Creso Pharma Limited (“Creso Pharma”) (ASX: CPH, FRA: 1X8, OTCQB: COPHF), a producer of cannabis products designed to better the lives of people and animals, and Red Light Holland Corp. (“Red Light Holland”) (CSE:TRIP, FRA:4Yx, OTC Pink:TRUFF), an Ontario-based corporation engaged in the production, growth and sale of magic truffles to the legal, recreational market within the Netherlands, are pleased to advise that they have entered into a definitive scheme implementation deed (the “Deed”) to combine businesses and create The HighBrid Lab (the “Combined Company” or “The HighBrid Lab”), a leading global psychedelics and cannabinoid company.

The transaction will be carried out by way of statutory schemes of arrangement under the *Corporations Act 2001* (Cth), pursuant to which Red Light Holland will acquire (i) all of the issued fully paid ordinary shares of Creso Pharma (the “Scheme”), and (ii) all of the issued listed options of Creso Pharma (the “Option Scheme”) in exchange for the issue of common shares of Red Light Holland (“Red Light Holland Shares”) on the terms and conditions set forth in the Deed. Under the terms of the Deed, the shareholders of Creso Pharma (the “Creso Pharma Shareholders”) will receive 0.395 of a Red Light Holland Share for each fully paid ordinary share of Creso Pharma (each, an “Creso Pharma Share”) held immediately prior to the effective time of the Scheme. In addition, (i) holders of listed options of Creso Pharma (the “Creso Pharma Listed Optionholders”) will receive 0.257 of a Red Light Holland Share for each listed option of Creso Pharma (each, a “Creso Pharma Listed Option”) and (ii) holders of the various other classes of unlisted Creso Pharma securities will be offered Red Light Holland options or warrants based on ratios detailed in the Deed.

Upon implementation of the Scheme and the Option Scheme (together, the “Schemes”), it is expected that the former Creso Pharma securityholders will own approximately 57.4% of the pro forma issued and outstanding Red Light Holland Shares, resulting in a reverse takeover of Red Light Holland by the Creso Pharma securityholders. Following implementation of the Schemes, the Combined Company is expected to have a cash balance of approximately A\$48 million (C\$45 million), providing considerable financial flexibility to progress its growth strategy.

About Red Light Holland

Red Light Holland strives to move towards safe and trustworthy access to psychedelic compounds for all, and is engaged in the production, growth and sale, through existing Smart Shops and an ecommerce platform, of premium magic truffles to the legal, recreational market in the Netherlands. Activities are undertaken in accordance with the highest standards and compliance with all applicable laws.

Red Light’s directors and advisory board members are all highly skilled executives with extensive expertise in growing, mass-producing, compliance, distribution, marketing and supply chain management, which will allow the Combined Company to become a leader in an emerging market segment.

Complementary Management and Board Capabilities with Industry Leading Experience

A strong management team and board of directors will lead the Combined Company, which will also have access to a world-class group of advisors. Upon completion of the Schemes, Red Light Holland's current CEO, Todd Shapiro, will lead the Combined Company as Chief Executive Officer and Director. The board of directors of the Combined Company will consist of seven members, three of which, including Mr. Shapiro, will be current directors of Red Light Holland, and three of which, will be directors or nominees of Creso Pharma. Leading cannabis entrepreneur Bruce Linton is also expected to join the board of directors of the Combined Company as non-executive Chairman.

Creso Pharma's management team brings a wealth of scientific experience and pharmaceutical background, while Red Light Holland's team has significant expertise in marketing, branding and recreational product offerings. Additionally, William Lay will lead the Combined Company's overall corporate strategy development and will work on identifying and executing potential M&A opportunities in his capacity as Executive Vice President & Chief Strategy Officer.

Creso Pharma and Red Light Holland are confident that the leadership team and proposed board of directors of the Combined Company will provide a strong foundation for The HighBrid Lab to drive shareholder value. Additional senior leadership positions at the Combined Company will be confirmed in due course.

Management Commentary

"Having worked with both the Creso Pharma and Red Light Holland teams closely in the past, I am really excited by the potential this combination brings. As a merged company, The HighBrid Lab has access to four of the highest growth industry segments around, and the team, board and advisory group to make real progress within these verticals. I'm really looking forward to rolling up my sleeves and helping The HighBrid Lab get to work!" **said Bruce Linton**, who is expected to join the Combined Company's board as non-executive Chairman.

"Red Light Holland has significant capital and expertise, and is motivated for growth. The company understands the sensitive complexities of the ingredients we deal with, while ensuring we continue to make a bold yet careful push to provide and increase access for immediate

revenue generation and brand expansion. Our core principle is to compliantly lead with edgy consumer packaged goods focused on positive outcomes, while balancing a responsible, regulated and educational use approach through technology and innovation,” **said Todd Shapiro CEO and Director of Red Light Holland.**

“Merging with Creso Pharma, who also has significant cash on hand, and formulating The HighBrid Lab, with Bruce Linton as Chair of the Board, means we can expand our premium product offerings globally in the high growth CBD, THC and psychedelic sectors. Together we are bullish on developing world class products with naturally occurring ingredients in clever and innovative ways for both humans and pets, which completely aligns with Creso Pharma’s R&D and sales approach. The HighBrid Lab ramps up our objectives for near and long term growth targets, while potentially being a part of positive change. Together we are not shy, as our goal continues to be the People’s Company, dedicated to providing global access to each of these naturally occurring ingredients while understanding that education, careful use, sustainability and data collection with consent are the keys to future success as regulations open up. The HighBrid Lab is a perfect name combining psychedelics and cannabis coupled with recreational use, science and technology. This is a monumental day for all of our shareholders and now their pets!”

