Interest Rate plus 3% per annum or the rate (if any) fixed or payable under any judgment or other thing into which the liability to pay the amount becomes merged.
- (b) The interest payable under clause 19.4(a):
 - (i) accrues from day to day from and including the due date for payment up to the actual date of payment, before and, as an additional and independent obligation, after any judgment or other thing into which the liability to pay the amount becomes merged; and
 - (ii) may be capitalised by the person to whom it is payable at monthly intervals.

19.5 GST

- (a) Any reference in this clause 19.5 to a term defined or used in the GST Act is, unless the context indicates otherwise, a reference to that term as defined or used in that Act.
- (b) Unless expressly stated otherwise, any consideration or amount payable, including non-monetary consideration, for any supply made under or in connection with this agreement does not include GST.
- (c) To the extent that any supply made by a party (**Supplier**) to another party (**Recipient**) under or in connection with this agreement is a taxable supply, the Recipient must pay to the Supplier, in addition to the consideration to be provided under this agreement but for the application of this clause 19.5(c) for that supply (**GST Exclusive Consideration**), an amount equal to the amount of the GST Exclusive Consideration (or its GST exclusive market value) multiplied by the rate at which GST is imposed in respect of the supply (**Additional Amount**) except where the recipient of the supply is liable under the GST law to pay GST on the supply. This clause 19.5(c) does not apply to any taxable supply under or in connection with this agreement that is stated to include GST.
- (d) The Additional Amount payable in accordance with this clause 19.5 will be paid at the same time and in the same manner as the GST Exclusive Consideration otherwise payable for the supply. However, the Additional Amount (or the GST component of any consideration expressed to be inclusive of GST) is only payable on receipt of a valid tax invoice.
- (e) If an adjustment event arises for a supply made in connection with this agreement, the Additional Amount (or the GST component of any consideration expressed to be inclusive of GST) must be recalculated to reflect that adjustment within 21 days after the end of the tax period in which the adjustment is attributable. The Supplier or the party providing the consideration for the supply (as the case may be) agrees to make any payments necessary to reflect the adjustment and the Supplier agrees to issue an adjustment note reflecting the adjustment within 21 days after the end of the tax period in which the adjustment is attributable.
- (f) Any reference in the calculation of any consideration or of any indemnity, reimbursement or similar amount to a cost, expense or liability incurred by a person (**Relevant Expense**) is a reference to the relevant expense reduced by an amount equal to any input tax credit entitlement of that person (or of the representative member of any GST group to which the

person belongs) in relation to the Relevant Expense. A party will be assumed to have an entitlement to a full input tax credit unless it demonstrates otherwise prior to the date on which the relevant payment or consideration must be provided.

- (g) If the consideration for a supply under this agreement is calculated by reference to the consideration for other supplies, in making that calculation, the consideration for those other supplies excludes any amount in respect of GST payable on those supplies.

19.6 Stamp duty

Busy Bees must pay all Duty in respect of the execution, delivery and performance of this agreement, the Schemes or the steps to be taken under this agreement to implement the Schemes (including the acquisition or transfer of TNK Scheme Shares under the TNK Scheme or the transfer of TND Scheme Shares under the TND Scheme).

19.7 Expenses

Except as otherwise provided in this agreement, each party will pay its own costs and expenses in connection with the negotiation, preparation, execution, and performance of this agreement and the Explanatory Booklet and the proposed, attempted or actual implementation of this agreement, and the Schemes.

19.8 Amendments

- (a) This agreement may only be varied by a document signed by or on behalf of each of the parties.
- (b) On and after the Implementation Date, clauses 11.1, 11.3 and 11.4 may only be varied by a document signed by or on behalf of each of the parties and each of the Think Group Parties.
- (c) Think Group holds the benefit of clause 19.8(b) for itself and on behalf of the Think Group Parties.

19.9 Assignment

- (a) Subject to clause 19.9(b) below, a party cannot assign, novate or otherwise transfer any of its rights or obligations under this agreement without the prior written consent of each other party, which consent that other party may give or withhold in its absolute discretion.
- (b) Notwithstanding any other provisions of this agreement, Busy Bees may grant Encumbrances (whether by charge, mortgage or otherwise) over its rights under this agreement in favour of providers of debt financing from time to time to its or its Related Bodies Corporate (including any agent or trustee acting on those financiers' behalf), and any such Encumbrance may be enforced or released.

19.10 Waiver

- (a) Failure to exercise or enforce or a delay in exercising or enforcing or the partial exercise or enforcement of any right, power or remedy provided by law or under this agreement by any party will not in any way preclude, or operate as a waiver of, any exercise or enforcement, or further exercise or enforcement of that or any other right, power or remedy provided by law or under this agreement.
- (b) Any waiver or consent given by any party under this agreement will only be effective and binding on that party if it is given or confirmed in writing by that party.
- (c) No waiver of a breach of any term of this agreement will operate as a waiver of another breach of that term or of a breach of any other term of this agreement.
- (d) Nothing in this agreement obliges a party to exercise a right to waive any conditional term of this agreement that may be in its power.

19.11 Counterparts

- (a) This agreement may be executed in any number of counterparts and by the parties on separate counterparts. Each counterpart constitutes the agreement of each party who has executed and delivered that counterpart. Each counterpart is an original but the counterparts together are one and the same agreement.
- (b) This agreement is binding on the parties on the exchange of duly executed counterparts.
- (c) The parties agree that a copy of an original executed counterpart sent by email to the other party, instead of the original, is sufficient evidence of the execution of the original and may be produced in evidence for all purposes in place of the original.

19.12 Entire agreement

- (a) This agreement:
 - (i) embodies the entire understanding of the parties and constitutes the entire terms agreed on between the parties; and
 - (ii) supersedes any prior agreement (whether or not in writing) between the parties.
- (b) Despite clause 19.12(a), the Confidentiality Deed continues to apply to the parties in accordance with its terms, except to the extent of any express inconsistency, in which case this agreement prevails.
- (c) The parties acknowledge and agree that upon the execution of this agreement:
 - (i) the Exclusivity Deed between the parties dated 6 April 2021 is terminated; and
 - (ii) each party is released from any further rights and obligations under that Exclusivity Deed.

19.13 No representation or reliance

- (a) Each party acknowledges that no party (nor any person acting on its behalf) has made any representation or other inducement to it to enter into this agreement, except for representations or inducements set out in this agreement.
- (b) Each party acknowledges and confirms that it does not enter into this agreement in reliance on any representation or other inducement by or on behalf of any other party, except for any representation or inducement set out in this agreement.

19.14 No merger

The rights and obligations of the parties will not merge on completion of any transaction under this agreement. They will survive the execution and delivery of any assignment or other document entered into for the purpose of implementing any transaction.

19.15 Governing law

- (a) This agreement is governed by and will be construed according to the laws of New South Wales.
- (b) Each party irrevocably submits to the non-exclusive jurisdiction of the courts of New South Wales and of the courts competent to determine appeals from those courts.