Creso Pharma’s Non-Executive Chairman, Mr. Adam Blumenthal said: “We are very excited to have entered into this agreement with Red Light Holland and to create a company that has the potential to become a world leading psychedelic, CBD and recreational and medicinal cannabis company. The transaction follows a considerable amount of due diligence undertaken by both parties, highlighting the strength of both Creso Pharma’s and Red Light Holland’s operations and abilities across a number of key international markets. There are a number of synergies across the businesses, which will allow the Combined Company to considerably scale up operations in the near term. Red Light’s CSE-listed vehicle will allow the Combined Company to enter the lucrative US market and we anticipate that product sales through our recreational cannabis and CBD subsidiaries will scale up significantly in the short term, underpinning early cash generation and provide additional financial flexibility across the business.

“To oversee this rapid growth phase, the The HighBrid Lab will be led by an experienced board of directors and strategic advisors, who are expected to bring a wealth of knowledge to building successful cannabis, recreational products and psychedelics companies. Creso Pharma is very confident that Red Light Holland’s established operations including a distribution arm and market understanding will provide a number of value catalysts. We look forward to working with the group to immediately refine our supply chain, increase brand awareness through North America and progress opportunities across the recreational and therapeutic psychedelics sectors to unlock value for new and existing shareholders.”

Balanced Portfolio of High Growth Market Pursuits

The HighBrid Lab is expected to be organized into four business units, allowing it to aggressively pursue high growth markets, while also focusing on near-term cash flows. These business units are expected to comprise recreational cannabis (THC), CBD, recreational psychedelics, and psychedelic research.

Cash flow from recreational cannabis, CBD and Netherlands-based psychedelic operations will be used to support ongoing market expansion efforts in recreational psychedelics globally as opportunities are presented. The Combined Company also intends to allocate a portion of cash-flow from other business units to the ongoing psychedelics applied science program to support potential long-term upside opportunities.

Opportunity to Scale Recreational THC Offering

Creso Pharma's Mernova Medicinal Inc. is a licensed cannabis producer in Canada with Craft Designation from the Ontario Cannabis Store, and operates a facility scalable to 200,000 square feet. As the Canadian cannabis market continues to grow, The HighBrid Lab plans to conduct ongoing market reviews to expand Mernova Medicinal Inc.'s penetration and share. The HighBrid Lab intends to take advantage of the relationships of its board and management team in the Canadian and US markets to pursue potential accretive acquisitions of US THC operators. Having a CSE-listed vehicle will allow the Combined Company to operate in line with state legislation and target US States where the adult use of cannabis is legal. Recreational cannabis is legal for adult use in 17 states and Washington DC, and medical marijuana is legal in 36 states in the US, providing a number of near term, large market opportunities.

In addition, The HighBrid Lab plans to introduce Red Light Holland branded products within THC markets to continue building brand equity in advance of any potential future changes in the regulatory landscape for Psilocybin.

Enhanced Distribution of European CBD Offering with Aggressive Growth Plans

Over the last five years, Creso Pharma has researched and developed a high-quality suite of Swiss developed and manufactured CBD products, covering therapeutics, nutraceuticals, animal health and cosmetics. The Combined Company plans to pursue growth plans for these products and expects that Red Light Holland's subsidiary distribution company, SR Wholesale, which has access to over 1,000 shops and points of sale across Europe, will significantly bolster sales of Creso Pharma's CBD products. The Combined Company will also create a US market entry strategy for these products and will work to introduce new products such as functional mushrooms and combined CBD functional mushrooms to legal markets in Europe and North America.

Market Leader in Recreational Psilocybin with Ongoing Market Expansion Efforts

Red Light Holland is a market leader in recreational psychedelics. To date, Red Light Holland has taken a responsible approach to the sale of these products, including the introduction of the iMicrodose App, patent filings for novel methods to allow individuals to find their appropriate dose, and offering telecounseling opportunities. This approach is aligned with Creso Pharma's mission to better the lives of humans and animals and will continue within the Combined Company. The HighBrid Lab will continuously monitor Red Light Holland's operations within the Netherlands, and scale appropriately as the market matures. Additionally, the Combined Company will keep abreast of regulatory changes around the world and expects to implement a first mover strategy as markets open.

Investments in Applied Science Supporting Long Term Therapeutic Psychedelics Opportunities

Creso Pharma has conditionally agreed to acquire Nova Scotia, Canada based psychedelics life sciences company, Halucenex, which has submitted an application for a Dealer's License under

both the Narcotics Control Regulations and Part J of the Food and Drugs Regulations. Subject to the receipt of all necessary regulatory approvals, Halucenex is expected to begin phase II clinical trials to demonstrate the efficacy of psilocybin therapy in the treatment of treatment-resistant depression in Canadian veterans and everyday individuals living with debilitating conditions.

Red Light Holland recently extended its LOI with Mera Life Sciences and continues discussions regarding a previously announced potential investment in St. Vincent and the Grenadines, which is expected to be a part of the Combined Company's applied science platform. In addition, the Combined Company plans to leverage the significant pharmaceutical expertise of Creso Pharma's management team through all applied science activities, use findings to continuously update and expand the iMicrodose app, and consider introducing psychedelic assisted therapy retreats where legally permissible.

Subject to this clause 3, the Option Scheme will not become Effective, and the respective obligations of the parties in relation to the implementation of the Option Scheme are not binding, unless each of the following conditions precedent are satisfied or waived to the extent and in the manner set out in this clause 3.3:

- (a) **Regulatory Approvals:** Before 5:00pm on the Business Day before the Second Court Date:
 - (i) **ASIC:** ASIC has issued or provided all such relief, confirmations, consents, approvals, qualifications or exemptions, or does such other acts which the parties agree are reasonably necessary or desirable to implement the Option Scheme and such relief, waivers, confirmations, consents, approvals, qualifications or exemptions or other acts (as the case may be) have not been withdrawn, suspended, varied or revoked;
 - (ii) **ASX:** ASX has issued or provided all such relief, confirmations, consents, approvals, waivers or does such other acts which the parties agree are reasonably necessary to implement the Option Scheme and such relief, confirmations, consents, approvals, waivers or other acts (as the case may be) have not been withdrawn, suspended, varied or revoked;
 - (iii) **FIRB:** one of the following occurs:
 - (A) Red Light has received written notification by or on behalf of the Treasurer under the FATA to the effect that the Commonwealth Government has no objection (unconditionally or on conditions acceptable to Red Light acting reasonably) under its foreign investment policy to Red Light acquiring all of the Scheme Options under the Option Scheme (or is precluded from objecting because the time for doing so has passed);
 - (B) the period provided for under the FATA during which the Treasurer may make an order or interim order under the FATA prohibiting Red

Light from acquiring all of the Scheme Options has elapsed without such an order being made; or

- (C) if an interim order has been made by the Treasurer to prohibit Red Light from acquiring the Scheme Options under the Option Scheme, the subsequent period for making a final order under the FATA has elapsed without any final order being made; and
- (iv) all other regulatory approvals or waivers required to implement the Option Scheme being granted or obtained and those regulatory approvals or waivers not being withdrawn, cancelled, revoked or varied in a manner that is materially adverse to the parties.
- (b) **Creso Listed Optionholder Approval:** Creso Listed Optionholders approve the Option Scheme at the Option Scheme Meeting by the requisite majorities under section 411(4)(a) of the Corporations Act, as modified under section 411(4)(a)(ii)(A) of the Corporations Act or otherwise.

3.4 Waiver of Conditions Precedent – Option Scheme

- (a) The Conditions Precedent in clauses 3.3(a) (Regulatory Approvals) 3.3(b) (Creso Listed Optionholder Approval), 3.3(c) (Court Approval of Option Scheme) and 3.3(d) (Scheme) are for the benefit of both parties and may only be waived by the written consent of both parties.
- (b) A party entitled to waive the breach or non-fulfilment of a Condition Precedent pursuant this clause 3.4 may do so in its absolute discretion subject to the provision of written notice to the other party. Any such waiver by a party for whose benefit the relevant Condition Precedent applies must take place on or prior to 8:00am on the Second Court Date.
- (c) If a party waives the breach or non-fulfilment of a Condition Precedent, that waiver precludes the party from suing another party for any breach of this deed that resulted in the breach or non-fulfilment of the Condition Precedent.
- (d) Waiver of a breach or non-fulfilment in respect of one Condition Precedent does not constitute:
 - (i) a waiver of breach or non-fulfilment of any other Condition Precedent resulting from the same event; or
 - (ii) a waiver of breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.5 Reasonable endeavours to satisfy Conditions Precedent

Each of the parties will use its reasonable endeavours to procure that:

- (a) each of the Conditions Precedent is satisfied as soon as practicable after the Execution Date and continues to be satisfied at all times until the last time it is to be satisfied (as the case may require); and
- (b) there is no occurrence within the control of Creso or Red Light (as the context requires) or their Affiliates that would prevent the Conditions Precedent being satisfied.

3.6 Pre-implementation steps

- (a) Without limiting the generality of clause 3.5:
- (i) **Regulatory Approvals:** each party must:
 - (A) promptly apply for all relevant Regulatory Approvals and take all steps it is responsible for as part of the Regulatory Approval process, including responding to requests for information at the earliest practicable time;
 - (B) provide all information and assistance reasonable requested by the other party or a Regulatory Authority in connection with the applications for Regulatory Approvals; and
 - (C) to the extent that it is within its control, use its reasonable endeavours to procure that there is no occurrence that would prevent the Regulatory Approvals from being obtained by the applicable time referred to in clauses 3.1(a) and 3.3(a) and not take any action that will or is likely to hinder or prevent the satisfaction of the Condition Precedent in clauses 3.1(a) and 3.3(a) except to the extent that such action is required by any applicable laws;
 - (ii) **Consultation:** each party must consult with the other in advance in relation to all material communications (whether written or oral, and whether direct or via agents or advisers) with any Regulatory Authority relating to any Regulatory Approval (**Communications**) including:
 - (A) providing the other party with drafts of any material written Communications to be sent to a Regulatory Authority and making such amendments as the other party reasonably requires; and
 - (B) providing copies of any material written Communications sent to or received from a Regulatory Authority to the other party promptly upon despatch or receipt (as the case may be),

in each case to the extent it is reasonable to do so;
 - (iii) **Participation:** so far as it is able, allow the other party the opportunity to be represented (including by way of telephone, video conference or similar means) and make submissions at any proposed meeting with any Regulatory Authority relating to any Regulatory Approval;
 - (iv) **Notification:** each party must keep the other promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of the Conditions Precedent; and
 - (v) **Health Canada Approval:** Red Light agrees to immediately apply for the Security Clearances required to be granted by Health Canada in order to satisfy the condition precedent set out in clause 3.1(v) and thereafter to use commercially reasonable efforts to obtain those Security Clearances, including, to the extent necessary, nominating alternative directors for the Red Light Board in the event those Security Clearances are not forthcoming. Creso agrees to use commercially reasonable efforts to assist Red Light to obtain the Security Clearances required to be granted by Health Canada.
- (b) Nothing in clauses 3.5 or 3.6 prevent a party applying for a Regulatory Approval from taking any step (including communicating with a Regulatory Authority) in respect of a Regulatory Approval if the other party has not promptly responded under clauses 3.6(a)(ii) or 3.6(a)(iii).

3.7 Assistance of Representatives

Each party must procure that its Representatives work (including by attending meetings and by providing information) in good faith and in a timely and co-operative fashion with the other party, and the other party's Representatives, to satisfy the Conditions Precedent.

3.8 Notice of failure to satisfy Condition Precedent

- (a) A party must promptly give the other written notice if it becomes aware that any Condition Precedent is incapable of being satisfied or of any event that will prevent a Condition Precedent being satisfied (having regard to the respective obligations of each party under clauses 3.5 or 3.6).
- (b) Creso or Red Light (as the case may be) must give written notice to the other party as soon as reasonably practicable (and in any event before 5.00pm on the day before the Second Court Date) as to whether or not it waives the breach or non-fulfilment of any Condition Precedent (if such Condition Precedent is capable of waiver) resulting from the occurrence of that event, specifying the Condition Precedent in question.

3.9 Certificates in relation to Conditions Precedent

- (a) At the Second Court Hearing for the Scheme:
 - (i) Creso and Red Light will provide a joint certificate to the Court confirming whether or not the Conditions Precedent set out in clauses 3.1(a) (Regulatory Approvals), 3.1(e) (Restraining Orders) and 3.1(v) (Health Canada Approval) have been satisfied or waived in accordance with the terms of this deed;
 - (ii) Creso will provide a certificate to the Court confirming whether or not the Conditions Precedent set out in clauses 3.1(b) (Creso Shareholder Approval), 3.1(f) (Independent Expert Report), 3.1(g) (No Creso Investigations), 3.1(h) (No Creso Material Adverse Event), 3.1(i) (No Creso Prescribed Occurrence), 3.1(j) (Creso Representations and Warranties), 3.1(k) (Creso Listed Optionholder Approval), 3.1(n) (Creso Board Recommendation) and 3.1(o) (Creso Convertible Securities), have been satisfied or waived in accordance with the terms of this deed; and

- (b) At or prior to the Second Court Hearing for the Scheme:
 - (i) Creso will provide a certificate to Red Light confirming whether or not:
 - (A) it has breached any of its obligations under this deed (including any breach of any representation, warranty or covenant) and if it has, giving details of such breach; and
 - (B) any Creso Material Adverse Event has occurred and if it has, details of each Creso Material Adverse Event; and
 - (ii) Red Light will provide a certificate to Creso confirming whether or not:
 - (A) it has breached any of its obligations under this deed (including any breach of any representation, warranty or covenant) and if it has, giving details of such breach; and
 - (B) any Red Light Material Adverse Event has occurred and if it has, details of each Red Light Material Adverse Event.

- (c) At the Second Court Hearing for the Option Scheme:

 - (ii) Creso will provide a certificate to the Court confirming whether or not the Conditions Precedent set out in clause 3.3(b) (Creso Listed Optionholder Approval) has been satisfied or waived in accordance with the terms of this deed.
- (d) Each party will give the other party a draft of its certificate by 5.00pm on date that is two Business Days prior to the Second Court Date.

3.10 Conditions Precedent not met

- (a) If:
- (i) there is a breach or non-fulfilment of a Condition Precedent which is not satisfied or waived (where capable of waiver) in accordance with this deed;
 - (ii) there is an act, failure to act, event or occurrence which will prevent a Condition Precedent being satisfied or waived by the date specified in clauses 3.1 or 3.3 for its satisfaction (and the breach or non-fulfilment of the Condition Precedent which would otherwise occur has not already been waived or satisfied in accordance with this deed), or
 - (iii) it becomes probable that the Scheme or Option Scheme will not become Effective by the End Date,
- either party may serve notice on the other party, and the parties must consult in good faith with a view to:
- (iv) considering and if agreed, determining whether the Transaction may proceed by way of alternative means or methods;
 - (v) considering and if agreed, extending the time or date for satisfaction of the relevant Condition Precedent or the End Date; or
 - (vi) considering and if agreed, changing the date of application made to the Court for an order under section 411(4)(b) of the Corporations Act approving the Scheme or Option Scheme or adjourning that application (as applicable) to another date agreed to in writing by the parties (being a date no later than five Business Days before the End Date).
- (b) Subject to clause 3.10(e), if the parties are unable to reach agreement under clause 3.10(a) within the Required Consultation Period, then after the Required Consultation Period ends, either party may, provided that the relevant Condition Precedent is for the benefit of that party, terminate this deed by notice in writing to the other without incurring any liability to the other party because of that termination alone and such termination will be in accordance with clause 14.
- (c) If the Condition Precedent in clauses 3.1(b) (Creso Shareholder Approval), 3.1(k) (Creso Listed Optionholder Approval) or 3.3(b) (Creso Listed Optionholder Approval) are not satisfied only because of a failure to obtain the majority required by section 411(4)(a)(ii)(A) of the Corporations Act, then either party may by written notice to the other party within three Business Days after the date of the conclusion of the Scheme Meeting or Option Scheme Meeting (as applicable) require the approval of the Court to be sought, pursuant to the Court's discretion in that section, provided the party has in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable.
- (d) If the Court refuses to make an order:

- (i) approving the Scheme satisfying clause 3.1(c); or
- (ii) approving the Option Scheme satisfying clauses 3.1(l) or 3.3(c),

at Red Light's request Creso must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent Senior Counsel indicates that, in his or her view, an appeal would have negligible prospects of success before the End Date). Creso may bring an appeal even if not requested by Red Light. If any such appeal is undertaken at the request of Red Light, Red Light will bear Creso's costs of the appeal (including costs of the independent Senior Counsel) unless the parties otherwise agree. If any such appeal is undertaken by Creso, without the prior request from Red Light, Creso will bear Red Light's costs of the appeal unless the parties otherwise agree.

- (e) A party will not be entitled to terminate this deed for any reason set out in clause 3.10(b) if the relevant Condition Precedent has not been satisfied as a result (either alone or together with other circumstances) of:
 - (i) a breach of this deed by that party; or
 - (ii) a deliberate act or omission of that party which either alone or when taken together with other deliberate acts or omissions of that party, prevents that Condition Precedent being satisfied.

- (b) Without prejudice to a party's rights under this clause 9, if at any time during the Exclusivity Period any director of a party wishes to approve or recommend entry into any agreement, commitment, arrangement or understanding relating to a Competing Transaction (other than an Acceptable Confidentiality Agreement), the party must ensure that they do not do so:
 - (i) unless the Competing Transaction is bona fide; and
 - (ii) until each of the following has occurred:

- (A) in respect of Creso:
- (I) the Creso Board has made the determination contemplated by clause 9.7(b) in respect of that Creso Competing Transaction;
 - (II) Creso has given Red Light notice in writing: (a) of the identity of the Third Party Bidder and (b) of its intention to enter into an agreement, commitment, arrangement or understanding relating to that Creso Competing Transaction, subject to Red Light's rights under clause 9.6(c);
 - (III) Red Light's rights under clause 9.6(c) have been exhausted; and
 - (IV) the Creso Board has made the determination contemplated by clause 9.7(b) in respect of that Creso Competing Transaction after Red Light's rights under clause 9.6(c) have been exhausted and after evaluation of any Counterproposal; and
- (B) in respect of Red Light:
- (I) the Red Light Board has made the determination contemplated by clause 9.7(b) in respect of that Red Light Competing Transaction;

 - (IV) the Red Light Board has made the determination contemplated by clause 9.7(b) in respect of that Red Light Competing Transaction after Creso's rights under clause 9.6(c) have been exhausted and after evaluation of any Counterproposal.
- (c) If a party gives notice to the other party under clauses 9.6(b)(ii)(A)(II) or 9.6(b)(ii)(B)(II), the other party will have the right, but not the obligation, at any time during the period of 10 Business Days following receipt of the notice, to:
- (i) offer to amend the terms of the Scheme;
 - (ii) make a takeover bid for the party; or
 - (iii) propose any other form of transaction,
- (each a **Counterproposal**), and if it does so then the party and the party's board of directors must review the Counterproposal in good faith and in order to satisfy what the party's board of directors determines is required to comply with their fiduciary and statutory duties, to determine whether the Counterproposal is a Superior Proposal. If the Counterproposal would be at least as favourable to the party and their shareholders than the Competing Transaction (having regard to the matters noted in clause 9.7(b)), then:
- (iv) if the Counterproposal contemplates an amendment to the Scheme, the parties must enter into an amended agreement in relation to this deed and the Scheme reflecting the Counterproposal; or
 - (v) if the Counterproposal contemplates any other form of transaction, the parties must pursue implementation of the Counterproposal in good faith,

and in each case, subject to clause 9.6(d), the party must announce promptly to the market that the party's board of directors unanimously recommend the Counterproposal (subject to a Superior Proposal).

- (d) Clause 9.6(c) is qualified to the extent that, after first obtaining written advice from his or her independent legal adviser, a Creso Director or Red Light Director (as applicable) reasonably determines that he or she should not provide or continue to maintain any recommendation because that Creso Director or Red Light Director (as applicable) has an interest in the Counterproposal that renders it inappropriate for him or her to maintain any such recommendation.
- (e) Where at any time before the Scheme Meeting, a Counterproposal from Red Light is received by Creso, Creso's board of directors determines that the Counterproposal would be at least as favourable to Creso and the Creso Shareholders and Creso Listed Optionholders than the Competing Transaction (having regard to the matters noted in clause 9.7(b)) and the parties have complied with clause 9.6(c), then, subject to applicable Laws, at Red Light's request, Creso will:
- (i) apply to the Court for an order adjourning the Scheme Meeting to a date acceptable to Red Light, acting reasonably, which (where the Counterproposal involves a revision to the terms of the Scheme) must not be later than 10 Business Days after the scheduled date of the Scheme Meeting; and
 - (ii) if Red Light and Creso amend the terms of this deed and the Scheme pursuant to clause 9.6(c)(iv) or otherwise pursue implementation of the Counterproposal under clause 9.6(c)(v) the parties must ensure that the details of such amended agreement or other form of Counterproposal and the recommendation of the Creso Board are communicated to the Creso Shareholders as soon as practicable and in any event before the resumption of the adjourned Scheme Meeting.
- (f) Where at any time before the Red Light Meeting, a Counterproposal from Creso is received by Red Light, Red Light's board of directors determines that the Counterproposal would be at least as favourable to Red Light and the Red Light Shareholders than the Competing Transaction (having regard to the matters noted in clause 9.7(b)) and the parties have complied with clause 9.6(c) then, subject to applicable Laws, at Creso's request, Red Light will:
- (i) adjourn the Red Light Meeting to a date acceptable to Creso, acting reasonably, which (where the Counterproposal involves a revision to the terms of the Transaction) must not be later than 10 Business Days after the scheduled date of the Red Light Meeting; and
 - (ii) if Red Light and Creso amend the terms of this deed and the Scheme pursuant to clause 9.6(c)(iv) or otherwise pursue implementation of the Counterproposal under clause 9.6(c)(v) the parties must ensure that the details of such amended agreement or other form of Counterproposal and the recommendation of the Red Light Board are communicated to the Red Light Shareholders as soon as practicable and in any event before the resumption of the adjourned Red Light Meeting.
- (g) For the purposes of this clause 9.6, each successive modification of any third party expression of interest, offer or proposal in relation to a Competing Transaction will constitute a new Competing Transaction.

9.7 **Fiduciary and other carve-out**

The restriction in clauses 9.3 and 9.4 do not apply to the extent that it restricts a party or a party's board of directors from taking or refusing to take any action with respect to a Competing Transaction (in relation to which there has been no contravention of this clause 9) provided that:

- (a) the Competing Transaction is bona fide and is made in writing by or on behalf of a third party; and
- (b) the party's board of directors has determined in good faith and acting reasonably, after having received advice from its external legal and/or financial advisers, that:
 - (i) the Competing Transaction would, if consummated in accordance with its terms, constitute a Superior Proposal, and
 - (ii) failing to respond to such a bona fide Competing Transaction may constitute a breach of the fiduciary duties or other statutory obligations of such directors under applicable Law.

9.8 Legal advice

Each party represents and warrants that:

- (a) prior to entering into this deed it has received legal advice on this deed and the operation of this clause 9; and
- (b) it and its directors consider this clause 9 to be fair and reasonable and that it is appropriate to agree to the terms in clause 9 in order to secure the significant benefits to it, and the party and their shareholders, resulting from the Transaction.

10 Reimbursement Fees

10.1 Red Light Reimbursement Fee

- (a) Background

Red Light represents and warrants to Creso that it would not have entered into this deed without the benefit of this clause 10.1 and it would not have entered into and continued the negotiations unless Red Light had a reasonable expectation that Creso would agree to enter into a clause of this kind.
- (b) Acknowledgments
 - (i) The fee payable under clause 10.1(d) has been calculated to reimburse Red Light for the following:
 - (A) external advisory costs;
 - (B) out of pocket expenses; and
 - (C) reasonable opportunity costs incurred by Red Light in pursuing the Transaction or in not pursuing other alternative acquisitions or strategic initiatives,

in relation to the Transaction and Red Light will incur further costs if the Transaction is not successful (**Red Light Costs**).
 - (ii) Creso represents and warrants that:
 - (A) prior to entering into this deed it has received legal advice on this deed and the operation of this clause 10.1;

order to secure the significant benefits to it, and Creso Shareholders, resulting from the Transaction.

(c) Agreement on Red Light Costs

The parties acknowledge that the amount of the Red Light Costs is inherently unascertainable and that, even after termination of this deed, the Red Light Costs will not be able to be accurately ascertained. As a genuine and reasonable pre-estimate of the costs that Red Light will suffer if the Transaction does not proceed, the parties agree that, for the purposes of this clause 10.1, the Red Light Costs will be equal to the amount of the Reimbursement Fee Amount.

(d) Reimbursement of Red Light Costs

(i) Creso agrees to pay to Red Light the Reimbursement Fee Amount if at any time after the Execution Date, any of the following events occur:

(A) any Creso Director:

- (I) fails to recommend, recommends against, withdraws or adversely modifies or qualifies their recommendation of the Transaction;
- (II) recommends or supports a Creso Competing Transaction; or
- (III) makes any public statement to the effect that the Scheme is not, or is no longer, recommended,

in each case other than as a result of:

- (IV) the Independent Expert opining (including any update of, revision, amendment or addendum of the Independent Expert's Report) that the Scheme is not in the best interests of Creso Shareholders or the Option Scheme is not in the best interests of Creso Listed Optionholders (other than where the reason for that opinion is a Creso Competing Transaction or Creso Superior Proposal);
- (V) as a result of any matter or thing giving Creso the right to terminate this deed under clauses 14.1(a)(i) or 14.1(c)(i); or
- (VI) a Creso Director determines pursuant to clause 7.4 that he should not provide or continue to maintain any recommendation;

(B) a Creso Competing Transaction is announced before the date of the Scheme Meeting and within 12 months of the announcement, the third party proponent of the Creso Competing Transaction acquires at least 20% or more of the issued Creso Shares; or

(C) Red Light is entitled to terminate this deed under clauses 14.1(a)(i), 14.1(b)(i) or 14.1(b)(ii).

(ii) The payment of the Reimbursement Fee Amount to Red Light provided for in this clause 10.1(d) must be made within ten Business Days of receipt of a written demand for payment by Red Light.

10.2 Creso Reimbursement Fee

(a) Background

Creso represents and warrants to Red Light that it would not have entered into this deed without the benefit of this clause 10.2 and it would not have entered into and continued the negotiations and conducted due diligence into Red Light leading up to

this deed unless Creso had a reasonable expectation that Red Light would agree to enter into a clause of this kind.

(b) Acknowledgments

(i) The fee payable under clause 10.2(d) has been calculated to reimburse Creso for the following:

- (A) external advisory costs;
- (B) out of pocket expenses; and
- (C) reasonable opportunity costs incurred by Creso in pursuing the Transaction or in not pursuing other alternative strategic initiatives,

in relation to the Transaction and Creso will incur further costs if the Transaction is not successful (**Creso Costs**).

(ii) Red Light represents and warrants that:

- (A) it has received legal advice on this deed and the operation of this clause 10.2;
- (B) it has clear documentary evidence supporting the Red Light Board's detailed consideration of this deed and this clause 10.2 in particular; and
- (C) it and the Red Light Board considers this clause to be fair and reasonable and that it is appropriate to agree to the terms in this clause 10.2 in order to secure the significant benefits to it resulting from the Transaction.

(c) Agreement on Creso Costs

The parties acknowledge that the amount of the Creso Costs is inherently unascertainable and that, even after termination of this deed, the Creso Costs will not be able to be accurately ascertained. As a genuine and reasonable pre-estimate of the costs that Creso will suffer if the Transaction does not proceed, the parties agree that, for the purposes of this clause 10.2, the Creso Costs will be equal to the amount of the Reimbursement Fee Amount.

(d) Reimbursement of Creso Costs

(i) Red Light agrees to pay to Creso the Reimbursement Fee Amount if at any time after the Execution Date, any of the following events occur:

- (A) any Red Light Director:
 - (I) fails to recommend, recommends against, withdraws or adversely modifies or qualifies their recommendation in connection with the Transaction;
 - (II) recommends or supports a Red Light Competing Transaction; or
 - (III) makes any public statement to the effect that the Transaction is not, or is no longer, recommended,

in each case other than as a result of:

- (IV) as a result of any matter or thing giving Red Light the right to terminate this deed under clauses 14.1(a)(i) or 14.1(b)(i); or

- (V) a Red Light Director determines pursuant to clause 7.4 that he should not provide or continue to maintain any recommendation;
 - (B) a Red Light Competing Transaction is announced before the date of the Red Light Meeting and within 12 months of the announcement, the third party proponent of the Red Light Competing Transaction acquires 20% or more of the issued Red Light Shares; or
 - (C) Creso is entitled to terminate this deed under clauses 14.1(a)(i), 14.1(c)(i) or 14.1(c)(ii).
- (ii) The payment of the Reimbursement Fee Amount to Creso provided for in this clause 10.2(d) must be made within ten Business Days of receipt of a written demand for payment by Creso.

10.3 No amounts payable

- (a) Notwithstanding the occurrence of any event in 10.1(d) or 10.2(d), no Reimbursement Fee Amount is payable:
- (i) once the Scheme becomes Effective; or
 - (ii) if a transaction is completed pursuant to which Red Light acquires 100% of the issued Creso Shares.
- (b) No Reimbursement Fee Amount is payable by:
- (i) Creso, merely by reason of the Creso Shareholders not approving the Scheme at the Scheme Meeting or the Option Scheme at the Option Scheme Meeting; and
 - (ii) Red Light, merely by reason of the Red Light Shareholders not approving the resolution to approve the issuance of Red Light Shares in connection with the Transaction at the Red Light Meeting.

However, for the avoidance of doubt, the Reimbursement Fee Amount will be payable to Red Light pursuant to clause 10.1(d)(i)(B) and Creso pursuant to clause 10.2(d)(i)(B) if subsequent to the Scheme Meeting or Red Light Meeting (as applicable), the relevant third party proponent of the Competing Transaction acquires 20% or more of the issued Creso Shares or Red Light Shares (as applicable) within 12 months of the announcement of the Competing Transaction.

- (c) The Reimbursement Fee Amount is only payable to each party once.

10.4 Compliance with law

- (a) If a court or the Takeovers Panel determines that any part of the Reimbursement Fee Amount payable to either Red Light or Creso:
- (i) constitutes or would, if performed, constitute:
 - (A) a breach of the fiduciary or statutory duties of the Red Light Board or Creso Board, as appropriate; or
 - (B) unacceptable circumstances within the meaning of the Corporations Act; or
 - (ii) is unenforceable or would, if paid, be unlawful for any reason,

then Creso or Red Light (as appropriate) will not be obliged to pay such part of the Reimbursement Fee Amount and, if such fee has already been paid, then the relevant party or parties must within five Business Days after receiving written demand from the other party or parties refund that part of the Reimbursement Fee Amount.

- (b) If in Takeovers Panel proceedings detailed in clause 10.4(a), the Takeovers Panel indicates to a party that in the absence of a written undertaking pursuant to section 201A of the *Australian Securities and Investments Commission Act 2001* (Cth) it will make a declaration of unacceptable circumstances, each of the parties (as the case may be) may give that undertaking on their own behalf and must give reasonable consideration to giving that undertaking if requested by the other parties. Where such undertakings are given, this clause 10.4(b) will operate in a manner consistent with the terms of such undertakings.
- (c) The parties must not make or cause or permit to be made, any application to the Takeovers Panel or a court for or in relation to a declaration or determination referred to in clause 10.4(a).

10.5 Claims

Each party agrees that, upon termination of this deed under circumstances where Creso or Red Light is entitled to a Reimbursement Fee Amount and such fee is paid in full, Creso or Red Light, as the case may be, shall be precluded from any other remedy against the other party at law or in equity or otherwise (including, without limitation, an order for specific performance), and shall not seek to obtain any recovery, judgment or damages of any kind, including consequential, indirect or punitive damages, against the other party or any member of its group or any of the respective directors, officers, employees, partners, managers, members, shareholders or affiliates or their respective Representatives in connection with this deed or the transactions contemplated, provided, however that a payment by a party of a fee shall not be in lieu of any damages or any other payment or remedy available in the event of any wilful or intentional breach by such party of any of its obligations under this deed.

11 Representations, warranties and undertakings

11.1 Creso's representations and warranties

Creso represents and warrants to Red Light that each of the Creso Representations and Warranties are true and correct in all material respects.

11.2 Qualifications on Creso Warranties

6.3 Issue of Option Scheme Consideration

- (a) Not later than one Business Day after the Record Date, Creso will give to Red Light a notice specifying the persons to whom Red Light Shares are to be issued pursuant to clause 5.4 and the number of Red Light Shares to which they are entitled.

 - (C) will be exempt from the registration requirements of the U.S. Securities Act; provided that:

 - (II) the order to be issued by the Court at the Second Court Hearing shall include a statement to substantially the following effect: “This Order will serve as a basis of a claim to an exemption, pursuant to Section 3(a)(10) of the U.S Securities Act, as amended, from the registration requirements otherwise imposed by that act, regarding the issue and exchange of securities of Red Light pursuant to the Option Scheme”.

Except for an Option Scheme Participant's tax file number, any binding instruction or notification between an Option Scheme Participant and Creso relating to Scheme Options on the Record Date (including any instructions relating to payment of dividends or to communications from Creso) will, from the Record Date, be deemed (except to the extent determined otherwise by Red Light in its sole discretion) to be a similarly binding instruction or notification to, and accepted by Red Light, in respect of the Red Light Shares issued to the Option Scheme Participant until that instruction or notification is revoked or amended in writing addressed to Red Light, provided that any such instructions or notifications accepted by Red Light will apply to and in respect of the Red Light Shares issued as Option Scheme Consideration only to the extent that they are:

- (a) not inconsistent with the other provisions of this Option Scheme; or
- (b) recognised under Australian law or Red Light's constituent documents.

6.8 Ineligible Foreign Holders

 - (B) remits the net proceeds of sale to the Ineligible Foreign Holders by dispatching, or procuring the dispatch of, a cheque for the relevant amount in Australian dollars drawn in the name of the Ineligible Foreign Holders (or in the case of joint holders, in accordance with clause 6.4) by ordinary pre-paid post to the address of that Ineligible Foreign Holder appearing in the Creso Listed Option Register on the Record Date.
- (d) In the event that the Sale Agent believes, after consultation with Creso, that an Ineligible Foreign Holder is not known at its address appearing in the Creso Listed Option Register on the Record Date, the Sale Agent may credit the amount payable to that Ineligible Foreign Holder to a separate bank account of Red Light to be held until the Ineligible Foreign Holder claims the amount or the interest is dealt with in accordance with unclaimed money legislation, and Red Light must hold the amount in trust but any amount accruing from the amount will be to the benefit of Red Light. An amount credited to the account is to be treated as having been paid to the Ineligible Foreign Holder.
